SECTION I **INTRODUCTION**

A. GENERAL INFORMATION

The Illinois Finance Authority (the “Authority”) is a body politic and corporate of the State of Illinois (the “State”). The Authority was created under the Illinois Finance Authority Act, 20 ILCS 3501/801-1 *et seq.* (the “Act”). In accordance with the Act, the Authority is governed by a 15-member board (the “Board”), with each member appointed by the Governor of the State and approved by the State Senate.

This Bond Program Handbook (this “Handbook”) sets forth the Authority’s requirements and policies applicable to all bonds issued by the Authority (with the exception of its Beginning Farmer Bond Program and Agricultural Guarantee Program, which have separate bond issuance guidelines). All potential borrowers (“Borrowers” and individually, a “Borrower”), legal, financial and consulting representatives participating in Authority bond transactions should carefully review this Handbook and its requirements. Any questions concerning the matters contained in this Handbook should be directed to the Authority’s General Counsel. The contact information for the Authority and its representatives is as follows:

B. POLICY CONSIDERATIONS

This Handbook provides guidelines that allow for the fair, efficient and effective issuance of Authority bonds. It provides Borrowers with significant input in the structuring of their transactions while protecting the interests of the Authority. This Handbook also reflects the Authority’s philosophy of providing its Borrowers with a customer-driven bond transaction process.

C. APPLICABILITY AND CHANGE

The terms, provisions and conditions of this Handbook shall apply to all bonds issued through the Authority (except as noted above) and reflects the current policies and thinking of the Authority. Like any policy, it is subject to modification, revision and amendment at the sole discretion of the Authority. Certain terms and provisions herein may differ from documents executed and delivered with respect to bonds approved or issued prior to the effective date of this revised Handbook.

SECTION II
THE MECHANICS OF AUTHORITY
BOND FINANCING

A. THE APPLICATION PROCESS

1. **Application.** The bond issuance process commences when the Borrower files a complete application, with supporting documentation, with the Authority. Applications are available for the following project categories: (a) Industrial Projects, (b) Hospital and Healthcare Projects, (c) Local Government Projects, (d) Not-For-Profit / Cultural / Educational Projects, Environmental / Pollution Control / Solid Waste / Water or Gas Distribution Projects, (e) Agriculture Projects, and (f) Housing Projects. Applications and instructions for completing and filing the same can be downloaded from the Authority's website (www.il-fa.com) or can be secured by contacting the Authority at (312) 651-1300. Borrowers for Industrial and Environmental / Pollution Control / Solid Waste Projects must also complete and file an Economic Disclosure Statement (the "EDS"), which is available on the Authority's website or by calling (312) 651-1300.
2. **Authority Fees.** The Authority's current fee schedule is available by contacting the Authority at (312) 651-1300. The Authority reserves the right, in its sole discretion, to modify the fee schedule (or adjust the required fees for a specific proposed transaction) at any time and without notice. Upon submission of an application, a Borrower must pay a nonrefundable application fee. The Authority's closing fee and its issuer's counsel fee are payable at the bond closing. In the event that a project, approved by the Authority's Board, does not close, the Borrower shall not have to pay the Authority's closing fee; however, the Borrower shall be liable for and shall pay any and all costs associated with the Authority's retention of outside professionals, including, but not limited to, issuer's counsel, in connection with said project.
3. **Application Review.** It is the obligation of the Borrower to provide to the appropriate Vice President or Legal/Financial Analyst of the Authority (hereinafter, each a "Manager") a completed application, all required supporting documentation and the non-refundable application fee to the Authority for its review no later than two (2) weeks prior to the date of the board meeting at which it is to be considered. Each applicant is required to acknowledge the underwriting and legal requirements for approval and for issuance of the bonds, as well as the requirement that the conduit borrower's proposed project and transaction will comply with the requirements of this Handbook, the Authority's policies and procedures and any other requirements of the Manager of the application.
4. **Conduit Bond Transaction Process.** As a "conduit issuer", the Authority issues bonds for the benefit of the Borrower. Such bonds are not general obligations of the Authority or the State, rather the payment obligation remains with the Borrower. The Authority's conduit bond transaction typically includes, but is not limited to, the following processes and milestones:
 - (a) Application submitted to the Authority, including:
 - (i) a signed application form, with signed EDS if applicable;
 - (ii) a non-refundable application fee; and

- (iii) financial statements prepared by a licensed Certified Public Accounting (“CPA”) firm, unless otherwise approved by the Authority.
- (b) Authority staff reviews the application package, and prepares a write-up for presentation to the Credit Review Committee (the “Committee”).
- (c) Submission of the Preliminary Bond Resolution (“Preliminary Resolution”) to the Board for its approval.
- (d) Award of volume cap, if applicable.
- (e) Review and publishing of the TEFRA hearing notice.
- (f) Public TEFRA hearing held.
- (g) Issuer’s counsel reviews bond and closing documents.
- (h) The Board votes on the Final Bond Resolution (“Final Bond Resolution”).
- (i) Closing dates and final bond issuance amount set.
- (j) Authority submits request to Governor’s Office for approval letter.
- (k) Receipt and execution of signature pages.
- (l) Bond pre-closing and closing.
- (m) Receipt of electronic version and three (3) final official statements or disclosure documents.
- (n) Receipt of two (2) CD-ROM disks containing all closing documents.
- (o) Post-closing monitoring.

B. COUNSEL ENGAGEMENT AND CONFLICTS

It is the policy of the Authority to allow conduit borrowers to assemble their financing team members, with an understanding that such members are duly qualified and recognized professionals in their respective fields. The Authority does not mandate the use of particular professionals, except that the Authority may require that bond counsel establish an attorney-client relationship with the Authority (with respect to bond authorization, bond issuance and tax exemption matters), with such relationship being memorialized in an engagement letter.

Notwithstanding the right of the conduit borrower to assemble its team and legal advisors, the Authority, as the issuer of the bonds, must maintain the confidence of the markets and use all reasonable efforts to make sure that its bonds are issued in full compliance with all applicable federal and State laws. To that end, the Authority has established guidelines (as set forth in the following paragraph) to determine when a law firm (including, without limitation, bond, underwriter’s, borrower’s or bank’s counsel) may serve in multiple roles on a particular transaction.

Any law firm seeking to serve in more than a single capacity in a particular transaction shall seek a waiver from the Authority’s General Counsel prior to preliminary approval (or final approval if preliminary approval is not sought) of a resolution by the Board, provided that, if the facts giving rise to the need for a waiver arise after approval, a waiver should be sought as soon as possible thereafter. A waiver will be granted in circumstances where a bank chooses counsel from a firm that is also acting as bond counsel to the Authority with respect to a transaction, so long as the Borrower is represented by another firm with respect to such transaction. In its waiver request, the law firm shall identify the roles that it will be seeking to perform, affirm that the proposed engagements conform with the applicable rules of professional responsibility, and address the steps that it will take to avoid conflicts or the appearance of conflicts. The Authority’s General Counsel may grant waivers consistent with this policy and any other applicable laws or rules, as determined to be in the best interests of the Authority. Notwithstanding the foregoing, issuer’s counsel should not serve in any other capacity in a particular issuance.

C. PRELIMINARY (INDUCEMENT) RESOLUTION

After the Committee makes its recommendation, the Board holds discretionary power to accept or reject the recommendation upon consideration of a board resolution, the Preliminary Resolution, which is drafted based on the Borrower's application and the Committee's review thereof, and all limitations imposed by current federal and State law, including without limitation and where applicable, the availability of sufficient volume cap at the time of the bond issuance. For these reasons, a Borrower's full disclosure of the uses of bond proceeds, including the use of bond proceeds to reimburse the Borrower for expenditures made prior to the issuance of the bonds, and the description of the financing are essential. To ensure compliance with all applicable laws, the Borrower is expected to have consulted counsel prior to submitting its application and financing description. Exhibit A sets forth the Authority's preferred form of Preliminary Resolution; however, the Authority retains the right, as it deems necessary, to make changes to a Preliminary Resolution, both in general and as it may relate to a particular financing. Bond counsel shall draft a project's Preliminary Resolution, consistent with the form of resolution in Exhibit A, and deliver an electronic version thereof, in Word format, to the Authority's General Counsel no later than 5:00 p.m. the Friday before the scheduled board meeting, at which said Preliminary Resolution will be considered for adoption.

The Authority understands that in certain instances a Borrower may have no need for a Preliminary Resolution, and the Borrower may wish to proceed directly to a Final Bond Resolution. The Authority will make all reasonable efforts to accommodate such a request. The Borrower should contact the Manager and/or the General Counsel to discuss such a request as soon as possible, preferably at the time the Borrower files its application. The Authority's granting of such a request will, in substantial part, depend upon the nature and complexity of the proposed financing and the time constraints then confronting the Authority.

