## Member Spotlight

### The Baptist Children's Village

114 Marketridge Drive  
Ridgeland, MS 39157

(601) 952-2422

The Baptist Children's Village has been caring for children since 1897 and has continually sought to provide quality care for children in need throughout our history.

We provide residential child care to hurting children in Mississippi ages 2-20. Children come to us from hurting families or through the Department of Human Services and remain in our care for varying lengths of time depending on the need of the child and the family.

One of our seven campuses is located in Rankin County at Star. Houses on our campuses are purposefully designed and staffed to model natural family living. Children attend local public schools and churches in the community.

Find us on the web at:
