I am a College in the High School student requesting a waiver of BTC fees for the following reason:

☐

I have applied for and have received notification that I am currently eligible for the Free or Reduced Meals program at school. **I have received a signature from a high school representative or attached an eligibility letter from the school district.**

List name of school district: _____

☐

I am currently eligible for public assistance from a state or federal program. I have attached a copy of a medical, TANF, or Basic Foods benefits statement listing my name. Documentation must include the student's name and an effective date within the past year. I will re-apply annually, attaching current documentation, and I will notify BTC Running Start if there are any changes to my eligibility.

☐

I am a Foster Youth and I am providing a signed statement on letterhead from my caseworker as documentation.

I certify that all the information on this form is true. I am attaching appropriate documentation if required (see above). I understand that I will be notified only if my petition is denied or incomplete. If my petition is approved, I will not be notified, but my student schedule will reflect that certain charges have been waived. I understand this does not waive expenses for textbooks and supplies, course and program fees, and/or tuition and fees for classes below 100.
