

General and Special Conditions (Bid and Contract)

All General Conditions (G1 through G48) and any checked Special Conditions (S1 through S26) apply. Return this document with bid if supplying data required by any checked Special Conditions.

General Bid Conditions

G1. Bids: Receipt by Bid Due Date; Fax Bids; Use City's Bid Forms

To receive consideration, bids must arrive at the location indicated in the bid documents prior to time set for bid opening. If Special Condition 1 (S1) is checked, fax bids are prohibited. Bids should be submitted on the forms provided by the City (either in hardcopy or as files on the City's Internet bid database). Bids submitted in other formats (including letterhead only), unless otherwise invited, may be rejected as non-responsive.

G2. Opening of Bids

The first page of the bid package indicates the date and time of the public bid opening, if any. At such a bid opening, Purchasing will open bids in the presence of bidders who attend, and will read bid prices upon request as time permits. Bidders may inspect the bids after tabulation, unless the bid has been cancelled.

G3. Bid Evaluation

Purchasing will attempt to evaluate the bid package within thirty (30) days after receipt of bid(s). If Purchasing requires additional evaluation time, all bidders will be notified in writing of the new expected award date.

G4. Prices

Prices quoted must be firm except as otherwise specified in this document. Any bid requiring receipt of order in less than 30 days after the Bid Due date may be unacceptable unless otherwise specified herein.

G5. Price List Discounts

When bids are based on the prices contained in a catalog or price list, bidder shall furnish copies as required herein. Contractor shall furnish additional lists as required. Bids will be considered offering discounts from a price list other than specified provided the alternate price list can be readily compared on an overall basis with the specified price list. Bidder's price list must remain firm during the term of the contract.

G6. Cash Discounts; Terms of Payment (Commodities and Equipment only)

Cash discount (discount for prompt payment) will be taken into consideration in determining the low bid under the following conditions:

- a. Discount period must be at least 30 days. Example: "1%, 30 days. Net 31."
- b. The maximum cash payment discount that will be considered when determining the lowest bid will be 2%.
- c. The discount period will start upon date of completion of delivery of all items on any Purchaser Order or other authorization certified by Controller, or upon date of receipt of properly prepared invoices covering such deliveries, whichever is later.
- d. Payment is deemed to be made, for the purpose of earning the discount, on the date of mailing the City's check.

Whether or not the discount is taken into consideration in determining the low bid, it will be deducted from the invoice amount in accordance with the provision of "c." and "d." above, unless otherwise provided by bidder. No additional charge shall accrue against City in the event that City does not make payment within any time specified by bidder.

G7. Bidding on Separate Items

Any bidder may bid separately for any item unless otherwise provided.

G8. Alternates

When the name of a manufacturer, brand or make, with or without model number, is used in describing any item in this document, bids for similar articles will be considered unless otherwise stated. Purchasing shall be the sole judge as to whether such alternate articles are acceptable. Unless the bidder states to the contrary, articles offered will be assumed to be the specific articles named in this document. Purchasing reserves the right to permit deviations from the specifications if any article offered is substantially in accord with the specifications and is deemed by Purchasing to be of as good quality and as fully satisfactory for its intended use as an article fully meeting specifications.

P-220 (9-06)

Unless exceptions are noted by bidder, the article offered will be assumed to be in accord with specifications.

G9. Separate and Aggregate Awards; Rejection of Bids

Purchasing may make awards on separate items or in an aggregate of several or all items unless otherwise specified herein, and reserves the right to reject any and all bids.

G10. Place of Manufacture

No article furnished hereunder shall have been made in prison or by convict labor, except articles purchased for use by City's detention facilities.

G11. Samples

Articles offered as equal to "City sample" must fully conform thereto. "City samples" may be inspected at the place designated by Purchasing. Samples submitted by successful bidders may be retained for testing or check against deliveries, in which case allowance will be made to Contractor. Each sample shall be plainly marked in a durable manner with the name of the bidder; the contract proposal number; and the item number. Submitted sample will be assumed to be exactly what bidder proposes to furnish unless otherwise clearly indicated by the bidder. Sufficiency of sample will be determined by Purchasing. Sample shall not be enclosed with the bid, and the bid shall not be wrapped in package with sample.

