

Welcome to the Aronoff Preschool

Our preschool is the place for your child to grow and learn! Come and learn more about us. Hear laughter on our playgrounds and running feet in our gym. Touch sculptures made of clay, wood, beads and leaves. Take a walk down our halls and observe the creations made by tiny hands. Smell the warm challah for Shabbat on Friday mornings.

We believe we offer the best early childhood program in Orange County. Our faculty and administration build a strong foundation for our school and for our children. Faculty have extensive child development experience and many have spent years teaching at the JCC. All teachers are trained in pediatric First Aid and CPR, and continue to grow professionally through the JCC's ongoing professional development program. Most simply, the faculty and administration at our school love children and are committed to engaging and guiding each child's natural curiosity.

Our classrooms are places of learning and exploration, rooted in Jewish values, traditions and cultures, where every child is seen as a gift. They are aesthetically beautiful rooms, filled with organic materials that elicit curiosity about the natural world and provide a warm home-like environment for learning. Our setting, celebrations and activities promote Jewish values and encourage students to learn about Judaism. Shabbat and Havdalah are celebrated weekly with songs, stories and fresh challah.

All of our children are truly powerful and capable learners as they negotiate their environment. Our emergent curriculum embraces the Reggio Emilia approach and supports children's spirit of inquiry by offering opportunities for large and small group exploration. Research has shown that children fully understand and remember what they have learned, when it is meaningful to them in the context of their own experiences and development. At the Aronoff Preschool, we not only prepare children for kindergarten, but for life!

The Aronoff Preschool at the Eric and Sheila Samson Family Early Childhood Learning Center first opened its doors in 1994. We are a designated cornerstone SHEVA community and are fully licensed by the State of California and meet strict guidelines for safety, cleanliness, teacher to child ratios, and faculty qualifications.

Please do not hesitate to contact us for more information about our programs. We look forward to having your family join our community!

Sincerely,

Lisa Monette

Preschool administrators will place each child in the class that best serves the child's developmental needs. Staff will use the child's date of birth, gender, the child information form, formal evaluations, informal observations, and parent conferences to determine the most appropriate placement for each child. The final decision will be made by the Director of the ECLC and the administrative team. Parents will be notified of class assignments August 2016.

For families who select our two- or three-day programs, we do our best to accommodate your choice of days. However, you may only be able to enroll if space is available. If space is not available, you will be informed which days are available before confirming your registration.

- The Aronoff Preschool has provided a calendar showing dates of closures and early dismissals. Preschool programs will observe closures in accordance with the attached 2016-17 school year calendar. Tuition is calculated per an average month; therefore, tuition installments are NOT reduced or pro-rated further due to scheduled closures or emergency closures. In addition, there is NO reduction of fees for vacation and no make up days for illness or vacation.
- The Aronoff Preschool requires that all children who are enrolled in the early childhood program are up to date with their immunizations for all illnesses prescribed by the Department of Health. Families must provide documentation of their child's immunization status before they may attend school and must update the preschool office when their child receives immunizations during the school year.
- In order for children to participate in the preschool program, they must meet all health standards according to the State of California and the Aronoff Preschool. If your child has a communicable disease or is not able to fully participate in the school day due to illness, your child will not be allowed to attend school for the duration of the illness and until 24 hours symptom free have passed.
- The decision to send a child home or not permit a child to attend school will be made by the administration at the Aronoff Preschool.
- A debit or credit card on file is required for all families. Even if you choose to pay your tuition in full or monthly, the card on file may be used for miscellaneous fees (as described in the remaining items on this page). Declined debit/credit card/EFT payments may be assessed a \$25 fee.
- State law requires a signature to release children at the beginning and at the end of each day of attendance. You will be assessed a charge of \$20 per incident for neglecting to sign in or out. This fee will automatically be charged to your debit/credit card.
- The Aronoff Preschool closes at 6 pm Monday through Friday. Morning and Plus Day programs begin at 9 am and end promptly at 12:45 pm or 3:30 pm. The early drop-off or late pick-up charge before or after these times is \$1.00/minute per child.
- If you need to change your child's schedule, you must submit a Schedule Change Request form 30 days in advance. Payment arrangements for an increase in your child's schedule must be made at the time the change is approved. All schedule changes will be assessed a \$50 processing fee per change. Schedule changes are granted if space is available.
- In order to apply for preschool programs, payment must accompany this form. Enrollment is not guaranteed. You will be notified if the Merage JCC is unable to place your child. In such case, all fees will be refunded, except for the \$100 application fee.
- The first billing of the 2016-17 school year occurs August 15, 2016. Notification of withdrawal after July 15, 2016 will be billed on August 15, 2016 for the first month's billing.
- After application materials have been submitted, withdrawal from the preschool requires 30 days advance written notice. The month in which the child leaves the school must be fully paid.
- Withdrawals that occur on or after March 1, 2017 will be obligated to pay tuition for the remainder of the year.
- No refunds, credits, or make up days are allowed for absences or vacations.
- Merage JCC membership is an integral part of your child's preschool experience. Your Membership Agreement must be submitted at time of application to the Aronoff Preschool. Membership will be activated August 1, 2016 or one month prior to your child's start date and must be kept current and in good standing throughout your enrollment. Membership is based on a 12-month agreement and is automatically renewed and payable unless written notice of cancellation is received.
- We make every effort to work with all children and families enrolled in our program. Circumstances may occur that bring the school to the conclusion that it cannot meet or provide for the needs of the child and/or family. In this case the school reserves the right to ask you to seek a more appropriate alternative if it is determined by the school, in its sole discretion, that it is in the best interest of the child and the school.
- All disputes that may arise out of this relationship, including but not limited to whether based on tort, contract, statute, equitable law or otherwise, shall be submitted to binding arbitration.
- Other charges: \$100 non-refundable application fee is paid for each school year. A \$400 deposit is due at the time of signing of this agreement. The deposit is only refundable upon the completion of the pre-kindergarten or TK year. No deposit refunds will be given for withdrawal before completion of the pre-kindergarten or TK school year.

By signing below, I agree to abide by the policies of the Merage Jewish Community Center and keep my Merage JCC account current and in good standing. I also agree to the terms and conditions as indicated above.
