Qualified Capital Purpose Undertaking Fund levy. A district may only exceed the maximum levy of five and one-fifth cents per one hundred dollars of taxable valuation in any year if (i) the taxable valuation of the district is lower than the taxable valuation in the year in which the district last issued capital purpose undertaking bonds or (ii) such maximum levy is insufficient to meet the annual principal and interest obligations for all capital purpose undertaking bonds. (Statute 79-10,110).

Learning Community Member Schools - The total levy, which must be \$1.05 or less, includes the Learning Community General Fund, Learning Community Special Building Fund, School District General Fund, and School District Special Building Fund.

NOTE: The sole purpose of this Schedule is to determine if the School District has met the levy limitation. This Schedule is not provided for levy setting purposes. Please note that because the property tax request (per this Schedule) does not include the property tax request attributable to the exclusion items, the levy (per this Schedule) may not reflect the levy set by your County Board of Equalization.

REMINDER: School districts that have combined levies greater than \$1.20 or the combined levies that exceeded the maximum levy approved at a special election may be subject to petitions for the free holding of territory.