G12. Electrical Products

Articles and services must comply with applicable laws, ordinances and other legal requirements, including (among others) the Cal-OSHA regulations in Title 8 of the Code of Regulations and, for electrical products, Sections 110.2 and 110.3 (B) of the S.F. Electrical Code. In addition, if an electrical item has not been tested by a lab approved by City's Department of Building Inspection (DBI) or Department of Public Works (DPW), Contractor shall notify the requesting department before delivery by writing the department at the "Deliver to" address on the front of the Purchase Order. Approved testing labs are posted on Purchasing's website at <http://www.sfgov.org/oca/>. When a non-tested item is delivered, the department will request approval from DPW. If the department is unable to obtain approval, City reserves the right to cancel the transaction and return the item to Contractor, at no charge to City.

G13. Condition of Articles

Articles offered and furnished must be new and previously unused, and of manufacturer's latest model, unless otherwise specified herein.

G14. Inspection

All articles supplied shall be subject to inspection and acceptance or rejection by Purchasing or any department official charged with such duty. Non-conforming or rejected goods may be subject to reasonable storage fees.

G15. F.O.B. Point

F.O.B destination in San Francisco, freight prepaid and allowed, unless otherwise specified.

G16. Failure to Deliver

If Contractor fails to deliver an article or service of the quality, in the manner or within the time called for by this contract, such article or service may be bought from any source by Purchasing and if a greater price than that named in the contract be paid for such article or service, the excess price will be charged to and collected from Contractor or sureties on its bond if bond has been required; or, the City may terminate the contract for default; or, the City may return deliveries already made and receive a refund.

G17. Material Safety Data Sheets

Where required by law, contractor will include Material Safety Data Sheets (MSDSs) with delivery for applicable items. Failure to include the MSDSs for such items will constitute a material breach of contract and may result in refusal to accept delivery.

G18. Taxes

City is exempt from federal taxes except on articles for resale. Contractor will enter state and local sales or use tax, and excise tax if applicable, on invoices.

G19. LBE Ordinance

To qualify for a bid discount on this bid under the provisions of Admin. Code Chapter 14B, an LBE must be certified by the Human Rights Commission as of the Bid Due date. The certification application is available from HRC, (415) 252-2500, and at www.sfhrc.org.

G20. Claim for Bid Discount

G21. Bid Preference for Brokerage Services

Pursuant to Section 14B.7 of the Admin. Code, a bid preference will only be awarded to an LBE directly responsible for providing materials, equipment, supplies or services to the City as required by the bid solicitation. An LBE will be deemed to be directly responsible for providing the required commodity or service only if it regularly does business as a manufacturer, or authorized manufacturer's representative, stocking distributor, franchisee, licensee, service provider, or has another direct agency relationship with the manufacturer or provider of the solicited commodity or service, and has been so certified by HRC. An LBE will be considered to be "regularly doing business," as that term is used in the foregoing paragraph, if in the normal course of business, it stocks, warehouses or distributes commodities to businesses or entities other than public entities having a local business preference program. Such a determination will be subject to audit by HRC. No preference will be given to an LBE engaging in brokerage, referral or temporary employment services not meeting this definition, unless those services are required and specifically requested by the department.

A contractor, subcontractor or consultant who commits any of the following acts shall also be liable to the City for the costs, including attorney's fees, of a civil action brought to recover any of those penalties or damages, and may be liable to the City for a civil penalty of up to \$10,000 for each false claim: (a) Knowingly presents or causes to be presented to an officer or employee of the City a false claim or request for payment or approval. (b) Knowingly makes, uses, or causes to be made or used a false record or statement to get a false claim paid or approved by the City. (c) Conspires to defraud the City by getting a false claim allowed or paid by the City. G25. Hold Harmless and Indemnification

