New Jersey 4-H Volunteer Standards of Behavior

The primary purpose of these Standards of Behavior is to insure the safety and well-being of all 4-H participants (i.e., members, their parents, and families, staff and volunteers). These standards shall guide adult volunteer behavior during involvement in New Jersey 4-H. Just as it is a privilege for Rutgers Cooperative Extension to work with individuals who volunteer their time and energies to 4-H, a volunteer's involvement in 4-H is a privilege and a responsibility, not a right. All non-staff adults participating in overnight 4-H events and activities are considered to be volunteers during the course of the event, and must agree to abide by the 4-H Standards of Behavior.

4-H Volunteers will:

- Uphold volunteerism as an effective way to meet the needs of youth and adults.
- Uphold an individual's right to dignity, self-development, and self-direction; will not abuse any 4-H participant by physical or verbal means; and will report such abuse, if observed.
- Accept supervision and support from county 4-H staff while involved in the program.
- Accept the responsibility to represent their individual county 4-H program and the New Jersey 4-H Program with dignity and pride by being positive role models for the youth with whom they work.
- Not commit a criminal act.
- Inform county 4-H staff of any arrests or charges of criminal activity. (This may result in temporary suspension pending resolution of the case.)
- Comply with equal opportunity and anti-discrimination laws.
- Keep county 4-H staff informed of any incidents which may violate 4-H policies or personal rights.
- Handle animals and operate machinery, vehicles and other equipment in a responsible manner.
- Not require 4-H participants to purchase materials, equipment, animals or services from any specific places of business.