D. FINAL BOND RESOLUTION

In general, bond counsel and/or the Borrower should inform the Manager and General Counsel as early as possible, but in no event less than two (2) weeks prior to the anticipated adoption date of the Final Bond Resolution of the plan for final document production (except as otherwise approved by the General Counsel).

Before final Board consideration of a financing can occur, copies of all major financing documents, including, as applicable and without limitation, the loan agreement, the trust indenture, the official statement (or other disclosure document), the bond purchase agreement, and the Final Bond Resolution **must be delivered to the Authority's General Counsel** in substantially final form satisfactory to the Authority and its issuer's counsel **no later than 5:00 p.m. on the Wednesday prior to the board meeting** (except as otherwise approved by the General Counsel). Exhibit B sets forth the Authority's preferred form of Final Bond Resolution; however, the Authority retains the right, as it deems necessary, to make changes to a Final Bond Resolution, both in general and as it may relate to a particular financing. The Authority expects bond counsel to work in concert with its issuer's counsel to prepare these documents. The Authority understands that the tax agreement, escrow documents and closing certificate may not be in final form by this time, but should be in a form previously approved by the Authority in similar transactions to the matter at hand, subject to pricing information and other information dependent upon the sale of the Bonds. Once received, the Authority's General Counsel will review the submitted materials. If this review finds that the documents are insufficient regarding material information, the Authority reserves the right to

remove the financing from the meeting agenda. Documents may be deemed insufficient in the following circumstances: 1) the structure or material terms of the financing remain unsettled, 2) a committed bond purchaser or underwriter is not identified, 3) documents are not in substantially final form or 4) the adoption of a final resolution in the sole discretion of the Authority is otherwise not appropriate.

E. VOLUME CAP ALLOCATION PROCEDURES

In general, under federal law, the amount of certain tax-exempt bonds that the Authority may issue is limited to the amount of volume cap allocated to it. Currently the tax-exempt issuances that require an allocation of volume cap include industrial revenue bonds, housing bonds, beginning farmer bonds, water and gas distribution bonds, waste disposal revenue bonds, and pollution control bonds. The Authority's issuance of tax-exempt bonds for not-for-profit hospitals and healthcare facilities, educational, cultural and academic institutions, other 501(c)(3) entities and units of local government currently do not require an allocation of volume cap. It is the responsibility of the Borrower and bond counsel to determine whether a particular financing will require volume cap and to request volume cap from the Authority.

1. **State Agency Allocation.** States receive allocations of volume cap based on population. After federal allocation, states dictate the method of distribution. In accordance with the provisions of Section 146 of the Internal Revenue Code of 1986, as amended (the "Code"), the State established volume cap allocation procedures for "qualified private activity bonds" through the enactment of the "Illinois Private Activity Bond Allocation Act", as codified in 30 ILCS 345/1 *et seq.* In addition, the Governor's Office issues guidelines and procedures that define the method of allocating State volume cap to issuers. For the most recent Allocation Procedures, visit the website of the Governor's Office of Management and Budget at <http://www.state.il.us/budget>.
2. **Authority Cap Allocation.** State agencies generally receive volume cap allocation in bulk, all cap amounts are to be used by year-end. However, federal law provides for carrying forward amounts for certain uses during the subsequent three years. All cap not used within this three-year period expires.

The Authority controls the distribution of its volume cap. The two main objectives behind Authority project prioritization are economic development and revenue generation. Borrowers must secure the amount of requested volume cap and a request for volume cap should be made simultaneous with the submission of the Borrower's application to the Authority. Borrowers and bond counsels must note that **all** requests for an allocation of volume cap **must** be submitted by and through the Authority, not the Governor's Office. If the Authority grants a Borrower's request for volume cap, it will issue an allocation letter to the Borrower, dated no later than the date of closing. Shortly after closing, the Authority's General Counsel will prepare a confirmation of issuance letter, addressed to the Governor, which confirms the bond issuance and the allocation and use of volume cap, and submit this letter to the Governor's Office. (In order to file this letter, the General Counsel must receive a final IRS Form 8038 for the transaction.) The General Counsel will also deliver a copy of this letter to bond counsel, who must file, by certified mail, return receipt requested, said Form 8038 and the letter, with the Internal Revenue Service (the "IRS") within the time prescribed by applicable rules and regulations.

