MESSAGE FROM CHAIRMAN

Dear Students and Members of Staff,

A very hearty welcome to 'The SRM Family'.

Together, we shall begin our new academic year 2014– 2015, with enriched vigor, enthusiasm and positive thoughts. The Educational environment is supportive and one can feel 'Quality' at our College. Enjoy the process of learning and great transformation from the level of a Student level to a leading and powerful professional of values and merits.

Let us cherish our grand journey towards academic excellence and you can steer yourself in the best direction.

Dream, take a big step forward, and spread your wings and explore!

It is wonderful as to what you discover through hard work and sincerity of purpose.

At Easwari Engineering College, experience the joy of 'Learning' and 'Excel' with an assured future that is artful and waiting for you.

*Dr. R. Shivakumar, M.D., Ph.D.,
Chairman
SRM Group of Institutions

9. PREAMBLE

Easwari Engineering College was established in the Academic year 1996-1997, with the 'Vision' for 'Women Empowerment' through Higher Education in 'Engineering and Technology'. At that point of time, the College held the unique status of being the first and the only 'Engineering College for Women' affiliated to the University of Madras. This was a pioneering effort. Propelled by sustained public demand, the college was subsequently converted to co-education in 2002. The college provides academic ambience through inspiration, fosters enthusiasm and motivation so as to realize challenging and rewarding career pathways to Students.

Our unwavering commitment to quality education and experiential learning ensures that our students develop the abilities for critical thinking and evaluation of Issues; they are trained to translate concepts and theoretical knowledge into real time situations. Besides these, our students are molded to be socially aware and become responsible, to make effective contributions towards 'societal transformation and nation building'. The SRM Group stays focused to its ideals and steadily embraces quality, values and tradition.

10. THE GENESIS

Easwari Engineering College (EEC), a division of Sri Ramaswamy Memorial (SRM) Group of Educational Institutions for higher learning, is functioning under the aegis of a 4 decade old "Valliammai Society". The society was founded for promoting the cause of quality education, by Dr. T. R. Pachamuthu, an academician and educationist. SRM Group runs a network of more than 17 different Institutions and is one of the largest Educational Groups in the Country. The Branches of study include Engineering and Technology, Management, Medical / Dental / Life and Bio-Sciences / Para Medical and Allied Medical Sciences / Hospitality and Arts & Science.

Contributions made by SRM, consistently over the years through Educational Institutions and Health Care Services, have been well recognized at the National Level. On the basis of academic strength, quality of education and associated factors, SRM Engineering College and the SRM Dental College were accorded the status of Deemed University in the year 2002; in 2006, SRM Institute of Science and Technology (Deemed University) became 'SRM University' (under section 3 of UGC Act). Now, the University has added several UG and PG Programmes, including MBBS Degree Programme.

The Mission continues...

"Try not to become a man of success. Rather become a man of value." Albert Einstein

11. ABOUT THE COLLEGE

Easwari Engineering College was instituted in the academic year 1996 -1997, with the approval of Government of Tamil Nadu and AICTE, New Delhi. The College is affiliated to Anna University, Chennai since 2002. All branches have got permanent affiliation except Mechanical and Civil being recent branches.

Pursuing the philosophy of continuous learning, the institution prepares the students to score creditably in the academic sessions and also encourages them to develop their interpersonal and intrapersonal skills and attitudes to approach life with confidence. The working environment is such, Students as well as Faculty, are inspired and supported to attain high standards of education and skill sets and shine in their chosen path.

Faculty, with their impressive academic, research and industrial experience, lead the students to achieve excellence and competence. This in turn enhances the core strength of students and enables them to realize all round development.

College offers 8 Under-Graduate and 11 Post Graduate Programmes, covering Engineering & Technology, Computer Applications and Management. The National Board of Accreditation (NBA) has already accredited the Programmes offered by the College, except Civil which commenced in 2007-2008. The College has obtained ISO 9001: 2000 Certification from TUV, South Asia, which has recently been upgraded to 9001:2008 standards.

