The Problem and the Opportunity

- Schools/LEAs are suffering
- Loss of Funding Sources
- County Coordinators losing our infrastructure
- Schools and counties are losing their expertise
- Students' needs are not being met

TOM TORLAKSON
State Superintendent
of Public Instruction

Increased need for Internal Collaboration

- CDE itself sees the need for internal collaboration
- Divisions are looking at the whole child
- Foster Youth, Mental Health,
- Educational Options for students
- Elements of Coordinated School Health
- After School programs

TOM TORLAKSON
State Superintendent
of Public Instruction

Increased Need for External Collaboration

- Department of Public Health
- Department of Alcohol and Drugs Program
- Tobacco Control Program
- County Offices of Education

TOM TORLAKSON
State Superintendent
of Public Instruction

CDE's Initiative

- Team California for Healthy Kids (TCHK)
- “Making Healthy Choices the Easy Choices”
- Increase Physical Activity (MVPA)
- Increase access to fresh water
- Increase access to fruits and vegetables

TOM TORLAKSON

Tobacco Prevention

- Emphasis on Youth Development
- Prevention works
- Crosses over into AOD
- Needs of many students are simple:
- Meaningful participation
- High Expectations
- Caring relationships

TOM TORLAKSON
State Superintendent
of Public Instruction

How Do We Increase Collaboration?

- Reach out- “Hi I’m Tom, tell me about what you do.”
- Build personal relationships
- You can’t collaborate with an agency or a non-profit, you collaborate with a person.
- How can you benefit what others do should be the first question.

TOM TORLAKSON
State Superintendent
of Public Instruction

Thank you for what you do.

“He who understands the “why”, can
bear any “how”.”
