Yesterday: A Tribute to The Beatles

Seby B. Jones Performing Arts Center (JPAC)

In 1964, when The Beatles made their first visit to the U.S., Louisburg College was a mere 177 years old! Relive the thrilling experience of seeing the most influential band in history live when The Beatles tribute group Yesterday brings the British Invasion to Louisburg College. Yesterday has wowed audiences around the world with its faithful recreations of The Beatles' historic performances on The Ed Sullivan Show, at Shea Stadium, and on their "trips" with the Magical Mystery Tour. With authentic costumes, witty banter, and expert vocals and musicianship against a backdrop of vintage film footage, Yesterday provides nonstop entertainment.
