This executive summary of the School Accountability Report Card (SARC) is intended to provide parents and community members with a quick snapshot of information related to individual public schools. The data presented in this report are reported for the 2009-10 school year, except the School Finances and School Completion data that are reported for the 2008-09 school year. For additional information about the school, parents and community members should review the entire SARC or contact the school principal or the district office.

## About This School

The Academy for Academic Excellence (AAE) is an independent, direct-funded Charter School. The AAE was chartered by Apple Valley Unified School District in 1997. The Charter was renewed for five more years in 2002 with a mid -year review in 2005 and again in 2010. The AAE has three campuses in Apple Valley. The K-1 campus is located at 20702 Thunderbird Road, $2^{\text {nd }}-4^{\text {th }}$ graders are on our Corwin Campus located at 18350 Corwin Road and the 5-12 grade campus is at 17500 Mana Road. The school offers full-time programs for students. A strong emphasis on academic rigor and teacher-practitioner research has allowed the AAE to develop many best practices to the benefit of the students and staff. High school courses are UC approved. A number of AP courses are also offered. Located on a 150-acre parcel of land that includes parts of the Mojave River, the AAE promotes high academic and behavioral standards for students and staff.
The MRC location allows students access to a variety of unique ecosystems. This has allowed the school to develop an inquiry-based, hands-on approach to learning. Partnerships with a number of community organizations including the Mojave Water Agency, JPL/NASA, St. Mary s Hospital and AQMD have greatly expanded the opportunities for learning at the AAE.

## School Facilities

## Summary of Most Recent Site Inspection

The Academy for Academic Excellence is a K-12 school that is located on three sites. The Thunderbird Campus houses K - 1 grade students. It is located on Thunderbird Road in Apple Valley. It borders the two campuses of Phoenix Academy. The Thunderbird Campus is the location of a 14-inch telescope and observatory that hosts many events for students, parents, staff and the community at large. The leased Corwin Campus is the former St. Mary's Catholic School and is now home to grades $2-4$, located on the corner of Corwin Road and Hwy 18. The Mojave River Campus is located on a 150 -acre site that borders State Highway 18 and the Mojave River. The north end of the site houses an Elementary campus, grades 5-6. The south end of the site contains a 7-8 grade site and a High School site. The campus has state-of-the-art facilities including a Mission Control Operations center that provides students and teachers with direct connections to a radio telescope located in the Goldstone Array in Southern California.
Future plans include a gymnasium, athletic fields, a performing arts center, and a building containing science labs. A full-time Maintenance Department ensures that the grounds, buildings and restrooms are kept clean. A custodial crew works evenings to provide the support required to maintain clean and sanitary facilities.
Any needed repairs are made by the Maintenance Department. Any repairable items that cannot be fixed by the Maintenance Department are contracted out.

## School Accountability Report Card Reported Using Data from 2009-10 School Year Published During 2010-11

The School Accountability Report Card (SARC), which is required by law to be published by February 1 of each year, contains information about the condition and performance of each California public school. More information about SARC requirements is available on the California Department of Education (CDE) SARC Web page at http://www.cde.ca.gov/ta/ac/sa/. For additional information about the school, parents and community members should contact the school principal or the district office.

## I. Data and Access

## DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at http://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., state Academic Performance Index [API], federal Adequate Yearly Progress [AYP]), test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners.

## Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## School Description and Mission Statement (School Year 2009-10)

This section provides information about the school, its programs, and its goals.

Academy for Academic Excellence Mission Statement:
Research, develop and implement innovative educational programs to maximize each student s potential to become honorable, courageous, generous citizens and highly effective learners.

## Opportunities for Parental Involvement (School Year 2009-10)

This section provides information about opportunities for parents to become involved with school activities, including contact information pertaining to organized opportunities for parental involvement.

Opportunities for parental involvement abound at the AAE. The school sponsors a number of organizations that give parents direct input into the governance of the school. These organizations include a Parent/Teacher Organization and the School Site Council. In addition to opportunities to assist in the governance of the school, the AAE provides a number of informational and educational
programs to involve parents in the educational process. Through the guidance of the school Psychologist, seminars in discipline, Love \& Logic, parental involvement, family counseling, and support are offered at various times throughout the school year.
Parents are encouraged to volunteer in the classroom and become involved in on-going research projects involving their children through the web site where opportunities to assist are posted. In addition, a variety of informational meetings are scheduled throughout the year including Parent Orientation Nights,
Back to School Night, College Prep Night, Grade Level Nights, Science Fair and a variety of topics of specific interest.
For additional information about organized opportunities for parent involvement at Academy for Academic Excellence, please contact the school office.

## II. School Climate

## School Safety Plan (School Year 2009-10)

This section provides information about the school's comprehensive safety plan.

Student safety is of the utmost importance on our campus. We maintain a closed campus during the day, requiring all visitors and late students to check in at a guarded entrance kiosk and the school office before coming onto campus. In addition, parents and their designees are required to be listed on an emergency card and present picture identification if a child needs to leave. Volunteers working on campus are required to be fingerprinted. Volunteer coaches and athletic drivers are also fingerprinted and checked through the DMV before they may drive students to events. Students are expected to follow the school wide code of conduct and behavior standards in the classroom, on the playground, and/or whenever they are representing our school in off campus events. Expectations, rewards and consequences are reviewed with students through administrator led assemblies.
Students are monitored on a consistent basis either by teachers, administrators or CDOs (Character Development Officers). Our safety plan also addresses emergency preparedness with procedures on how to respond to natural or man-made emergencies. The staff spends time each year in training and preparation should a disaster occur during the school day.
Date of Last Review/Update: 12-2010
Date Last Reviewed with Staff: 8-09

## IX. Student Performance

## Standardized Testing and Reporting Program

The Standardized Testing and Reporting (STAR) Program consists of several key components, including the California Standards Tests (CSTs); the California Modified Assessment (CMA), and the California Alternate Performance Assessment (CAPA). The assessments under the STAR program show how well students are doing in relation to the state content standards. The CSTs include English-language arts (ELA) and mathematics in grades two through eleven; science in grades five, eight, and nine through eleven; and history-social science in grades eight, and nine through eleven. The CAPA includes ELA and mathematics in grades two through eleven, and science for grades five, eight, and ten. The CAPA is given to those students with significant cognitive disabilities whose disabilities prevent them from taking either the CSTs with accommodations or modifications or the CMA with accommodations. The CMA is an alternate assessment that is based on modified achievement standards in ELA for grades three through nine, mathematics for grades three through seven and Algebra I and science in grades five, eight, and ten. The CMA is designed to assess those students whose disabilities preclude them from achieving
grade-level proficiency on an assessment of the California content standards with or without accommodations. On each of these assessments, student scores are reported as performance levels. Detailed information regarding the STAR Program results for each grade and performance level, including the percent of students not tested, can be found on the CDE Standardized Testing and Reporting (STAR) Results Web site at http://star.cde.ca.gov. Program information regarding the STAR Program can be found in the Explaining 2009 STAR Program Summary Results to the Public guide at http://www.cde.ca.gov/ta/tg/sr/documents/pkt5intrpts09.pdf.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy. In no case shall any group score be reported that would deliberately or inadvertently make public the score or performance of any individual student.

## Standardized Testing and Reporting Results for All Students - Three-Year Comparison

This table displays the percent of students achieving at the Proficient or Advanced level (meeting or exceeding the state standards).

## California High School Exit Examination

The California High School Exit Examination (CAHSEE) is primarily used as a graduation requirement. However, the grade ten results of this exam are also used to establish the percentages of students at three proficiency levels (not proficient, proficient, or advanced) in ELA and mathematics in order to compute AYP designations as required by the federal NCLB Act of 2001. Detailed information regarding CAHSEE results can be found on the CDE California High School Exit Examination (CAHSEE) Web site at http://cahsee.cde.ca.gov/. Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy, or to protect student privacy. In no case shall any group score be reported that would deliberately or inadvertently make public the score or performance of any individual student.

## California High School Exit Examination Results for All Grade Ten Students -Three-Year Comparison (if applicable)

This table displays the percent of students achieving at the Proficient or Advanced level in ELA and mathematics.

## California Physical Fitness Test Results (School Year 2009-10)

The California Physical Fitness Test is administered to students in grades five, seven, and nine only. This table displays by grade level the percent of students meeting the fitness standards for the most recent testing period. Detailed information regarding this test, and comparisons of a school's test results to the district and state levels, may be found on the CDE Physical Fitness Testing Web page at http://www.cde.ca.gov/ta/tg/pf/. Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy, or to protect student privacy. In no case shall any group score be reported that would deliberately or inadvertently make public the score or performance of any individual student.

## X. Accountability

## Academic Performance Index

The Academic Performance Index (API) is an annual measure of state academic performance and progress of schools in California. API scores range from 200 to 1,000, with a statewide target of 800. Detailed information about the API can be found on the CDE Academic Performance Index (API) Web page at http://www.cde.ca.gov/ta/ac/ap/.

