TERMS AND CONDITIONS

- 1. Asbestos and Hazardous Materials. Asbestos or other hazardous materials disturbance, removal or abatement is not provided for by the terms of this subcontract, and in the event that asbestos or other hazardous material is encountered or disturbed in order to complete this project, it will be treated as extra work under Paragraph 11 of this Agreement. Subcontractor may stop work upon discovering asbestos or other hazardous material, until the terms of the "extra" are negotiated. Subcontractor, at Subcontractor's sole option, can require Owner or Contractor to be responsible for the removal or abatement of asbestos or any other hazardous materials found on the job site.
- 2. Arbitration, Validity and Damages. Any controversy or claim arising out of or related to this contract, or the breach thereof, shall be settled by arbitration in accordance with the Construction Industry Arbitration Rules of the American Arbitration Association, and judgment upon the award rendered by the Arbitrator(s) may be entered in any court having jurisdiction thereof. Claims within the monetary limit of the Small Claims Court shall be litigated in such court at the request of either party. Any claim filed in Small Claims Court shall not be deemed to be a waiver of the right to arbitrate, and if a counterclaim in excess of the jurisdiction of the Small Claims Court is filed in the Municipal or Superior Court, then the party filing in the Small Claims Court may demand arbitration pursuant to this paragraph.

- 3. Reservation of Rights of Dispute. In the event that the Subcontractor is required to, or deems it appropriate, to proceed with and complete any work which is the subject of a dispute between the Contractor and the Subcontractor as to whether such work should be classified as a "change" or as an "extra," Subcontractor may, if it deems it appropriate, but is not required to, proceed with such work, and thereafter or contemporaneously, file for arbitration in accordance with the Construction Industry Arbitration Rules of the American Arbitration Association, to determine whether such work is in fact a "change" or an "extra" without waiving any said rights, as well as determining the effect of the extra
- **4.** Attorneys Fees. In the event legal action or arbitration is instituted for the enforcement of any term or condition of this subcontract, the prevailing party shall be entitled to an award of reasonable attorney's fees in said action or arbitration, in addition to costs and reasonable expenses incurred in the prosecution or defense of said action or arbitration.

- 6. Failure to Make Payments. If Contractor fails to make the scheduled progress payments as defined in "Schedule of Payments," then Subcontractor has the absolute option to cease the performance of any further work until such time said payment is made. If said payment is more than 10 working days late, Subcontractor may, at his option, treat said lateness as a material breach of this Subcontract Agreement and justifiably refuse to complete the balance of this subcontract. Subcontractor may then institute arbitration proceeding as described herein for any and all damage incurred including but not limited to lost profits.
- 7. Retention. Contractor is authorized to withhold retention from Subcontractor only to the extent that Owner withholds funds from Contractor for the work performed by Subcontractor. In no event shall Contractor withhold more than ten (10) percent of payments due Subcontractor. - 8. Items Not Responsibility of Subcontractor. Unless specifically included in the Agreement, Subcontractor shall not be held responsible for any existing violations of applicable building regulations or ordinances, whether cited by the appropriate authority or not. Subcontractor is not responsible for any abnormal or unusual preexisting conditions. Correction of any such violations or abnormal conditions by Subcontractor shall be considered additional work and shall be dealt with as herein provided under Paragraph 11 for extra work.
- 9. Excusable Delays. If the Subcontractor is delayed in the performance of the work by conditions that could not be reasonably foreseen by Subcontractor or out of the reasonable control of Subcontractor, which include, but are not limited to actions taken by Owner; acts of God; fire, explosions or other casualty losses, strikes, boycotts or other labor disputes; lockouts; hazardous material disturbance, abatement, or removal; and acts of government body, then Contractor shall grant Subcontractor a reasonable extension of time. If additional work or cost is required of, or incurred by, Subcontractor as a result of the delay, then Subcontractor shall be entitled to compensation as called for in Paraeraph 11.
- 10. Contractor's Responsibilities and OSHA Requirements. Water, sewer, gas and electric utilities from the serving agency to the point of entry at Owner's property line, or the metering devices are required and are the responsibility of the Contractor.

For any extra work performed, Contractor shall be compensated in an amount to be determined before the extra work is performed and such amount, including Contractor's usual fee for overhead and profit shall be made as the extra work progresses, concurrently with payments made under payments scheduled. However, in the event that the parties cannot agree on the sum necessary to compensate Subcontractor for the extra work, then Subcontractor shall be paid his actual costs for the additional labor and material as well as his normal overhead and profit.

However, in the event that an emergency exists, then Subcontractor may proceed upon the verbal authorization of the Contractor or the Contractor's job superintendent and request written confirmation of the verbal authorization within seventy-two (72) hours.

- 12. Assignment and Subcontracting. Subcontractor shall be allowed to assign any work under this subcontract or subcontract any portion of it without the written consent of the Contractor.
- 13. Protection of Work. To the extent noted herein, Subcontractor will protect its own work until completion and acceptance of his work. To allow Subcontractor to protect his own work, Contractor shall provide to Subcontractor adequate storage space and security on the construction site. Once Subcontractor's work is completed, then Contractor shall be responsible for the protection of the work as well as the entire project.

If Subcontractor's work is damaged or destroyed during the course of Subcontractor's work and said damage or destruction is a result of the negligence of Subcontractor, then Subcontractor shall agree to repair or replace said damaged work. If the work is damaged or destroyed as a result of actions beyond the reasonable control of the Subcontractor or through the negligence of persons other than Subcontractor, then Subcontractor shall repair or replace said damaged or destroyed work but will do so only upon being compensated for same. Compensation shall be treated as extra work and the compensation shall be determined as provided in Paragraph 11.

- 14. Concealed Conditions. In the event that Subcontractor encounters rock, ground water, underground structures, utilities or other conditions unknown to Subcontractor and not reasonably foreseeable by Subcontractor, then Subcontractor shall immediately stop work and call Contractor's attention to such concealed conditions in writing. - 15. Insurance. Contractor will procure at his own expense and before commencement of any work under this contract fire insurance with course of construction, vandalism and malicious mischief clauses attached. If the project is destroyed or damaged by any accident, disaster, or calamity, such as fire, storm flood, landslide, subsidence, or earthquake, or by theft or vandalism, any work done by Subcontractor in rebuilding or restoring the project shall be paid for by the Contractor as an extra and shall be dealt with under the provisions of Paragraph 11 above. If, however, the estimated cost of replacement of work already accomplished by Subcontractor exceeds twenty (20) percent of the contract price, Contractor shall have the option to cancel this contract and, in that event, shall pay Subcontractor's usual overhead and a net profit to Subcontractor in the amount of ______ percent, of all work performed by Subcontractor before cancellation
