

Painting Kit Booking Form

Yellow Fish Road™ Program

The City of Waterloo partners with [Trout Unlimited Canada](http://www.troutunlimited.ca) to present the [Yellow Fish Road program](http://www.yellowfishroad.org). Volunteer participants paint yellow-fish symbols beside road storm drains and distribute fish-shaped brochures to nearby households in Waterloo. Doing so reminds people that what we put down our storm drains goes untreated into our creeks, rivers and lakes.

Complete this form to book painting kits for your painting activity.
