

Students will have the ability to earn a total of 60 units at Marymount California University (MCU) through selected Advanced Placement and International Baccalaureate classes and/or in courses offered after the school day, during the summer and online. Many of these courses are pre-approved for transfer into California State Universities and University of California schools as well as private colleges and universities. Please visit our website at <http://marymountcalifornia.edu/highschool-site/transfer-of-credit> for a list of schools where Marymount credit has been transferred. You will also find a link to Assist.org which will give you information about specific schools in California.

Please note that under the Family Educational Rights and Privacy Act (FERPA), the rights to the education record at Marymount California University belong to the student. In accordance with FERPA, Marymount will disclose to parents information from the academic records of a student provided Marymount has on file written consent of the student. The student's signature on this registration form provides consent for Marymount to release information from the student's education record to the parent or guardian.

A transcript will be sent to the student at the address on this form at the conclusion of the course(s). Additional official transcripts may be requested via the Marymount California University website (see Registrar/Transcript Request).

Students who have not taken the PSAT, SAT or ACT may take the Accuplacer test given at their school sites by Marymount California University to acquire reading, math and writing placement scores.

PLEASE NOTE: Taking college coursework in high school may impact NCAA, NAIA and/or financial aid eligibility. Students are responsible for contacting the institutions of higher education to which they are applying to confirm maximum college-level credits allowed before high school graduation.

PLEASE RETURN COMPLETED APPLICATION AND PAYMENT TO:
