## Keep your friends and customers thinking about you all year long... for only 38 cents a month!

Do you want an easy gift that lasts for 365 days? If so, the Real Buckaroo Calendar from RANGE magazine, personalized just for you, is the perfect gift for your customers, contacts and friends.

And here's a fantastic deal! For less than 38 cents a month, you can offer a beautiful and useful gift (and look like a big spender because retail price for this calendar is \$12.95). Your cost is 65% off newsstand price. We make no profit on personalized orders but we do benefit from regular calendar sales so that's win-win for you and RANGE! This calendar offers 12 glorious western photos and a bonus poster. It has a large grid format with plenty of room to write and, when open, it is 13-1/2" wide by 18" deep. You even get FREE shipping.

If you are ready to order (100 minimum), just fill in the form on the other side, choose what works best for you, and tell us how you want your message flap to read. Type will be set to your satisfaction at no extra charge and we will email a PDF (or FAX proofs) for your approval. There is a \$100 printer's fee per plate change but we'll waive that if you pay your entire order in advance.

Please order your personalized 2017 calendars soon. Deadline is June 24, 2016, with calendars shipped to you in early September. If you would like a copy of our current calendar or have any questions, please call Ann Galli or me at 1-800-726-4348. And if you would like a RANGE magazine subscription, see below!

I look forward to hearing from you soon.

Sincerely,

C.J. Hadley, publisher