## Academic Performance Index Ranks - Three-Year Comparison

This table displays the school's statewide and similar schools' API ranks. The statewide API rank ranges from 1 to 10. A statewide rank of 1 means that the school has an API score in the lowest ten percent of all schools in the state, while a statewide rank of 10 means that the school has an API score in the highest ten percent of all schools in the state. The similar schools API rank reflects how a school compares to 100 statistically matched "similar schools." A similar schools rank of 1 means that the school's academic performance is comparable to the lowest performing ten schools of the 100 similar schools, while a similar schools rank of 10 means that the school's academic performance is better than at least 90 of the 100 similar schools.

| API Rank | $\mathbf{2 0 0 7}$ | $\mathbf{2 0 0 8}$ | $\mathbf{2 0 0 9}$ |
| :--- | :---: | :---: | :---: |
| Statewide | 9 | 9 | 9 |
| Similar Schools | 10 | 10 | 10 |

## Academic Performance Index Growth by Student Group - Three-Year Comparison

This table displays, by student group, the actual API changes in points added or lost for the past three years. Note: "N/A" means that the student group is not numerically significant or data were not available.

| Group | Actual API Change |  |  |
| :--- | :---: | :---: | :---: |
|  | $\mathbf{2 0 0 7}-\mathbf{0 8}$ | $\mathbf{2 0 0 8}-\mathbf{0 9}$ | $\mathbf{2 0 0 9 - 1 0}$ |

## Academic Performance Index Growth by Student Group - 2010 Growth API Comparison

This table displays, by student group, the 2010 Growth API at the school, LEA, and state level.

| Group | 2010 Growth API |  |  |
| :--- | :---: | :---: | :---: |
|  | School | LEA | State |
| All Students at the School | 13 | 15 | 13 |
| Black or African American | NA | 23 | 16 |

| Asian | NA | 15 | 13 |
| Filipino | NA | NA | 14 |
| Hispanic or Latino | 26 | 20 | 17 |
| Native Hawaiian/Pacific Islander | NA | NA | 11 |
| White | 11 | 14 | 11 |
| Two or More Races | NA | NA | 15 |
| Socioeconomically Disadvantaged | 20 | 16 | 17 |
| English Learners | NA | 14 | 16 |
| Students with Disabilities | NA | 16 | 16 |

## Adequate Yearly Progress

The federal Elementary and Secondary Education Act requires that all schools and districts meet the following Adequate Yearly Progress (AYP) criteria:

- Participation rate on the state's standards-based assessments in ELA and mathematics
- Percent proficient on the state's standards-based assessments in ELA and mathematics
- API as an additional indicator
- Graduation rate (for secondary schools)

Detailed information about AYP, including participation rates and percent proficient results by student group, can be found on the CDE Adequate Yearly Progress (AYP) Web page at http://www.cde.ca.gov/ta/ac/ay/.

## Adequate Yearly Progress Overall and by Criteria (School Year 2009-10)

This table displays an indication of whether the school and the district made AYP overall and whether the school and the district met each of the six AYP criteria described above.

| AYP Criteria | School | District |
| :--- | :---: | :---: |
| Overall | Yes | No |
| Participation Rate - English-Language Arts | 100 | 99 |
| Participation Rate - Mathematics | 100 | 99 |
| Percent Proficient - English-Language Arts | 56.8 | 53.9 |
| Percent Proficient - Mathematics | 58 | 53.8 |
| API | 847 | 770 |
| Graduation Rate | 97.96 | 76 |

## XI. School Completion and Postsecondary Preparation

## Admission Requirements for California's Public Universities

## University of California

Admission requirements for the University of California (UC) follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the General Admissions Information Web page at http://www.universityofcalifornia.edu/admissions/general.html. (Outside Source)

## California State University

Admission requirements for the California State University (CSU) use three factors to determine eligibility. They are specific high school courses; grades in specified courses and test scores; and graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses utilize local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For general admissions requirements please visit the California State University Web page at http://www.calstate.edu/SAS/admreq.shtml. (Outside Source)

## Dropout Rate and Graduation Rate

This table displays the school's one-year dropout rates and graduation rates for the most recent threeyear period for which data are available. For comparison purposes, data are also provided at the district and state levels. Detailed information about dropout rates and graduation rates can be found on the CDE DataQuest Web page at http://dq.cde.ca.gov/dataquest/.

## Courses for University of California and/or California State University Admission (School Year 2008-09)

This table displays, for the most recent year, two measures related to the school's courses that are required for University of California (UC) and/or California State University (CSU) admission. Detailed information about student enrollment in, and completion of, courses required for UC/CSU admission can be found on the CDE DataQuest Web page at http://dq.cde.ca.gov/dataquest/.

| UC/CSU Course Measure | Percent |
| :--- | :---: |
| Students Enrolled in Courses Required for UC/CSU Admission | $93 \%$ |
| Graduates Who Completed All Courses Required for UC/CSU <br> Admission | $46 \%$ |

## Advanced Placement Courses (School Year 2009-10)

This table displays, for the most recent year, the number of Advanced Placement (AP) courses that the school offered by subject and the percent of the school's students enrolled in all AP courses. Detailed information about student enrollment in AP courses can be found on the CDE DataQuest Web page at http://dq.cde.ca.gov/dataquest/.

| Subject | Number of <br> AP Courses Offered | Percent of Students <br> In AP Courses |