Contractor shall indemnify and save harmless City and its officers, agents and employees from, and, if requested, shall defend them against any and all loss, cost, damage, injury, liability, and claims thereof for injury to or death of a person, including employees of contractor or loss of or damage to property, arising directly or indirectly from contractor's performance of this contract, including, but not limited to, contractor's use of facilities or equipment provided by City or others, regardless of the negligence of, and regardless of whether liability without fault is imposed or sought to be imposed on City, except to the extent that such indemnity is void or otherwise unenforceable under applicable law in effect on or validly retroactive to the date of this contract, and except where such loss, damage, injury, liability or claim is the result of the active negligence or willful misconduct of City and is not contributed to by any act of, or by any omission to perform some duty imposed by law or agreement on Contractor, its subcontractors or either's agent or employee. The foregoing indemnity shall include, without limitation, reasonable fees of attorneys, consultants and experts and related costs and City's costs of investigating any claims against the City.

In addition to Contractor's obligation to indemnify City, Contractor specifically acknowledges and agrees that it has an immediate and independent obligation to defend City from any claim which actually or potentially falls within this indemnification provision, even if the allegations are or may be groundless, false or fraudulent, which obligation arises at the time such claim is tendered to Contractor by City and continues at all times thereafter. Contractor shall indemnify and hold City harmless from all loss and liability, including attorneys' fees, court costs and all other litigation expenses for any infringement of the patent rights, copyright, trade secret or any other proprietary right or trademark, and all other intellectual property claims of any person or persons in consequence of the use by City, or any of its officers or agents, of articles or services to be supplied in the performance of this contract.

G26. Liability of City

CITY'S PAYMENT OBLIGATIONS UNDER THE AGREEMENT SHALL BE LIMITED TO THE PAYMENT OF THE COMPENSATION PROVIDED UNDER THIS CONTRACT. NOTWITHSTANDING ANY OTHER PROVISION OF THIS AGREEMENT, IN NO EVENT SHALL CITY BE LIABLE, REGARDLESS OF WHETHER ANY CLAIM IS BASED ON CONTRACT OR TORT, FOR ANY SPECIAL, CONSEQUENTIAL, INDIRECT OR INCIDENTAL DAMAGES, INCLUDING, BUT NOT LIMITED TO, LOST PROFITS, ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT OR THE SERVICES PERFORMED IN CONNECTION WITH THIS AGREEMENT.

G27. Termination and Termination for Convenience. In the event Contractor fails to perform any of its obligations under this contract, in addition to any other remedies available to City, this contract may be terminated and all of Contractor's rights hereunder ended. Termination will be effective after ten days' written notice to Contractor. No new work will be undertaken, and no new deliveries will be made, after the date of receipt of any notice of termination, or five days after the date of the notice, whichever is earlier. In the event of such termination, Contractor will be paid for those services performed, or deliveries made, under this contract to the satisfaction of the City, up to the date of termination. However, City may offset from any such amounts due Contractor any liquidated damages or other costs City has or will incur due to Contractor's nonperformance. Any such offset by City will not constitute a waiver of any other remedies City may have against Contractor for financial injury or otherwise. City may terminate this Contract for City's convenience and without cause at any time by giving Contractor thirty days' written notice of such termination. In the event of such termination, Contractor will be paid for those services performed, or deliveries made, pursuant to this contract, to the satisfaction of the City up to the date of termination. In no event will City be liable for costs incurred by Contractor after receipt of a notice of termination. Such nonrecoverable costs include, but are not limited to, anticipated profits on this contract, post-termination employee salaries, post-termination administrative expenses, or any other cost which is not reasonable or authorized under this section. This section shall not prevent Contractor from recovering costs necessarily incurred in discontinuing further work, or canceling further deliveries, under the contract after receipt of the termination notice.

G28. Proprietary or Confidential Information of City

Contractor understands and agrees that, in the performance of the work or services under this Contract or in contemplation thereof, Contractor may have access to private or confidential information which may be owned or controlled by City and that such information may contain proprietary or confidential

details, the disclosure of which to third parties may be damaging to City. Contractor agrees that all information disclosed by City to Contractor shall be held in confidence and used only in performance of the Contract. Contractor shall exercise the same standard of care to protect such information as a reasonably prudent contractor would use to protect its own proprietary data.

