Additional Information & Volunteer Opportunities

League Age Date: The date to determine your child's league age is **12/31/2009**. Contact Jeff Sabo at 734-731-9656 or Greg Brierley at 734-216-9137 with any questions.

The Draft: The draft will be held on March 13th. The draft allows coaches to choose fairly from the pool of players. If you have questions, please contact **Jeff Sabo** (V.P. of Softball) at 734-731-9656. If you prefer your child plays on a specific team it is up to you, as the parent, to contact the coach of that team prior to the draft and make your wishes known. It is then up to that coach to select your child in the Draft. No guarantees can be made that your child will end up on any particular team.

Age Policy

In the past, the League has had requests to allow children to play at a level outside of League guidelines. Little League defines your child's league age as their actual age on December 31, 2009. The normal age groups for each league are:

	Level	Ages
1.	Pee Wee	7-8 year olds
2.	Minors	9-10 year olds
3.	Majors	11-12 year olds
4.	14 & Under	13-14 year olds

It is possible for your child to play in a more advanced league, but in most cases, play in a league below their age level will not be approved. If, as a parent, you request that your child be placed at a different level then s/he would normally play, both you and your player should understand this policy:

1. Your child **MUST ATTEND** a tryout to be evaluated by a committee. The decision of that committee is final. Players who don't attend the tryout for evaluation will be placed in their appropriate league.
2. Parents of players playing outside their appropriate league must sign an Age Policy Guidelines form. Contact Jeff Sabo 734-731-9656 if you want to have your child evaluated to play outside their appropriate league.
