

Howard County Conservation Board

Bonair Shooting Range - Authorized User Agreement

The Howard County Conservation Board (HCCB) owns and operates the Bonair Shooting Range for use by the General Public. As such, the HCCB has developed specific Range Safety Rules and Regulations as well as Firearm Handling Guidelines by which the Range is operated. These Range Safety Rules and Regulations and Firearm Handling Guidelines (attached in full) are designed to make our Range as safe as possible for both Range users and its neighbors. With the exception of organized training events for Law Enforcement Officers or Hunter Education Classes, the use of the Range is restricted to Authorized Users holding in their possession an Authorized Range User Card issued by the HCCB. Range User Cards are issued by the HCCB only to persons who have signed our Authorized Range User Agreement. By signing a Range User Agreement, persons are acknowledging receipt of the Range Safety Rules and Regulations/Firearm Handling Guidelines, and further, are agreeing to fully abide by the Range Safety Rules and Regulations and Firearm Handling Guidelines. Cards are issued on a one time basis and must be in the possession of Range Users while at the Range. Range User Cards must be shown (upon request) to any HCCB personnel or Law Enforcement Officer. Range User Cards can be revoked by the HCCB for any violation of the Range Safety Rules and Regulations or Firearm Handling Guidelines. In the event the Range Safety Rules and Regulations or Firearm Handling Guidelines are updated or amended, a new copy will be sent to all Authorized Range Users on file with the HCCB.