G29. Earned Income Credit (EIC) Forms

Administrative Code Chapter 12O requires that employers provide their employees with IRS Form W-5 (The Earned Income Credit Advance Payment Certificate) and the IRS EIC Schedule, as set forth below. Employers can locate these forms at the IRS Office, on the Internet, or anywhere that Federal Tax Forms can be found.

a. Contractor shall provide the Earned Income Credit (EIC) Forms to each Eligible Employee at each of the following times: (i) within thirty (30) days following the date on which the applicable Contract or Contract Amendment becomes effective (unless Contractor has already provided such EIC Forms at least once during the calendar year in question); (ii) promptly after any Eligible Employee is hired by Contractor; and (iii) annually between January 1 and January 31 of each calendar year during the term of the Contract.

b. Failure to comply with the foregoing requirement shall constitute a material breach by Contractor of the terms of the Contract.

c. If within 30 days after the Contractor receives written notice of such a breach, Contractor fails to cure such breach or, if such breach cannot reasonably be cured within such period of thirty (30) days, Contractor fails to commence efforts to cure within such period, or thereafter fails to diligently pursue such cure to completion, the City may pursue any rights or remedies available under the terms of the Contract or under applicable law.

Contractor, shall comply with all the requirements of the Local Business Enterprise and Non-Discrimination in Contracting Ordinance set forth in Chapter 14B of the San Francisco Administrative Code as it now exists or as it may be amended in the future (collectively the "LBE Ordinance"), provided such amendments do not materially increase Contractor's obligations or liabilities, or materially diminish Contractor's rights, under this Agreement. Such provisions of the LBE Ordinance are incorporated by reference and made a part of this Agreement as though fully set forth in this section. Contractor's willful failure to comply with any applicable provisions of the LBE Ordinance is a material breach of Contractor's obligations under this Agreement and shall entitle City, subject to any applicable notice and cure provisions set forth in this Agreement, to exercise any of the remedies provided for under this Agreement, under the LBE Ordinance or otherwise available at law or in equity, which remedies shall be cumulative unless this Agreement expressly provides that any remedy is exclusive. In addition, Contractor shall comply fully with all other applicable local, state and federal laws prohibiting discrimination and requiring equal opportunity in contracting, including subcontracting.

b. Enforcement. If Contractor willfully fails to comply with any of the provisions of the LBE Ordinance, the rules and regulations implementing the LBE Ordinance, or the provisions of this Agreement pertaining to LBE participation, Contractor shall be liable for liquidated damages in an amount equal to Contractor's net profit on this Agreement, or 10% of the total amount of this Agreement, or \$1,000, whichever is greatest. The Director of the City's Human Rights Commission or any other public official authorized to enforce the LBE Ordinance (separately and collectively, the "Director of HRC") may also impose other sanctions against Contractor authorized in the LBE Ordinance, including declaring the Contractor to be irresponsible and ineligible to contract with the City for a period of up to five years or revocation of the Contractor's LBE certification. The Director of HRC will determine the sanctions to be imposed, including the amount of liquidated damages, after investigation pursuant to Administrative Code §14B.17.

By entering into this Agreement, Contractor acknowledges and agrees that any liquidated damages assessed by the Director of the HRC shall be payable to City upon demand. Contractor further acknowledges and agrees that any liquidated damages assessed may be withheld from any monies due to Contractor on any contract with City.

Contractor agrees to maintain records necessary for monitoring its compliance with the LBE Ordinance for a period of three years following termination or expiration of this Agreement, and shall make such records available for audit and inspection by the Director of HRC or the Controller upon request.

