

WYMAN TIMES

MESSAGE FROM THE PRINCIPAL

Happy New Year 2013! I hope that each of you enjoyed your holiday break. Each New Year brings the opportunity for both new beginnings and a reflection of the past year.

Thank you to everyone who participated in some way in the PTO Christmas Store. It was a great success, thanks to you. Many parents brought in items to stock our "store" while others helped set it up and wrap the purchases. I think this year's selections were the best ever and I know that the Wyman students enjoyed their shopping experiences. Thanks, PTO!

Also thank you to everyone who helped with food collection for GRACE. We collected around 1500 cans and boxes of food. That is more than 3 from each person at Wyman. The representatives from GRACE were very thankful. Wyman students truly are "sharing and caring".

January 16th will be the next meeting of K-Kids. After the new year, we are adding 2nd graders to our group. So this meeting is for 2nd, 3rd, and 4th grade students. K-Kids is a service organization for elementary students. New members can join at any time. Fill out the permission form below if you are interested in having your child participate in K-Kids.

The Character Ed focus for January is "Be a Goal Setter". One of Wyman goals is to have **95% attendance or better** for all students. However, we are really hoping to achieve 96% attendance or better. Parents are responsible, by law, to make sure that their children attend school. Doing make-up work is not the same as being here. The classroom experience can not be regained once it has been missed. Let's make good attendance a goal for everyone in 2013!

As I reflect on the first half of the school year, I would like to thank all of the Wyman parents and families for your support. Education is truly a partnership. Great things can be accomplished when we all work together. Wishing each of you good health, happiness and success in 2013!

Dr. Susan Bowles, Principal

JANUARY 2013

3-Classes resume

7-Character Ed Assembly, 1:00; Tech Ninja, 3:15

9-Mad Science, 3:15
