

ACT REVIEW

GET PREPARED!

4 Saturday Sessions
February 26, March 5, 12*, and 19, 2011
***(March 12 session will start at 8 a.m.)**

Rolla High School 9:00 a.m. to 12:00 noon

Fee: \$70.00, which includes all books, materials, and 12 hours of instruction!
(Note: Bagels will be provided for each session.)

Many of our students have more than enough knowledge to do well on the ACT but simply need some test-taking strategies and concept review. To assist students, 4 Saturday review sessions (prior to the April ACT) will include two sessions of mathematics, one session of reading comprehension, and one session of English. **Be sure to mark the session dates listed above on your calendar and please listen to the daily announcements prior to these dates for the location of the session.** Students will receive handouts and books to take home to continue practicing the strategies learned. (Students should have already had geometry or are enrolled in geometry at this time.)

There must be a minimum of 15 students enrolled to offer the course, and 35 will be the maximum. The registration deadline for this ACT review is **February 15, 2011**; however, registration will be closed when the enrollment maximum is met. The fee may be paid by cash or a check to Rolla High School. There will be no refunds once registration is closed. Please complete the form below and return to the RHS principal's office with the fee or mail to:

Rolla High School
