THE NORTH POLE EXPERIENCE

As part of our work assignment agreement with the YAC, we are asking that each SAC Commissioner take 10 photos. with Santa tickets and attempt to sell as many as possible. Each pre-sale ticket, which is part of the December 8th Holiday Boutique, and has a value of \$5. You have been given a total of 10 tickets, (\$50). Please attempt to sell as many as possible and be prepared to return the money, for those tickets that you sell, and the unsold tickets no later than November 30th. Please turn the proceeds/unsold tickets to Chris, Debra or Sally.

Each photo with Santa will be taken from 8:00 to 10:30am (first seating) and then again after the parade from 12:15 to 1:15pm (second seating). Individuals who purchase a pre-sale ticket will be given priority during the first seating timeframe. That means that they will be able to advance to the head of the line in front of those customers who have not purchased their tickets. One idea would to sell yourself a ticket your, spouse &/or significant other, or perhaps your dog. It's only \$5 and would guarantee you one at least one sale.

Walgreens is our major sponsor and they will professionally process the photos. The pictures will be on photo paper, encased in a frame, have a holiday sticker, and will be available after 2:30pm at the Lathrop Walgreens store located @ Harlan & Lathrop, in Lathrop. The photos will be delivered to Walgreens at or around 1:00 to 1:20 pm, and will be available for pick-up after 2:30pm. The customer will select their pictures from a viewable CD at Walgreens. Additional photos will be available at the customer's expense.

Comfort Keepers Cookie cook-off

We met with Heather Smiddy from Comfort Keepers (sponsor of the cookie bake-off). Debra has agreed to develop and track a sign up list for participants and Heather will design, produce and hand out the promotional flyer. Heather will set up a perpetual wall plaque where the winner's name/team will be displayed. Additionally, the winner will receive a prize and/or a trophy.

Ghirardelli

We are presenting donation opportunities and they will decide which option (apart from supplying candy) that they wish to pursue.

Walgreens

We have finalized our negotiations with the management of Lathrop Walgreens and they have committed to the following:

- ➢ Picture frames; photo processing (pick-up after 2pm same day); memory stick loaded into a CD where customers spot their pictures and can order beyond the event photo (paid for by YAC/SAC, \$15/100 photos). Walgreens will develop a 10'x4' banner saying "Walgreens Picture with Santa"
- 3.8 Mobile Vendor/Food Cart We have been in touch with environmental health and the health department and we discussed a portable hot box, mobile vendor/food cart. We left several messages with Jeff Carruesco who will make a decision for fee waiver for this event. Whenever the public is served food and especially outdoors as part of an event the health department requires a one day special permit (\$125). We are attempting to get these fees waived. If we are unsuccessful, given the cost associated with the cart rental and the permit we would recommend moving away from this idea.
- <u>3.9 Choir/Entertainment</u> Gabe had been in contact with the respective music departments and will inquire as to their participation at the earlier events (boutique, just after parade) we must have positive confirmation by November12th otherwise we will solicit participation from local church choirs. That will give is a bit over one month to rebound to a secondary option.
