Worried about your memory?

Alzheimer's Australia
Living with dementia

An Australian Government Initiative

Early diagnosis of dementia: Can we and should we?

Internationally renowned authority on ageing, mild cognitive impairment and Alzheimer's disease, US Professor Ronald C Petersen, will speak about mild cognitive impairment and its possible progression to dementia.

Professor Petersen will provide an overview of:

- what does brain research tell us about changes in the brain and dementia
- the pathology and the clinical symptoms
- modifying the progression - what do we know?
- the implications for clinical practice

Thursday 22 September 2011

9.30am - 11.00am

Cost $15

Auditorium, Sir Llew Edwards Building (#14) University of Queensland St Lucia Campus, Brisbane

RSVP: by 16 September - To book your place please fax back your registration form to 07 5525 3621 or register online at **www.alzheimers.org.au/queensland**

Professor Ronald C Petersen PhD, MD
