If insurance is not provided, a fully executed Indemnity Agreement must be provided.
- 12. Changes in the Contract: The owner may order changes, additions or modifications (using HUD form HUD-92577) without invalidating the contract. Disputes will be resolved through the Construction Industry Arbitration Rules of the American Arbitration Association.
- 15. **Termination**: If the owner fails to make a payment under the terms of this Agreement, though no fault of the contractor, the contractor may, upon ten working days written notice to the owner, and if not satisfied, terminate this Agreement. The owner will be responsible for paying the contractor for all work completed.

If the contractor fails or neglects to carry out the terms of the contract, the owner, after ten working days written notice to the contractor, may terminate this Agreement. The owner may finish the job by whatever reasonable method the owner deems expedient. If the cost of completion exceeds the contract balance, the difference, as well as reasonable attorney's fees if necessary, will be paid to the owner by the contractor.