G31. Nondiscrimination; Penalties

In the performance of this contract, Contractor agrees not to discriminate on the basis of the fact or perception of a person's race, color, creed, religion, national origin, ancestry, age, sex, sexual orientation, gender identity, domestic partner status, marital status, disability or Acquired Immune Deficiency Syndrome or HIV status (AIDS/HIV status) against any employee of, any City employee working with, or applicant for employment with Contractor, in any of Contractor's operations within the United States, or against any person seeking accommodations, advantages, facilities, privileges, services, or membership in all business, social, or other establishments or organizations operated by Contractor.

b. Subcontracts. Contractor shall incorporate by reference in all subcontracts the provisions of §12B.2(a), 12B.2(c)-(k), and 12C.3 of the S.F. Administrative Code and shall require all subcontractors to comply with such provisions. Contractor's failure to comply with the obligations in this subsection shall constitute a material breach of this contract.

c. Nondiscrimination in Benefits. Contractor does not as of the date of this contract and will not during the term of this contract, in any of its operations in San Francisco, on real property owned by San Francisco, or where work is being performed for the City elsewhere in the United States, discriminate in the provision of bereavement leave, family medical leave, health benefits, membership or membership discounts, moving expenses, pension and retirement benefits or travel benefits, as well as any benefits other than the benefits specified above, between employees with domestic partners and employees with spouses, and/or between the domestic partners and spouses of such employees, where the domestic partnership has been registered with a governmental entity pursuant to state or local law authorizing such registration, subject to the conditions set forth in §12B.2(b) of the S.F. Administrative Code.

d. Incorporation of Administrative Code Provisions by Reference. The provisions of Chapters 12B and 12C of the S.F. Administrative Code are incorporated in this Section by reference and made a part of this contract as though fully set forth herein. Contractor shall comply fully with and be bound by all of the provisions that apply to this contract under such Chapters, including but not limited to the remedies provided in such Chapters. Without limiting the foregoing, Contractor understands that pursuant to §12B.2(h) of the S.F. Administrative Code, a penalty of \$50 for each person for each calendar day during which such person was discriminated against in violation of the provisions of this contract may be assessed against Contractor and/or deducted from any payments due Contractor.

The City and County of San Francisco urges San Francisco companies to do business with corporations that abide by the MacBride Principles.

G33. Tropical Hardwoods

The City urges contractors not to import, purchase, obtain, or use for any purpose, any tropical hardwood, tropical hardwood wood product, virgin redwood or virgin redwood wood product. If this order is for wood products or a service involving wood products: (a) Chapter 8 of the S.F. Environment Code is incorporated herein and by reference made a part hereof as though fully set forth. (b) Except as expressly permitted by the application of Environment Code Secs. 802(b) and 803(b), Contractor shall not provide any items to the City in performance of this contract which are tropical hardwoods, tropical hardwood product, virgin redwood or virgin redwood product. Failure of Contractor to comply with any part of Chapter 8 of the Environment Code shall be deemed a material breach of contract.

G34. Resource Conservation

Contractor agrees to comply fully with the San Francisco Environment Code, Chapter 5 ("Resource Conservation"), as amended from time to time. Said provisions are incorporated herein by reference and made a part of this contract as though fully set forth. Failure by Contractor to comply with any of the applicable requirements of Chapter 5 will be deemed a material breach of contract.

G35. Drug-Free Workplace Policy

Contractor acknowledges that pursuant to the Federal Drug-Free Workplace Act of 1989, the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance is prohibited on City premises. Contractor agrees that any violation of this prohibition by Contractor, its employees, agents, or assigns will be deemed a material breach of this Contract.

G36. Compliance with Americans with Disabilities Act

Contractor acknowledges that, pursuant to the Americans with Disabilities Act (ADA), programs, services and other activities provided by a public entity to the public, whether directly or through a contractor, must be accessible to the disabled public. Contractor shall provide the services specified in this Contract in a manner that complies with the ADA and any and all other applicable federal, state and local disability rights legislation. Contractor agrees not to discriminate against disabled persons in the provision of services, benefits or activities provided under this Agreement and further agrees that any violation of this prohibition on the part of Contractor, its employees, agents or assigns will constitute a material breach of this Contract.

