January 2016

Dear Parent/Guardian

**TGAS Extended Project Qualification (EPQ) Presentation Fair – Tuesday 1<sup>st</sup> March 2016**

I am writing to inform you that our Year 13 students will be presenting their Extended Project Qualifications on Tuesday 1<sup>st</sup> March 2016 in Oak Hall. The event is open to staff, students, parents, family members and members of the public and will showcase the independent projects our students have been undertaking for the past eighteen months. As many of you will be aware, the EPQ tests students on their ability to manage, create and evaluate a project of their own choosing. The presentation fair will be an assessed component of the student's EPQ work and will ensure a high standard of presentation.

This year has seen students take on a range of topics including debates on political issues within the Liberal Democrats and in Scotland, sporting questions on the fairness of Financial Fair Play rules and medical related topics on organ donation and the state of the pharmaceutical industry, to name but a few. The evening will give a chance to celebrate the work of our students, many of whom have been students at the Academy for seven years. It would be fantastic to see our community come together to celebrate their hard work and enjoy a few hours of enlightenment together.

The fair will commence at 3.00 pm and finish roughly at 6.00 pm and refreshments will be available throughout the event. Should you have any questions do not hesitate in contacting the school office.

Thank you for your support and we look forward to seeing you on the 1<sup>st</sup> March.

Yours sincerely

Mr R Orr  
Centre Coordinator of Extended Project Qualification (EPQ)
