## **Hellertown-Lower Saucon Little League**

January 2012

Dear Friend of the League,

With spring time approaching, the start of the 2012 Hellertown-Lower Saucon Little League season is not far away. We expect to have over 500 children participating in our softball and baseball programs this year. Through the years the league has been very grateful for the many volunteers, sponsors and generous donations which have supported our operations and ultimately the youth of our community. These contributions significantly help HLSLL offset costs to replace worn equipment, upgrade and maintain fields and facilities, fund insurance and administrative costs, and other miscellaneous expenses.

Over the last several years, the league has made great progress in upgrading and maintaining the local baseball and softball facilities. Samplings of these projects include:

- Re-grading and installation of a new infield at the Farm Division field along Constitution Ave.
- Installation of a new scoreboard at the softball field, purchase of a new storage shed.
- Construction of a new foul ball net system and installation of additional fencing to protect the new stucco facade of the field house and painted HLSLL crest.
- Renovation of the 2<sup>nd</sup> floor interior of the David Lang Fieldhouse at Dimmick Park. The field house now has a meeting room which is used for league meetings as well as a new equipment storage room.
- Upgrade the major league field including improvements to the exterior of the field house and the installation of new sod, re-grading and drainage improvements.

During the past several years the program has experienced significant growth and success. Some of these accomplishments include:

- Hosted the Little League State Championship Tournament for Minor Girls!
- The creation of a Fall baseball program.
- The Boys' 9/10 and 11/12 All-Star teams have captured several District 20 South division championships along with 2 District 20 championships since 2000.
- The Girls' 9/10 and 11/12 All-Star teams have captured several District 20 South division championships along with 4 District 20 and 1 Sectional championship since 2001.

We greatly appreciate the support of the many volunteers and sponsors that have contributed to these efforts and that have made little league a positive and memorable experience for the youth of our community. As we begin another season, we ask for your continued support.

Sincerely,  
HLSLL Board of Directors