So far, 14 Batches of Engineering students have successfully passed out. Many of our students have secured University Ranks including the University First Rank. In 2012-13, 'Placement' was more than 96% in companies of repute, in 2013-14 placement is 92% till May '14. Many of our students pursue higher studies in India and abroad. Our Alumni association is very active. With Branches in important cities, the Association is steadily growing.

The College, located at Bharathi Salai, Ramapuram is within the Metropolis of Chennai and is of about 20 minutes drive from prime parts of the city, viz. Anna University Chennai, Raj Bhavan, IIT, Railway Station (Guindy), Airport and Bus Terminus (*Please refer to the Route Map on the rear cover*).

12. THE GOVERNING COUNCIL

Governing Council, the Apex Committee of the College for its perspective, policy/ financial planning and management, meets twice or more in a year. The Agenda focuses on comprehensive development and on continuous improvement for steady growth of the College. The Council monitors the formulation, programme implementation and evaluation and reforms with special reference to quality and standards of academic and industrial expectations.

"It is better to fail in originality than to succeed in imitation." Herman Melville

14. INFRASTRUCTURE AND FACILITIES

Easwari Engineering College has been developed over the years and fully established with 7 imposing multi-storied Academic Blocks and 2 Workshop Blocks

- Main Block (EEE/CSE/IT)
- Electronics Block I & II (ECE/ EIE)
- P.G. Block(MBA/MCA)
- Basic Engineering Block
- Mechanical Block
- Civil Block
- Two Workshop Blocks

The buildings house fully furnished laboratories, centres of excellence, smart class rooms/ Class rooms, conference halls, offices of HODs, Staff rooms, Seminar Halls, Department Libraries and other facilities as per AICTE Norms and Standards. (for details please visit our website: www.srmeaswari.ac.in). Spacious lawns between the entrance and buildings and green trees around provide the serene and right ambience for the Campus. The College has 5 Residential Hostels, separately for boys and girls. Facilities provided in the hostels include:

- Study Halls
- Magazine Section
- Health Centre and Gym
- Recreation Rooms with Television
- Entertainment Hall and Indoor Games
- Areas for Sports and Indoor Games
- Common Rooms
- Temple
- Yoga Section

(Please refer to the Hostel Hand Book: 2014-2015, available with the respective Dy. Chief Warden. This Book will be issued to students, opting for hostel admission and is based on prior permission and approval from the Principal, who is the ex-officio chief Warden for the hostels).

Other facilities within the Campus include:

- Food Courts / Canteens
- Photocopy and Telecom facilities
- DTP and Internet Centers
- Two separate sewage Treatment plants
- Gen set back up service for all buildings
- Solar water heater
- Public Announcement LCD TV in each block
- Super Market / Departmental Stores
- Bank with ATM
- Post Office (adjoining Location)
- Iron filtration plant
- Additional Facilities for Value Added Courses
- RO plant for every Building
- Centralized Audio Information System

A 150 Bedded multi-specialty hospital is established well within the campus to provide health care for students, faculty members and the public. Free consultation and treatment are provided.

"The worst part of success is trying to find someone who is happy for you." Bette Midler

14.1 Computer Centres And Computer Based Academic Training, Coordination And Administration

Fully furnished Computer Labs are located in 34 different Centers and these occupy a total area of 4,393.2 sq.m. These labs cater to the computing needs of the students & faculty. There are totally 1567 Terminals, Pentium IV, i3, i5 and i7 processors with latest configuration and UPS back up service:

Other Infrastructures

- WINDOWS server 2000/ NT/ 2003/2008
- UNIX / LINUX Operating Systems
- Windows (XP, 7 & 8)
- 16 Branded Servers

All Terminals are networked to provide cross platform application with Client Server architecture.

All buildings of the College have been linked up and connectivity has been established through Fiber-Optic cables. In addition to the provision of regular course work in C, C++, JAVA, ORACLE, VB, VC++, Rational Rose, FOSS Lab and Web sphere, there is provision for Multimedia based english learning software in an exclusive Language Lab. Academic/ Administrative Software have also been installed to facilitate effective coordination among departments and operations.

