Donor Responsibilities and Acknowledgements

The decision to donate is strictly voluntary and I understand that State law expressly prohibits me from receiving remuneration or a gift in exchange for donated sick leave. I further understand that by donating sick leave directly to my coworker that my sick leave balance will be reduced by the corresponding amount and will no longer be my property right. These donated sick leave hours will not be returned to me in the event that the employee is unable to utilize the donated sick leave. Additionally, I understand that a donation will have tax consequences and that I am advised that in accordance with Internal Revenue Service policy, the cash value of donated sick leave is includable in my (the donor) gross income and will be treated as wages for employment tax purposes with such wages being considered a lump-sum payment subject to 25% income tax, Medicare, and applicable social security withholdings. I further acknowledge that I am encouraged to consult a tax advisor for further tax guidance and implications.

My signature indicates my authorization to reduce my sick leave balance by the hours shown and donate those hours to the recipient in this document. I understand the hours are no longer my property and may not be returned to me and that the donation of sick leave has specific tax consequences. I confirm that I have read the Donor Responsibilities and Acknowledgement as directed.
