Golden Graduate Society

Honoring all graduates
of 1965 and prior years

September 25-26, 2015

We are honored to recognize the class of 1965 as the newest members of the Golden Graduate Society at a reunion this September. Whether you graduated in 1965 or before, you are a member of the Golden Graduate Society and are invited to attend this annual reunion.

You are the preservers and promoters of our heritage as members of this special group of alumni. Your collective experiences form the foundation of what is now the University of Northern Iowa. Today's students owe much to the traditions and memories you created while on campus.

Please join us September 25-26 for a special time of reminiscing, re-connecting and renewing friendships. We're eager to show you how campus values and honors its history while serving today's generation of students. Thank you for remaining an engaged and important part of the UNI family. We look forward to seeing you!

With warm wishes,

Leslie Prideaux
President, UNI Alumni Association
