To Parents of Wakulla High School:

As we move into flu season, the Florida Department of Health (FDOH) Wakulla County is partnering with the Wakulla County School Board to offer flu vaccination in Wakulla County schools. The best prevention steps we can all take during flu season are vaccination, frequent hand washing, covering coughs and sneezes and staying home when sick.

Students, faculty and staff are urged to get an annual flu shot. Students **MUST** have signed permission slips from their parent/guardian prior to receiving the flu vaccine. Permission slips and influenza vaccination information are attached. In addition, parents may access more information from the FDOH Wakulla County website at www.mywchd.com.