INTERNET

College has 45 Mbps [1:1] internet connectivity through Airtel leased line and BSNL Broadband 10 mbps with VPN Connectivity.

This caters to:

- The Campus is Wi-Fi enabled.
- All computer labs and Departments
- Browsing centers and DTP in the Hostels / Campus (General needs)
- Libraries

"Success is stumbling from failure to failure with no loss of enthusiasm." Winston Churchill

14.2 Laboratories / Workshops

All departments have laboratories/ workshops as per AICTE stipulations and curriculum of the University. These are well established with modern facilities, equipments and systems. Our labs are regularly updated and upgraded to cater to the students' needs.

(for details of the Syllabi and Laboratories, please visit the College website : www.srmeaswari.ac.in)

The Central Library

Our Library is a paradise for those who have a passion for reading books and enthusiasm for widening their knowledge base in depth and extent. The Library is spread over 2 storeys (Mezzanine Type floors) and is housed in the P.G. Block. The library has an area of 2100 sq.m. of built-up facilities.

The Library resources and Services

- Fully computerized working systems.
- 19,455 Titles and 72,936 Volumes (availability exceeds AICTE Guidelines).
- 244 Indian/ Foreign Journals / Magazines
- 4,500 Online Journals from IEEE, EBSCO, ASME, ASCE, ACCESS, Engineering ASTM, Digitals Library, J. GATE, Science Direct and Springer link.
- Facilities to receive Anna University Training Development and Communication Channel (AUTDCC) through EDUSAT for special Lecture by experts
- Lending, reference and reprographic facilities
- Study halls with a capacity for 300 students / faculty
- 2 air-conditioned audio and video Halls
- Internet browsing section
- CD Library, CD ROMs, CD writing and scanning – Digital Library
- Dedicated areas for PG Students, Project work and air-conditioned room for staff.
- Institutional Memberships: British Council Library, IIT (Madras) Library and the Centre for University Industry Collaboration / Anna University, Madras Management Association, MALIBNET, DELNET
- Individual Membership: Library membership is compulsory for staff and students. All members are expected to follow the regulations as laid down.

"Have no fear of perfection - you'll never reach it." Salvador Dali

Regulations for Use of Library (A BROAD OUTLINE)

14.3 Training And Placement Activities

Employability of Engineering and Management Graduates are one of the key result areas for our institution. We are striving very hard to place all the eligible students in the leading multinational and national level organization both in IT, ITES and Core Engineering Discipline. Usually 80+ companies visit our campus for recruitment, some of the companies like TCS, Wipro, L & T infotech, Infosys, Honeywell, Technip, Zoho Corporation, HDFC, Jaro Education have visited the campus. The salary ranges between ₹ 3 Lakhs to ₹ 5.2 Lakhs.

IIPC (Industry Institute Partnership Cell)

Industry Institute Partnership Cell in the institution very closely work with industry in the following aspects,

1. Faculty Development Programme (FDP) by Industry Experts.
2. Student Development Programme on Core Competency building and other support services.
3. Consultancy, Sponsored Research and Continuing Education Programmes.

IIP Cell interacts with All India Professional bodies like CII, NASSCOM, ISTD, FICCI and QCFI. IIP Cell of Easwari Engineering College signed a MoU with Wipro Technologies, Bangalore and Tata Consultancy Services, Chennai.

Student Development Programme by IIP Cell

1. IIP Cell periodically conducts student development programme by way of inviting industry experts on functional areas and behavioral areas.
2. IIP Cell encourages student to participate in business Quiz and other technical related competitions organized by industries.
3. Periodical Industrial Visit will be organized in collaboration with the leading industries of MNC's and Scientific Establishments.

Activities of Quality Circle Forum of India (QCFI) Student Chapter

The Easwari Engineering College jointly with Quality Circle forum of India – Chennai Chapter very actively organizing workshops, seminars, conventions and symposia in the quality related area being practiced in the industries.

Entrepreneurship Development Cell

This EDC Cell is very active in the campus to nurture entrepreneurial skill among the young budding Engineers by way of inviting Eminent and Successful Entrepreneurs in IT, ITES and services companies. Every year this cell conducts business plan competitions and Popular Series Guest Lectures.