Note: If a Borrower has secured volume cap from another source (i.e., a unit of local government) that is to be ceded to the Authority for its project, the Authority must receive the duly adopted resolution(s) no less than two (2) weeks prior to closing. The Authority will not close a financing prior to its receipt of the resolution(s).

F. TEFRA PROCEDURES

Prior to consideration of a Final Bond Resolution, each applicant (except local government borrowers) must satisfy the public notice and hearing requirements of the Tax Equity and Fiscal Responsibility Act of 1984 (“TEFRA”). Though not preferred, the Authority may consider requests to hold a TEFRA Hearing after adoption of a Final Bond Resolution. Such a request must be made to the Authority’s General Counsel and the Authority may grant such requests at its sole discretion. Responsibility for compliance with TEFRA requirements rests solely with bond counsel. Section 147(f) of the Code requires holding a TEFRA hearing prior to the Authority’s issuance of tax-exempt bonds, except in very limited circumstances where a TEFRA hearing is not required. Borrowers have no obligation to attend the TEFRA hearing. Additionally, the Governor’s Office requires a TEFRA hearing transcript prior to the Governor’s execution of an approval letter. The following procedures will assist bond counsel with satisfying TEFRA procedures.

1. Bond counsel must draft and publish the TEFRA hearing notice in the appropriate newspaper(s) a minimum of fourteen (14) days prior to the scheduled TEFRA Hearing date. Bond counsel must publish a legal notice in the project area local newspaper and in the State Journal-Register of Springfield, Illinois. If the project area includes multiple locations that are not served by a single paper, then the notice must be published in a newspaper that serves each community. The notice must include a project description sufficiently detailed to include all possible uses of bond proceeds, all as required by federal law. In addition, the notice must note the Authority’s acceptance of written comments via email at publiccommentns@il-fa.com or (i) at its Chicago office, currently located at 160 North LaSalle Street, Suite C-800, Chicago, Illinois 60601 (overnight delivery), or (ii) P.O. Box 641187, Chicago, Illinois 60664 (mail). Exhibit C sets forth the Authority’s preferred TEFRA format. The Authority is not responsible for the cost of publishing the required notices.
2. The Authority holds TEFRA hearings on the Friday preceding the Authority’s monthly board meeting. In the event of a State holiday on the scheduled Friday, the TEFRA hearing will take place on the Thursday preceding the monthly board meeting. TEFRA hearings commence at 9:00 a.m. in the 11th Floor conference room at 500 East Monroe Street, Springfield, Illinois.
3. Bond counsel must confirm the TEFRA hearing for a particular issuance with the Authority’s General Counsel no later than four weeks before the scheduled TEFRA hearing. Confirmation shall include sending to the General Counsel, via e-mail, in Word format, a draft copy of the notice.
4. To evidence the required publication notice, bond counsel must obtain affidavits of publication of the notice of the TEFRA hearing, copies of which shall be promptly provided to the Authority.
5. The Authority will prepare and provide a transcript of the TEFRA hearing as a part of its Closing Certificate (the “Certificate of the Authority”).

6. The Governor's Office acts as the "applicable elected representative" for purposes of the public approval requirement of Section 147(f)(2)(E) of the Code. The Governor's staff processes requests for approval upon satisfaction of: (a) a TEFRA hearing and (b) adoption of Final Bond Resolution. Accordingly, the Authority only submits completed requests, which consists of affidavits of publication, a TEFRA hearing transcript and a Final Bond Resolution. Bond counsel must allow sufficient time for processing a request for approval. Bond counsel should assume a minimum turnaround time of seven (7) business days. (Generally, local government Borrowers do not require a Governor's approval letter.)

G. DUE DILIGENCE RESPONSIBILITIES

The Authority requires that all participants comply with any and all applicable federal and state securities laws, including, but not limited to, those requiring full and complete disclosure of all material facts to potential investors. It is the responsibility of the participants to determine the appropriate investigations, material facts, and required disclosures to prospective purchasers of bonds. The Authority will not assume any responsibility for such investigations or disclosures, and the Authority's issuer's counsel specifically disclaims any responsibility for such disclosures in its opinion. The Authority expects that the due diligence process undertaken for Authority financings will meet the following standards.

