

BLUELINE SHOOTING SPORTS (BSS) MEMBER REGULATIONS

The Membership Application, Certification Form for Range Use, Release of Liability and Assumption of Risks Waiver, and the Rules and Regulations must be read and completed in entirety.

Membership is granted at the sole discretion of Blueline Shooting Sports ("BSS").

False statements on the Membership Application or Certification Form for Range Use may be grounds for denial of membership or, if discovered after membership is granted, immediate termination of membership without refund of the unused portion. Members agree to complete a BSS Certification Form for Range Use and a Release of Liability and Assumption of Risks Waiver annually or as requested from time to time by BSS.

Members agree to comply at all times with current and/or posted Rules and Regulations as in effect from time to time. Non-compliance with the Rules and Regulations, whether intentional or not, may be cause for termination of membership with or without refund of any unused portion at the sole discretion of BSS.

The minimum age for a Handgun Membership is 21 years. A valid New York State Pistol/Revolver License is required for a Handgun Membership and must be presented **each time a Member enters the facility with a handgun** and/or upon request by BSS staff. NO ONE may handle or shoot a handgun at the facility without presentation of a valid New York State Pistol/Revolver License or a Law Enforcement ID.

The minimum age for Long Gun Membership is 18 years. Applicants for Long Gun Membership must demonstrate proficiency. If not a United States citizen, applicant must present proof of compliance with applicable immigration and residency laws, and submit to a background check at the applicant's expense.

Junior Memberships are available for persons between the ages of 16 to 18 years. Junior Membership, if granted, will allow the Junior Member unsupervised long gun access. Junior Day Members must be accompanied by, and shoot in the same lane as, a BSS Member who is one of the following: the parent, a court-appointed legal guardian, or a guardian designated-in-writing by the parent or court-appointed legal guardian. Junior Day Members may also be on the range under the supervision of an appropriately-qualified NRA-certified instructor while taking a class. ALL Junior Members may ONLY handle or shoot handguns while under the supervision of an appropriately-qualified NRA-certified instructor.

A child of a Member who is 12 years or older but not yet 16 years may accompany the Member onto the range for the purpose of learning about shooting. Unaccompanied minors may NOT be left unsupervised in the lobby. A child of a Member who is older than 16 years of age is NOT eligible to shoot at the range unless they become a Junior Member, purchase a Junior Day Membership, or are taking a class. **A Release of Liability and Assumption of Risks Waiver must be signed for EVERY minor entering the range regardless of whether the minor is handling or shooting a firearm.** BSS reserves the right to remove any such minor from the range at any time for any reason. More than one accompanying minor on the range at any given time is at the sole discretion of BSS.

Non-Members may NOT accompany a Member onto the range. Exceptions to this rule may be made at the sole discretion of the BSS. **Any non-Member allowed onto the range must sign the Release of Liability and Assumption of Risks Waiver: NO EXCEPTIONS! UNDER NO CIRCUMSTANCES MAY A NON-MEMBER HANDLE OR SHOOT ANY FIREARM.** Observation windows may be available when the classroom is not in use.

A Handgun Member whose New York State Pistol/Revolver License lapses will automatically become a Long Gun Member. Long Gun Members who obtain a valid New York State Pistol/Revolver License may convert to a Handgun Membership upon presenting a valid New York State Pistol/Revolver License to BSS.

Range Members are encouraged to become members of the National Rifle Association (NRA). New range Members will receive one free hour of range time if they are or become an NRA member during their first year of range membership.

Firearms can be dangerous. By entering the facility, a person assumes all risk of injury, damage or loss from the use or handling of firearms. BSS is not responsible for any such injury, damage or loss. Persons who cause injury, damage or loss to BSS or others through the use or handling of firearms shall indemnify BSS and hold it harmless from and against such injury, damage or loss, including but not limited to reasonable attorney fees.

All fees are subject to change at any time at the sole discretion of BSS.

Membership fees must be paid IN FULL prior to commencement of privileges. Annual calculation begins the day the membership is paid for. Annual calculation for Members who signed up prior to the range opening, will be the first day of the first month AFTER the range is open. Returned checks are subject to a \$50 bounced check fee.