"Our greatest glory is not in never falling, but in rising every time we fall." Confucius

15. FUNCTIONAL COMMITTEES

The Functional committees comprising of Senior faculty members have been constituted to ensure the systematic and smooth functioning of the curricular, co-curricular and extra-curricular activities.

Anti-Ragging Committee

RAGGING – A SERIOUS AND PUNISHABLE OFFENCE

Ragging in any form is totally banned in our College/other institutions/Hostel/ Campus and other premises. Extract of Tamilnadu Government Gazette-Extra Ordinary Notification dt. 29.01.97 (Bill No. 8 of 1997 Tamilnadu Prohibition of Ragging Act):

Ragging in any form is illegal and is strictly forbidden.

- The College has an Anti- Ragging Squad consisting of senior members of faculty.
- Honorable Supreme Court and the State Authorities have empowered the victims and their families to file/ register FIR.
- The College has Anti-ragging committee.

16. ACTIVITIES

Student chapters are well established over the years and are very active with a scholarly approach:

- Institution of Electrical and Electronics Engineers (IEEE, USA)
- International Society for Automation (ISA, USA)

Obstacles are those frightful things you see when you take your eyes off your goal. Henry Ford

- Indian Society for Technical Education (ISTE, India)
- Institution of Electronics and Telecommunication Engineers (IETE)
- Computer Society of India (CSI).
- Society of Automotive Engineers (SAE)
- Society of Mechanical Engineers (SME)
- Indian Society of Heating Refrigerating and Air-Conditioning (ISHRAE)

In addition, the following Professional Associations function in the College under whose aegis, guest Lecture are organized; eminent scholars and experts in the appropriate field are invited regularly. Besides, the respective association organizes workshops, symposia and technical Seminars. These associations bring out departmental magazines and newsletters, periodically and cover the activities and Topics of interest:

- Students Association of CSE
- Students Association of ECE
- Students Association of EEE
- Students Association of EIE
- Students Association of IT
- Students Association of
- Mathematical Colloquium
- Mechanical Engineering
- Students Association of Civil Engineering
- Literary Association
- Science Association
- MCA Association
- Management Association
- “The Hindu” – Business Line Club / MBA
- Energy Club

Extra - Curricular Activities

College focuses on academic and professional development of students with organizational abilities, skill sets and ethical Values. Students are encouraged to participate in many co-curricular and extra-curricular activities every week / month / Semester.

Many students participate and excel in design contests, debates, creative writing for excellence, fine Arts, cultural, sports and in games.

- **Cultural** Association provides opportunities to develop talents and exhibit team spirit. Students are encouraged to discover themselves and enjoy the extracurricular activities through their enthusiasm and team dynamics.
- The college magazine ‘**BEACON**’ is released every year; Staff and Students demonstrate their mettle and excellence in creative writing.

Be nice to people on your way up because you meet them on your way down. Jimmy Durante

- **Alumni** Association under the guidance of an experienced team of staff members is working efficiently. Following are the Areas of focus:
 - Industry Partnership
 - Assist in Recruitment/Placement Drive
 - Entrepreneurship Development Cell
 - Upgradation of syllabus - to meet and exceed expectations of Industries
 - Enhance Employability through Training, Personality Development Programme and Value Added Courses.
 - MOUs/ Project consultancy
 - Guest Lectures

A number of social service units indulge in Community Services.

National Service Scheme (NSS)

National Cadet Corps (NCC)

Youth Red Cross (YRC)

Rotaract Club

They conduct blood donation camps, adult literacy camps, functional literacy programmes / health and hygiene camps / tree planting schemes / AIDS prevention camps.

- These motivate students to donate old clothes, Textbooks etc. and thus render services to the public. Our staff and students have brought appreciation and laurels to our institution year after year. Also they have won several awards in recognition of their services.
- New initiatives are in hand to organize and provide 'Certificate programs' for the youth of ramapuram, in technical areas.
- Adoption of Village/ School for providing Computer Education/ Literacy and Health Care.

