- Go to the “**Online Requisition System**” Link located in the middle of the Cooperative Purchasing Website or type: www.dcmoboces.com/bidreq

The system saves everything immediately when you hit enter or submit. So you do not need to perform any save function.

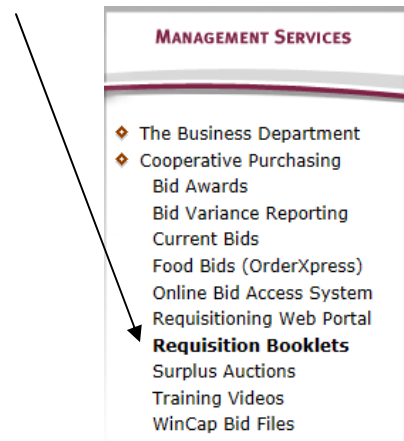

STEP 2 - Adding items to the Add-on Requisitioning Portal

- Items that you cannot find in the booklet will be submitted through the **Add-On Requisitioning Portal**. Please try to only add items that have a quantity of 5 or more or a value of more than \$20.

Please only use the vendors that are selected for our collaborative efforts and are available in the drop down box for vendors on the Add-on Portal.

PLEASE DO NOT USE ANY OTHER VENDOR WEBSITES OR CATALOGS, EXCEPT THE ONES LISTED ON COOPERATIVE PURCHASING WEBSITE.

First – before entering a new item please search the PDF of the requisition booklet for the item you require. We have found in the past that 85% of “new” items were in the booklet. To search the PDF, depress the “Control” Key and the “F” key at the same time. A “find” dialog box will appear at the upper right in the PDF. Using the School Specialty item number that you have found on the website or in a catalog, search the booklet. Or search by a key word. If the item is not found continue with the add item process. If you were not issued a PDF Booklet you can obtain a copy on the website by going to the link on the website:

Step #2 – Finding the item.

To search for an item not found in the Requisition Booklet, place a key word in the suggested Vendors website search engine and navigate to the item. Suggested Vendors are located on the Cooperative Purchasing Website.

When you have found the item you require, write down the following information on a piece of paper as you will be referring back to this when you go to the online requisitioning portal,

- Vendor Name:
- Quantity
- Unit of Measure
- Catalog/Item Number – see note below**
- Description – include size, color, etc.
- Unit Price in catalog or on website

Please only use the recommended vendors for add-on items. If you require another vendor to be used, please call our office first before adding the vendor’s information to your add-on sheet. Otherwise, your item may not be bid and therefore not ordered.

Step 3 – Adding the New Item to your Requisition

- To access the Add-on Portal, click “Add-on Portal” on the Requisitioning Portal webpage.

- Click on the “User Name” box and enter your **User Code**, and hit the “Tab” key, the cursor will move to the “Password” box, enter your **Password** and hit the “Enter” key or click “Ok”. The log on process is the same as the Requisition Portal. Each time you enter a Portal you will be prompted for your log-on information.
- The main menu page for the adding items to your add-on requisition will appear. This page has been designed to look and function, like the Requisition portal.
- At the main menu page select “Enter a New Add-On”.

- You will notice on the next page that your User ID appears at the top. Select the appropriate Commodity from the drop down list. Make sure you select the proper Commodity; selecting the wrong commodity may render your request as invalid when the information is uploaded into the master program at the end of the requisitioning period.

- Select the Vendor from the drop down list. You **must** use one of the vendors listed. The Catalog or Vendor Product Number must be associated with the appropriate Vendor that you have selected in the drop down box. If the wrong Vendor is selected, your request may be invalid at the end of the requisitioning process.
- Enter the Quantity you require. This must be a numeric value.

- Select the appropriate Unit of Measure (U/M) from the drop down list. This U/M must be the same as appears in the vendor’s catalog or Website. For a U/M of one (1) use Each.
- Enter the Vendor’s Catalog or Product Number. Ensure the number you use corresponds with the vendor you selected above.
- Enter a description of the item. Please be brief but concise, include model/brand name, size, color, U/M etc. (Please do not use CAPS)

For Example: Gloves, Leather, Waterproof

- Enter the retail price as it appears in the Catalog or on the Website. **Enter a numeric value only, do not enter a dollar sign.**
- Click “Submit Request” at the bottom of the page.
- The Add-On Requisition system will verify the item you have added to your requisition. After you review this screen click on “Add on Requests at the bottom of the screen. This will take you back to a blank Add-on screen so you can add the next item.