G37. Sunshine Ordinance

In accordance with §67.24(e) of the S.F. Admin. Code, contracts, contractors' bids, responses to RFPs and all other records of communications between City and persons or firms seeking contracts shall be open to inspection immediately after a contract has been awarded. Nothing in this provision requires the disclosure of a private person's or organization's net worth or other proprietary financial data submitted for qualification for a contract or other benefit until and unless that person or organization is awarded the contract or benefit. Information provided which is covered by this paragraph will be made available to the public upon request.

G38. Limitations on Contributions

Contractor acknowledges that it is familiar with section 1.126 of the City's Campaign and Governmental Conduct Code, which prohibits any person who contracts with the City for the rendition of personal services or for the furnishing of any material, supplies or equipment to the City, whenever such transaction would require approval by a City elective officer of the board on which that City elective officer serves, from making any campaign contribution to the officer at any time from the commencement of negotiations for the contract until the later of either (1) the termination of negotiations for such contract or (2) three months after the date the contract is approved by the City elective officer or the board on which that City elective officer serves.

G39. Minimum Compensation Ordinance ("MCO") – Service Contracts Only

Contractor agrees to comply fully with and be bound by all of the provisions of the Minimum Compensation Ordinance (MCO), as set forth in San Francisco Administrative Code Chapter 12P (Chapter 12P), including the remedies provided, and implementing guidelines and rules. The provisions of Chapter 12P are incorporated herein by reference and made a part of this Agreement as though fully set forth. The text of the MCO is available on the web at www.sfgov.org/olse. Capitalized terms used in this Section and not defined in this Agreement shall have the meanings assigned to such terms in Chapter 12P. Consistent with the requirements of the MCO, Contractor agrees to all of the following:

a. For each hour worked by a Covered Employee during a Pay Period on work funded under the City contract during the term of this Agreement, Contractor shall provide to the Covered Employee no less than the Minimum Compensation, which includes a minimum hourly wage and compensated and uncompensated time off consistent with the requirements of the MCO. For the hourly gross compensation portion of the MCO, Contractor shall pay a minimum of \$10.77 an hour beginning January 1, 2005 and for the remainder of the term of this Agreement; provided, however, that Contractors that are Nonprofit Corporations or public entities shall pay a minimum of \$9 an hour for the term of this Agreement.

b. Contractor shall not discharge, reduce in compensation, or otherwise discriminate against any employee for complaining to the City with regard to Contractor's compliance or anticipated compliance with the requirements of the MCO, for opposing any practice proscribed by the MCO, for participating in proceedings related to the MCO, or for seeking to assert or enforce any rights under the MCO by any lawful means.

c. Contractor understands and agrees that the failure to comply with the requirements of the MCO shall constitute a material breach by Contractor of the terms of this Agreement. The City, acting through the Contracting Department, shall determine whether such a breach has occurred.

d. If, within 30 days after receiving written notice of a breach of this Agreement for violating the MCO, Contractor fails to cure such breach or, if such breach cannot reasonably be cured within such period of 30 days, Contractor fails to commence efforts to cure within such period, or thereafter fails diligently to pursue such cure to completion, the City, acting through the Contracting Department, shall have the right to pursue the following rights or remedies and any rights or remedies available under applicable law:

- (1) The right to charge Contractor an amount equal to the

difference between the Minimum Compensation and any compensation actually provided to a Covered Employee, together with interest on such amount from the date payment was due at the maximum rate then permitted by law;

(2) The right to set off all or any portion of the amount described in Subsection (d)(1) of this Section against amounts due to Contractor under this Agreement;

- (3) The right to terminate this Agreement in whole or in part;

(4) In the event of a breach by Contractor of the covenant referred to in Subsection (b) of this Section, the right to seek reinstatement of the employee or to obtain other appropriate equitable relief; and

(5) The right to bar Contractor from entering into future contracts with the City for three years.

