    If so, what kind? _____

6. Did you practice good livestock/small animal management (housing) and safety around your

    animal? Explain. _____

    _____

FEED RECORD

The purpose of a monthly feed record is to clearly demonstrate the fluctuation in prices of feedstuffs during the year and the changing requirements of the animals during the year.

Year 20_____	Grain/Commercial Feed Pounds/Cups	Cost	Hay/Pasture Pounds	Cost	Total Monthly Feed Cost
January					
February					
March					
April					
May					
June					
July					
August					
September					
October					
November					
December					

Suggestion: Keep a record of feed purchases made during the month on a separate worksheet. Transfer the monthly totals to this table at the end of each month.

Total Feed Cost _____

What did you teach your animal this year and how did you do it?
