

## **Advanced Media Requirements and Expectations**

1. All students will be part of a crew that will videotape school events throughout the semester. Some event may require time outside of the regular school day. Students may at times be released from school for a field trip day, with prior approval from his/her other teachers. This means that all advanced media students must be passing their other classes to be released. For this reason, I ask for information regarding your past academic performance.
2. Advanced Media will have the opportunity to interact with the student body as the community. Your citizenship is a huge part of being accepted into this class. We are looking for strong leaders and team members, but you must also be a respectful and mature young adult that I can trust to represent Oakmont High School.
3. Students that do not maintain at 2.0 and pass all classes with a D or better will not be eligible to take part of productions that take place over the course of a school day.

Thank you for taking the time to fill out this recommendation form. Please email Kelly Bohren if you would like to give more information regarding a particular student.

Thank You,  
Kelly Bohren