Each of the rights provided in this Subsection (d) shall be exercisable individually or in combination with any other rights or remedies available to the City. Any amounts realized by the City pursuant to this subsection shall be paid to the Covered Employee who failed to receive the required Minimum Compensation.

e. Contractor represents and warrants that it is not an entity that was set up, or is being used, for the purpose of evading the intent of the MCO.

f. Contractor shall keep itself informed of the current requirements of the MCO, including increases to the hourly gross compensation due Covered Employees under the MCO, and shall provide prompt written notice to all Covered Employees of any increases in compensation, as well as any written communications received by the Contractor from the City, which communications are marked to indicate that they are to be distributed to Covered Employees.

g. Contractor shall provide reports to the City in accordance with any reporting standards promulgated by the City under the MCO, including reports on subcontractors.

h. The Contractor shall provide the City with access to pertinent records after receiving a written request from the City to do so and being provided at least five (5) business days to respond.

i. The City may conduct random audits of Contractor. Random audits shall be (i) noticed in advance in writing; (ii) limited to ascertaining whether Covered Employees are paid at least the minimum compensation required by the MCO; (iii) accomplished through an examination of pertinent records at a mutually agreed upon time and location within ten days of the written notice; and (iv) limited to one audit of Contractor every two years for the duration of this Agreement. Nothing in this Agreement is intended to preclude the City from investigating any report of an alleged violation of the MCO.

j. Any subcontract entered into by Contractor shall require the subcontractor to comply with the requirements of the MCO and shall contain contractual obligations substantially the same as those set forth in this Section. A subcontract means an agreement between the Contractor and a third party which requires the third party to perform all or a portion of the services covered by this Agreement. Contractor shall notify the Department of Administrative Services when it enters into such a subcontract and shall certify to the Department of Administrative Services that it has notified the subcontractor of the obligations under the MCO and has imposed the requirements of the MCO on the subcontractor through the provisions of the subcontract. It is Contractor's obligation to ensure that any subcontractors of any tier under this Agreement comply with the requirements of the MCO. If any subcontractor under this Agreement fails to comply, City may pursue any of the remedies set forth in this Section against Contractor.

k. Each Covered Employee is a third-party beneficiary with respect to the requirements of subsections (a) and (b) of this Section, and may pursue the following remedies in the event of a breach by Contractor of subsections (a) and (b), but only after the Covered Employee has provided the notice, participated in the administrative review hearing, and waited the 21-day period required by the MCO. Contractor understands and agrees that if the Covered Employee prevails in such action, the Covered Employee may be awarded:

(1) an amount equal to the difference between the Minimum Compensation and any compensation actually provided to the Covered Employee, together with interest on such amount from the date payment was due at the maximum rate then permitted by law; (2) in the event of a breach by Contractor of subsections (a) or (b), the right to seek reinstatement or to obtain other appropriate equitable relief; and (3) in the event that the Covered Employee is the prevailing party in any legal action or proceeding against Contractor arising from this Agreement, the right to obtain all costs and expenses, including reasonable attorney's fees and disbursements, incurred by the Covered Employee. Contractor also understands that the MCO provides that if Contractor prevails in any such action, Contractor may be awarded costs and expenses, including reasonable attorney's fees and disbursements, from the

Covered Employee if the court determines that the Covered Employee's action was frivolous, vexatious or otherwise an act of bad faith.

l. If Contractor is exempt from the MCO when this Agreement is executed because the cumulative amount of agreements with this department for the fiscal year is less than \$25,000 (\$50,000 for nonprofits), but Contractor later enters into an agreement or agreements that cause contractor to exceed that amount in a fiscal year, Contractor shall thereafter be required to comply with the MCO under this Agreement. This obligation arises on the effective date of the agreement that causes the cumulative amount of agreements between the Contractor and this department to exceed \$25,000 (\$50,000 for nonprofits) in the fiscal year.