1. Underwriter's counsel, who must be well experienced in securities law matters, is expected to take responsibility for due diligence investigations and official statement preparation and distribution.
2. Underwriter's counsel is expected to issue an opinion in connection with the transaction and the adequacy of disclosure in the official statement. The opinion must comply with the usual "10b-5" opinion in a form applicable to the transaction, without any exceptions considered material by the Authority's issuer's counsel or General Counsel. The Authority considers financial and statistical information and financial statements as permissible exceptions.
3. Prior to official statement circulation, the Authority and its issuer's counsel must have a meaningful opportunity to review all portions of the official statement relating to the Authority, and all material comments of the Authority and its issuer's counsel should be incorporated into the official statement that is presented to bondholders.
4. As a general matter, the Authority expects not to execute an official statement, offering memorandum or other disclosure documents. Borrowers must execute all such documentation.

With respect to private placement/direct purchase transactions, the foregoing may not apply if the appropriate assurances, agreements and acknowledgments (including the delivery of a form of investor letter acceptable to the Authority) are provided to and approved by the Authority.

H. INDEMNIFICATION OF THE AUTHORITY

The Act grants broad powers to the Authority to accomplish the objectives of the Act. The Act expressly permits the Authority to issue bonds in accordance with its corporate purposes. In order to foster the Authority's statutory role and to enable the Authority to provide Borrowers with discretion relative to their financings, all issues must provide for indemnification of the Authority. For the standard indemnification provisions that the Authority expects, see Section III.B (Loan Agreement) and III.D (Bond Purchase or Placement Agreement) of this Handbook.

Compliance with the indemnification requirements of the Authority is essential to securing the Board's approval of the proposed bond financing. The Authority will not participate in a bond financing if its indemnification requirements are not met. As stated in Section G above, the Authority does not take any responsibility for due diligence investigations or disclosure and the Authority's issuer's counsel specifically disclaims any responsibility for such disclosure in its opinion. (See Section III.D (Bond Purchase or Placement Agreement) of this Handbook.). The existence of credit enhancement does not eliminate the obligation to indemnify the Authority. Credit enhancement does not release the underwriter, placement agent, remarketing agent or comparable entity of the obligation to abide by covenants in the bond documents.

A clear statement of the Authority's indemnification must appear in all relevant bond documents (loan agreement, bond purchase agreement, etc.). In addition, the official statement, offering memorandum and other disclosure documents must clearly state that the Authority has only reviewed or approved particular information relating to the Authority under specific headings. Furthermore, the bond purchase agreement must articulate the Authority's non-participation in the preparation of the offering document, except for the information relating to the Authority under specific headings. (See Section III.F (Official Statement) for additional information.)

I. DISCLOSURE COMPLIANCE

1. **Private Placements / Direct Purchases.** A bond issue constitutes a private placement/direct purchase if (a) it is offered to a limited number of accredited investors or qualified institutional buyers, as those terms are defined by the Securities and Exchange Commission (the "SEC"), and (b) the bond issue transcript includes a certificate or letter from each bond purchaser covering the matters set forth in Exhibit D (except as may be otherwise approved by the Authority's General Counsel). Under certain limited circumstances, a certificate or letter from the underwriter or placement agent for the bonds covering substantially the matters set forth in Exhibit D is acceptable; however, this matter must be discussed with and approved by the Authority's General Counsel prior to the adoption of the Final Bond Resolution authorizing the bonds. The decision to accept such a certificate or letter rests solely with the Authority. The Authority and its issuer's counsel assume that purchasers in a private placement/direct purchase transaction will insist on receiving from the other parties to the transaction the information that the purchasers deem necessary to finalize their investment decisions.
2. **Public Offerings.** In the Final Bond Resolution the Authority will, upon request, authorize or ratify the distribution of a disclosure document in the form of an official statement, offering memorandum or similar form. In the Certificate of the Authority, however, the Authority will only certify to those portions of the official statement or offering memorandum describing the Authority and material litigation pending or

threatened against the Authority, if any.

3. **Secondary Market.** As a conduit issuer, the Authority typically does not provide secondary market disclosure. At the time of sale of the bonds, the Authority requires the Borrower and/or other participants to provide secondary market disclosure of financial information, operational data and other material information, as required by law. If applicable given the particulars of the financing, the official statement or offering memorandum must contain language stating that the Authority does not provide secondary market disclosure, either at closing or on an on-going basis.

J. BLUE SKY LAWS

Compliance with Blue Sky Laws is the responsibility of the underwriter. The Authority and its issuer's counsel shall disclaim such responsibility.

K. BOND DENOMINATIONS

1. **Investment Grade Bonds.** The Authority will issue bonds in denominations of \$5,000 upon satisfaction of specific credit rating requirements. To qualify for a \$5,000 denomination, the Borrower must obtain an investment grade rating for the proposed bonds. Proposed bonds that are non-rated or have a rating below investment grade must satisfy the requirements set forth in Section K.2. below.
2. **Non-rated Bonds and Bonds Rated Below Investment Grade.** Due to greater credit risk, non-rated bonds and bonds rated below investment grade tend to have a higher interest rate than other investments. These high risk and high yield investments generally require a greater level of investor sophistication and securities expertise. Except as noted below, the Authority requires that all non-rated bonds and bonds rated below investment grade be sold only to accredited investors or qualified institutional buyers (as such terms are defined by the SEC) in minimum denominations of at least \$100,000. A Borrower wishing to issue non-rated bonds or bonds rated below investment grade should contact the Authority as early in the process as possible to discuss the appropriate minimum bond denomination amount for the particular issue. A Borrower (or its parent or sponsor) that is not currently in default on any bonds, has not missed a payment date relative to any bonds in the immediately preceding three (3) years and meets the criteria set forth below, may request a waiver of the conditions set forth in this Section:
 - (a) The Borrower has issued, in the immediately preceding seven (7) years, at least two (2) series of bonds that were non-rated or rated below investment grade, in an aggregate total of not less than \$40,000,000; or
 - (b) The Borrower has secured a feasibility study or compilation, demonstrating the financial viability of the project, from an independent and qualified accounting or consulting firm acceptable to the Authority; or
 - (c) The bonds are being issued to refund or restructure non-rated bonds or bonds rated below investment grade of the Authority, a Predecessor Authority or another conduit issuer, and will result in a positive impact on

the financial viability of the Borrower.

In order to secure a waiver, the Borrower shall provide a written waiver request to the General Counsel (which may be provided via email) along with sufficient evidence to demonstrate that it satisfies the foregoing criteria.

L. CLOSING PROCEDURES

Bond counsel must notify the Authority's General Counsel, Manager and issuer's counsel of the scheduled closing date at least fourteen (14) business days in advance. In scheduling closings, bond counsel should allow sufficient time (minimum of seven (7) business days) for the Governor's Office to process a request for an approval letter.

1. **Signatures.** Bond counsel must (i) submit, via electronic delivery in Word or PDF format, one complete copy of all final bond documents to the Authority's General Counsel and its issuer's counsel, **and** (ii) deliver the appropriate number of signature pages, duly marked, to the General Counsel or Manager, if so instructed. Bond counsel should deliver signature pages to the Authority no less than three (3) business days prior to the pre-closing. **Bonds** will be executed on behalf of the Authority with the manual or facsimile signature of the Board Chairperson (or other officer of the Authority so authorized) and shall have impressed or imprinted thereon the official seal of the Authority or a facsimile thereof and shall be attested to by the manual or facsimile signature of its Secretary or Assistant Secretary. Facsimile signature certificates have been filed with the Illinois Secretary of State under the Uniform Facsimile Signature of Public Officials Act for the Authority's Chairperson and the Executive Director. Other closing papers should be prepared for execution by the Executive Director, with attestation, as needed, by either the Secretary or Assistant Secretary. Documents should provide for the impressing or imprinting thereon of the official seal of the Authority or a facsimile thereof only as needed.
2. **Exhibits to Certificate of the Authority.** The Authority's General Counsel or Manager will provide the exhibits called for in the Certificate of the Authority. A model Certificate of the Authority is attached as Exhibit E. The Authority expects this model to be used, unless the particulars of a transaction demand modification. If modification is deemed necessary, bond counsel should contact the Authority's General Counsel to discuss the matter **prior** to the delivery of signature pages. The documents cited as exhibits in Exhibit E will be delivered to bond counsel with the executed signature pages.
3. **Execution Documents.** As a condition of closing, bond and issuer's counsel must arrange for the Authority to receive the following fully executed documents (in electronic form) within a week of the bond closing:
 - (a) An electronic version and one (1) final official statements (or disclosure documents);
 - (b) One (1) copy each of the indenture, loan (or financing) agreement and tax agreement;
 - (c) One (1) copy of each opinion;
 - (d) One (1) copy of the Form 8038;
 - (e) One (1) copy of the assurance letter; and

- (f) One (1) statement of all bond issuance costs.

