

“The evidence is consistent, positive, and convincing: families have a major influence on their children’s achievement in school and through life...When schools, families, and community groups work together to support learning, children tend to do better in school, stay in school longer, and like school more.”

VOLUNTEER SIGN-UP FORM

When parents get involved in their child’s school, they can really make a difference. That’s why we’re asking ALL parents who have children attending Kaiser High School to get involved in at least one area during the school year. Various events are planned at Kaiser High throughout the school year... Open House, various PTSA sponsored events and meetings, SCC Meetings, Spring Fest, Haunted House, Senior Project, fundraisers, etc. They are not ends in themselves; they are a means to support our students, their families, and the staff as well as an opportunity to build a sense of community. All with the goal of building student success!

Please indicate in which areas you would like to help and return to the school! You will be added to our Volunteer Database. Mahalo! Note: This form has fields to type in. You may either print or save as a new file name and email to the PCNC.

Please print clearly:
