F.4 Special Assessment of Contractor Performance

(a) Consistent with applicable acquisition regulations and clause F.1 of this contract, it is DOE's intention to have a long-term contractual relationship with the Contractor for the management and operation of the INL as a Federally Funded Research and Development Center (FFRDC). Achieving the full contract term will, however, be dependent on the Contractor's performance under the contract.

(b) DOE shall conduct a Special Assessment of the Contractor's performance through September 30, 2016. This assessment shall include a review of research and development (R&D) and safety performance. This Special Assessment is in addition to the periodic performance appraisals and evaluations otherwise required by this Contract.

(c) If the results of the Special Assessment indicate, in DOE's sole discretion, that the level of the Contractor's performance in R&D and safety has not met performance expectations, the contract term may be reduced unilaterally by the Contracting Officer. The Contracting Officer shall provide written notice to the Contractor at least 180 days prior to the contract expiration date. The provisions of the clause in Section I entitled "Continuity of Services" (FAR 52.237-3) shall apply in addition to the provisions of this clause F.4.

(d) If the contract term is reduced by the Contracting Officer in accordance with the provisions of this clause F.4, the provisions of the Section I clause entitled, "Termination" shall not apply to the reduction in the contract term. The available fee under clause B.2, "Fee" shall be adjusted accordingly consistent with the reduced term of the contract.

(e) This clause F.4 does not affect DOE's rights to invoke the Termination clause of the contract at any time during the term of the contract.
