

We understand that your program or event won't be successful if you can't get the sizes you need. That's why we offer a wide range of sizes for both men and women in every Vantage style. Our XS-3XL sizing for most styles allows you to purchase many of our garments for unisex wear. In our women's collection, we also offer an extensive size scale of XS-3XL to fit a broader range of women. To choose the most accurate sizes for your customer, refer to the **body** measurement guidelines and size scales below. Actual **garment** size specifications will be provided on request.
