(Continued)

Describe **in sufficient detail** how the requested event will impact the public road right-of-way and your plan for mitigating the impacts to the right-of-way area.

(Add additional sheets of paper if necessary):

In consideration for the granting of this Permit, Permittee will defend, indemnify and hold harmless Multnomah County, its officers, employees, agents, heirs and successors in interest from any and all suits, losses, claims, costs, expenses, liabilities or damages of whatsoever nature, including but not limited to attorney fees and other legal costs arising out of or resulting from Permittee's or its employees, agents or contractors activities undertaken pursuant to this Permit and in connection with the Special Event including but not limited to the use of the right-of-way under Multnomah County jurisdiction.

The Applicant will comply with all applicable local, state and federal laws and conduct the Event in a safe, orderly manner; will not damage County owned or maintained real or personal property; and is in compliance with County requirements relating to traffic control, traffic safety and bridge integrity including but not limited to load rating limits.

The Event will not cause or contribute to a violation of any applicable federal, state or local environmental protection law or regulation, including but not limited to the Endangered Species Act or the Clean Water Act, as established by a comprehensive environmental analysis of the proposed Event and its impact on the river if appropriate.

That any Hazardous Substances, Hazardous Materials or Hazardous Waste used, stored or released in any way in connection with the Event will be handled in a manner consistent with any applicable laws and regulations; including but not limited to any local, state or federal law or regulation relating to the storage, release, spill or discharge of "Hazardous Substances," "Hazardous Material" or "Hazardous Waste" as defined under any applicable local, state or federal law or regulation.
