On 06/25/13 at approximately 1706 hours, I (Ofc. Roberts) was flagged down by Lois Sherman, who was parked in the 2600 block of E. Main St. A construction sign, belonging to Shelly and Sands Inc., had been blown over by the wind and struck her car. There was minor damage to her car (see pictures) and she wished for a report to be taken. I spoke to the day-time foreman for Shelly and Sands and was able to get the contact information for the company so that an insurance claim can be filed.

Nothing further at this time.
