FEED RECORD

The purpose of a monthly fee record is to clearly demonstrate the fluctuation in prices of feedstuffs during the year and the changing requirements of the animals during the year.

Year	Grain/Commercial Feed		Hay/Pasture		Total Monthly Feed Costs
	Pounds	Cost	Pounds	Cost	
20 _____					
January					
February					
March					
April					
May					
June					
July

SUGGESTION: Keep a record of feed purchases made during the month on a separate worksheet. Transfer the monthly totals to this table at the end of each month.

TOTAL FEED COST _____

How have you increased the ability of others to appreciate and enjoy horses?

What did you teach your horse this year and how did you do it?

What, other than possible financial gain, did you gain from your horse and this project this year?

What are your plans for a horse project next year?

How might the SD 4-H Horse Project be changed to help you more or to help others?
