FIELD INSPECTION EVENT REPORTING FORM

"Field Inspection Event" means an examination and evaluation of the exterior and interior components of an actual residential real property conducted by a candidate for a home inspection license under the supervision of a licensed home inspector with at least 5 years experience. Field Inspection Events are conducted for the purpose of learning inspection methodology, techniques, communication and observation skills and describing observed conditions. A licensed home inspector can supervise a maximum of 5 licensure candidates in each Field Inspection Event. [69 Ill. Adm. Code 1410]
