

# STATE OF THE COUNTY

Harris County is the economic heart of the greater Houston region and home to more than 4.3 million residents. As a dynamic urban area, Harris County faces unique challenges as population and demand for services increase. Harris County Judge Ed Emmett will discuss these challenges and his approach to leading the most populous county in Texas.

GHP's State of the County brings together elected officials, and civic and business leaders from across the region to hear Judge Emmett offer his candid thoughts on the outlook for Harris County.
