Reading Log for Independent Reading

Reading for pleasure is a concept that can be killed in school. In hope of helping you preserve or discover the joy of reading, you will choose books **you** want to read throughout the year to supplement those that we read together as a class. See your book interview chart for ideas for titles. Ms. Hajj, librarian, and I are also happy to help you select books. If you do not like to read, perhaps you have not met the right book yet!

Your on-going assignment is to read a minimum of 30 minutes, four times a week (or 20 minutes, six times a week, etc.). When you finish the book, you will share your opinions of it (with specific examples), so your peers can decide if they would like it.
