

Erosion and Sediment Control from Contractors, Developers, Engineers and Inspectors Points of View

Friday, February 16, 2007

Hermantown Public Safety Building

Registration: \$15

Includes: Lunch and Refreshments

Workshop purpose:

- To give an overview of the NPDES Phase II Storm Water Permit with emphasis on Appendix A / Special Waters.
- Introduce new methods of permanent stormwater design.
- Provide an opportunity for contractors, developers, and engineers to voice their opinions and ask questions in a non-formal atmosphere.
- To get everyone on the same page.

Who should attend:

- Contractors
- Developers
- Landscapers
- Engineers

South St. Louis SWCD
215 N 1st Ave E, Rm 301
Duluth MN 55802
