

## Nomination Form: Outstanding Mentor Award 2014

The Career and Postdoctoral Services Office and the Society of Fellows announce the 2014 Outstanding Mentor Award to honor the considerable dedication of faculty who consistently and enthusiastically serve as effective mentors to graduate students and postdocs. The award recipient will be honored with a plaque and \$1000 in funding to support team building or training efforts in his or her lab. The awardee will be announced during the SOF Lightning Talks Symposium on the afternoon of September 17, 2014.

**Nomination criteria:** Postdocs and graduate students may nominate any faculty member who has guided and contributed to their personal or professional development through a mutually trusting and respectful relationship. We seek nominations of faculty who:

- Develop mentees' research and professional skills;
- Respect and support scholars' goals;
- Offer valuable career planning and job search assistance; and
- Model effective leadership.

**Selection process:** Nominations will be reviewed by TSRI's Director of Education, members of the SOF Executive Committee, and the Career and Postdoctoral Services Office.

**Updated re-submissions of prior applications are allowed and encouraged.** *With a submitted 2014 nomination form, mentors nominated in previous years will be considered. Nomination materials submitted in previous years are already on file.* Prior award recipients are not eligible.

**Nominations are due by Friday, August 15, 2014**
