Date & Reason

ENTRY FORMS WITH FEES MUST BE RECEIVED BY **July 17th, 2015**. ALL INFORMATION MUST BE COMPLETED AND MAILED TO: GCCYS, P.O.BOX 17064, CINCINNATI, OHIO 45217.

By submitting a team for registration your parish/school agrees to abide by the rules and regulations outlined by the Archdiocese of Cincinnati's Charter on Catholic Youth Athletics and the GCCYS league.

Filling out the form

One form is required for each team to be registered.

Grade

Athletes must play for the grade in which they are attending unless a school/parish does not have sufficient players to form a team for a given grade. In this case, athletes, from the same parish or school, may be merged to form a team. Grades 3/4, 4/5, 5/6, 6/7, 7/8 may be merged. All teams must register to play at the higher grade level. Playing up for competitive reason is not permitted.

Enter the grade designation that best defines the team being registered.

Coach

If you are still in the process of identifying a coach, place a "TBD" in the coaches contact information. Otherwise please complete the information as requested. This information will be used to register the coach with GCCYS and as contact information for scheduling. Coaches must be 19 years of age or older, graduated from high school and completed child protection requirements.

Team Type

Youth teams are "instructional" by definition and all teams are balanced. There are no A & B level teams for youth grades 3rd through 5th. Near equal play time applies to all youth teams. Divisions will be created primarily using geographic criteria and the number of teams each parish/school registers.

Varsity teams are defined as competitive and recreational. A competitive team has no defined playtime requirements and is up to the parish/school to establish. Recreational teams have a near equal playtime requirement. This applies to all teams grades 6th through 8th.

When determining the team type, select the level that best defines the team that you are registering. Teams that are defined as "A" or "B" will fall under the definition of competitive and "C" teams will fall under recreational. The information will be used to create peered divisions to help with the quality of competition. Team rating, geography and number of teams registered will be used to establish divisions. This information will also be used for the end of season tournament.

Conflicts

Coordinators should provide any known conflicts such as Reconciliation, Confirmation, mandatory school events, spring breaks etc. Other non-parish/school conflicts will be considered but will be reviewed on a case-by-case basis.

Youth Charter and League Rules

By registering a team your parish/school is agreeing to abide by all Archdiocese Charter for Youth Athletics and the GCCYS League. Any deviation must be approved by the League prior to registration of a team.