17.3 Practices

Students are to acquire and develop:

- Healthy practices, pleasant and normal behavior, discipline and decorum.
- Manners to greet colleagues, faculty and elders, while moving in the campus.
- Ability/skill to indulge in activities that will build the image and prestige of the institution.
- Ideas Bank: A suggestion box is maintained in every building. Students and staff are to effectively participate for the development of the college.

Attendance and Leave (Guidelines):

- It is compulsory that all students and staff are positively present on the re-opening day.
- Be punctual and regular for lecture classes/ labs/ workshops/ seminars and submit assignments / records / homework in time.

"The way to get started is to quit talking and begin doing." Walt Disney Company

- **Aim at 100% attendance and also ensure punctuality/ regularity. Students are recognized for achieving this target. In addition, there is a group incentive for the entire class for realizing excellence in attendance.**
- If a student is absent for even one period it will be treated as absent for the complete session (Forenoon or Afternoon during that day).
- **It is compulsory to appear for all Tests and Model Examinations.**
- General Attendance rules are given below for compliance. Daily, weekly and monthly attendance is closely and personally monitored by the HOD (includes Punctuality / and Regularity).
- Efforts must be made to realize 100% Attendance every month; once the level reaches 90%, corrective steps are to be seriously undertaken by- students, parents and the Department. It is a joint responsibility towards students discipline.
- Monthly reports are to be submitted by HODs to Principal for preventive actions through Parents.
- **If the Attendance of a student is below 75%, the student will not be permitted to appear in the University Examinations and will be detained; students so detained in the respective year/ semester, will have to repeat the semester/ course during the next academic year.**
- Students are to seek prior permission for availing leave. Whenever prior permission could not be obtained, submit the leave letter at the time of reporting to the College (with Parents' request justifying the case). (Obtain invariably signature of Parents / Guardians / Hostel Warden in leave letters).

Leave on Medical grounds

- Medical leave will be accepted only in genuine and approved cases with proper medical certificate. This will be counter verified by College Hospital. Decision of RMO/Hospital shall be final in the event of doubts, if any. However, **even in case of medical leave, attendance shall not fall below 65%**, failing which the students are not permitted to appear for the University Examinations.
- *Medical Certificate should accompany leave letters on medical grounds.*

Academic Progress

- Students are supported to maintain steady academic progress.
- 60% or more marks in each subject are considered as the minimum level of acceptable performance in cycle tests and in model Examinations. Students are to aim at the highest level.
- Pass in Cycle / Model Test is compulsory.

"All you need in this life is ignorance and confidence; then success is sure." Mark Twain

- For all theory and practical courses including project work, the continuous internal assessment will carry 20 marks while the end Semester University examination will carry 80 marks.

Internal Assessment Marks:

Anna University has introduced an Internal Assessment of 20 Marks. This will be calculated based on the marks scored in the three Tests and Class Attendance.

- Performance of students, who have poor Academic Track Record / Poor Performance or inadequate attendance, will be reported to Parents. In case of default, they will not be recommended / permitted for Campus Placement / given letter of recommendations for higher studies.

Counselling

- There is one Faculty Counsellor for every twenty students (1:20). Students are counseled periodically on student development, issues affecting progress, academic performance, higher studies, placement, attendance, discipline, sports, extra-curricular activities etc.
- There is a full time Expert Counsellor with specialization in Psychology. Students are supported to seek special guidance and advice from the expert counsellor, as and when it is necessary.
- Students can make suggestions and feedback regarding difficulties either directly to the class In-charge / HOD / Principal or through the suggestion box (which is provided at the entrance of the Main block) or through the expert counsellor.
- A Class committee meeting is held thrice per semester at suitable intervals. During these meetings the student representatives air their opinions and suggestions regarding lecture classes, lab sessions and cycle test performance to enable mid-semester corrections for realizing excellence in Teaching - Learning process.

Certificates

The Course Completion Certificate, Transfer Certificate and Conduct Certificates will be issued only when the student completes the entire course work satisfactorily and leaves the college after submission of 'No-Dues Certificate' from all Departments.
