ATR VERDICT: Willie Mullins has saddled three of the last six winners of this contest, including last year, and he appears to have another cracking chance this time around with MCKINLEY. This 139-rated hurdler made a promising start to his chasing career when finishing runner-up behind the smart Walk To Freedom at Navan and, with the third subsequently franking that form, he looks to have a massive chance of going one better. Alisier D'Irlande was last seen running away with a maiden hurdle at Thurles 297 days ago and he is likely to improve for a fence, while Westerners Son shouldn't be too far away either.

Top Tip: MCKINLEY

Watch out for: ALISIER D'IRLANDE
