## WHY PLAY FCA GOLF TOURNAMENTS?

The Vision of FCA is to see the world impacted for Jesus Christ through the influence of athletes and coaches. FCA camps are a combination of perspiration and inspiration. At FCA we take the best elements of a sports camp and combine them with the best elements of a church camp. These camps are some of the best experiences a young athlete will have their entire life.

100% of the money raised this year from our golf scramble will go directly to camp scholarships. With this money we are able to send dozens of campers that would not be able to afford this experience without your help. Many young lives are transformed forever through our camps that emphasize the importance of knowing Jesus Christ as their personal Lord and Savior.

Our camps not only minister to the unsaved but also encourage those that know the Lord to share their faith with others. FCA wants to build strong leaders in the Christian community that will live out their faith every day. **The core values we teach at all of our events are Integrity, Service, Teamwork and Excellence.**

See you on the Golf Course!

Scott Myers / FCA Area Director
