

Dear Parents,

St. Matthias School has a number of exciting After Care Club opportunities for students. These clubs are a standard part of After Care for students and require no additional registration or participation fees beyond that of regular After Care. Many of them have been offered in the past and are favorites among our students. Registration is fast and easy. Simply complete the attached form. Clubs will start the week of September 9, 2013 and will run until Christmas break. New clubs will start in January, 2014.
