

TEACHER FEEDBACK FORM – GRADES K-8th

Summer School Program

The student listed below has applied to The Winston School San Antonio Summer School. The WSSA summer program is intended for students with average to superior intelligence who need continued reinforcement of skills already achieved and/or who may be experiencing academic difficulty.

The program is not intended for students whose primary difficulty is emotional or behavioral. The goal of the WSSA Summer School Program is to provide reinforcement and maintenance of reading, writing, and math skills for students who may benefit from small group instruction and specialized teaching.

Student: _____ School: _____
