### **Mission Statement**

The Central Community Educational Foundation is a non-profit organization benefiting Central students by providing funds for otherwise unavailable enrichment opportunities.

# *Celebrating over 20 years of providing enrichment opportunities for our students at Central Community School District.*

***We are proud to have partnered with our teaching staff to enhance the educational experiences for our students since 1993.***

- 🍏 Nearly \$400,000 has been given to classroom teachers since 1993.
- 🍏 Over \$60,000 is awarded annually in scholarships to our graduates.
- 🍏 Projects: Read-a-Thon, Sloppy Joe Supper, Founder's Day Breakfast, Major Saver, and Birdies for Charity.

Annual donations are an important source of funding for classroom projects that are beyond the school budget.

Central's dedicated teachers educate and challenge our children to prepare them for future success.

***Make a difference by planting the seeds of opportunity.***

Your gift will continue to help fund new experiences for a 21st century education. You can make a significant difference through your gift of cash, stocks, memorials, a bequest, or an endowment (which qualifies for a 25% Iowa tax credit).

***An investment in knowledge pays the best interest.***

Benjamin Franklin