G40. Health Care Accountability Ordinance (HCAO) – Service contracts including agreements between a Tenant or Subtenant lasting 1 year or more only

Contractor agrees to comply fully with and be bound by all of the provisions of the Health Care Accountability Ordinance (HCAO), as set forth in San Francisco Administrative Code Chapter 12Q, including the remedies provided, and implementing regulations, as the same may be amended from time to time. The provisions of Chapter 12Q are incorporated by reference and made a part of this Agreement as though fully set forth herein. The text of the HCAO is available on the web at www.sfgov.org/olse. Capitalized terms used in this Section and not defined in this Agreement shall have the meanings assigned to such terms in Chapter 12Q.

a. For each Covered Employee, Contractor shall provide the appropriate health benefit set forth in Section 12Q.3 of the HCAO. If Contractor chooses to offer the health plan option, such health plan shall meet the minimum standards set forth by the San Francisco Health Commission..

b. Notwithstanding the above, if the Contractor is a small business as defined in Section 12Q.3(e) of the HCAO, it shall have no obligation to comply with part (a) above.

c. Contractor's failure to comply with the HCAO shall constitute a material breach of this agreement. City shall notify Contractor if such a breach has occurred. If, within 30 days after receiving City's written notice of a breach of this Agreement for violating the HCAO, Contractor fails to cure such breach or, if such breach cannot reasonably be cured within such period of 30 days, Contractor fails to commence efforts to cure within such period, or thereafter fails diligently to pursue such cure to completion, City shall have the right to pursue the remedies set forth in 12Q.5.1 and 12Q.5(f)(1-6). Each Contractor shall be responsible for its Subcontractors' compliance with this Chapter. If a Subcontractor fails to comply, the City may pursue the remedies set forth in this Section against Contractor based on the Subcontractor's failure to comply, provided that City has first provided Contractor with notice and an opportunity to obtain a cure of the violation.

e. Contractor shall not discharge, reduce in compensation, or otherwise discriminate against any employee for notifying City with regard to Contractor's noncompliance or anticipated noncompliance with the requirements of the HCAO, for opposing any practice proscribed by the HCAO, for participating in proceedings related to the HCAO, or for seeking to assert or enforce any rights under the HCAO by any lawful means.

f. Contractor represents and warrants that it is not an entity that was set up, or is being used, for the purpose of evading the intent of the HCAO.

j. Contractor shall provide City with access to records pertaining to compliance with HCAO after receiving a written request from City to do so and being provided at least ten business days to respond.

k. Contractor shall allow City to inspect Contractor's job sites and

have access to Contractor's employees in order to monitor and determine compliance with HCAO.

l. City may conduct random audits of Contractor to ascertain its compliance with HCAO. Contractor agrees to cooperate with City when it conducts such audits.

m. If Contractor is exempt from the HCAO when this Agreement is executed because its amount is less than \$25,000 (\$50,000 for nonprofits), but Contractor later enters into an agreement or agreements that cause Contractor's aggregate amount of all agreements with City to reach \$75,000, all the agreements shall be thereafter subject to the HCAO. This obligation arises on the effective date of the agreement that causes the cumulative amount of agreements between Contractor and the City to be equal to or greater than \$75,000 in the fiscal year.

G48. Graffiti Removal

Graffiti is detrimental to the health, safety and welfare of the community in that it promotes a perception in the community that the laws protecting public and private property can be disregarded with impunity. business opportunities and the enjoyment of life; is inconsistent with the City's property maintenance goals and aesthetic standards; and results in additional graffiti and in other properties becoming the target of graffiti unless it is quickly removed from public and private property. Graffiti results in visual pollution and is a public nuisance. Graffiti must be abated as quickly as possible to avoid detrimental impacts on the City and County and its residents, and to prevent the further spread of graffiti.

Contractor shall remove all graffiti from any real property owned or leased by Contractor in the City and County of San Francisco within forty eight (48) hours of the earlier of Contractor's (a) discovery or notification of the graffiti or (b) receipt of notification of the graffiti from the Department of Public Works. The term "graffiti" means any inscription, word, figure, marking or design that is affixed, marked, etched, scratched, drawn or painted on any building, structure, fixture or other improvement, whether permanent or temporary, including by way of example only and without limitation, signs, banners, billboards and fencing surrounding construction sites, whether public or private, without the consent of the owner of the property or the owner's authorized agent, and which is visible from the public right-of-way.