M. OPINIONS OF COUNSEL

All opinions of counsel must be addressed to the Authority. Specific to underwriter's counsel is the requirement that a Section 10(b)(5) reliance letter be provided to the Authority. Issuer's counsel opinion addresses various parties to the transaction. Because the scope and content of issuer's counsel opinion may vary due to the transaction, participants must contact issuer's counsel to negotiate the coverage of the particular opinion. A list of matters typically addressed in an opinion of issuer's counsel is attached as Exhibit F. Please note, because the Authority seeks the most cost-efficient price for services, the Authority does not anticipate that its issuer's counsel will undertake the kind of diligence necessary to render an enforceability opinion of documents drafted by other parties to the transaction (i.e., trust indenture, bond purchase agreement, or loan agreement). Instead, the Authority expects that third parties will rely on the opinion of bond counsel for enforceability of the bonds and such documents.

Issuer's counsel **must** deliver, no later than the date of the pre-closing, an assurance letter (the "Assurance Letter"), addressed to the Authority, evidencing its determination that the final bond documents have been prepared in compliance with the terms, provisions, and policies set forth in this Handbook (except for any exceptions approved by the Authority's General Counsel). The preferred form of the Assurance Letter is attached as Exhibit G hereto.

N. IRS Form 8038

At the time of the issuance of the bonds, the Authority must comply with certain information filing requirements under Section 149(e) of the Code. In most cases, the Authority is required to timely file Form 8038 to satisfy such requirements. Bond counsel shall prepare for execution by the Authority all applicable IRS Form 8038s required in connection with a particular financing. Form 8038s shall be executed by the Executive Director of the Authority or any other Authorized Officer of the Authority. After execution of a Form 8038, the Authority will return it to bond counsel, who shall be responsible for filing it with the IRS, on behalf of the Authority, within the applicable time period.

In addition to its obligation to timely file Form 8038, the Authority has adopted certain written procedures to monitor the requirements of Section 148 of the Code relating to arbitrage, yield restriction and rebate, and written procedures to ensure that all "non-qualified bonds" of a series of tax-exempt bonds are remediated in accordance with the requirements of the Code and related regulations. Such written procedures shall be contained in all tax exemption agreements delivered in connection with Authority conduit bond transactions, as more particularly described in Section III.E.

O. BOND TRANSCRIPTS

The Authority **must** receive, as soon as possible after closing, but within six (6) months of closing, two (2) CD-ROM disks containing all closing documents. The Authority requires that the cover of the CD-ROM contain the following information:

1. The name of the project;
2. The type and amount of the bond issue;
3. The name, "Illinois Finance Authority";
4. The issue date of the bonds; and
5. The series designation, if any.

The cost of the Authority's bond transcripts shall be the sole responsibility of the Borrower.

SECTION III

STANDARD DOCUMENT PROVISIONS

A. GENERAL

In order to establish consistency among its various issuances and to maximize the level of flexibility and discretion that it can provide its Borrowers in structuring their financings, the Authority requires the inclusion of the standard provisions of this Section in all of its conduit bond documents, unless expressly waived by the Authority in accordance with this Section.

1. **General Application of Standard Provisions.** Except as provided in subparagraphs 3 and 4 of this Section, all Authority conduit bond transactions must include the delivery of transaction documents containing the required provisions of this Section and this Handbook.
2. **Application to Private Placement and Direct Purchase Transactions.** The Authority recognizes that certain private placement and direct purchase conduit bond transactions may be facilitated through bond documentation other than the traditional loan agreement and bond indenture. In such cases, the Authority will consider the use of a document rider approved by the Authority to be attached to the proposed operative bond documents, which rider contains all of the required provisions of this Handbook. Further, in the event that no trustee is designated for the proposed transaction, the Authority reserves the right to require the engagement of a designated paying agent or other party serving in a similar role.
3. **Application to Borrowers with Existing IFA Bond Documentation.** The Authority recognizes that certain Borrowers have entered into master trust indentures and other bond documents prior to the release of this revised Handbook, and in some cases, under predecessor agencies of the Authority. In such cases, the Authority will consider the applicability of such existing documentation and material provisions, if the Borrower provides written evidence in a form acceptable to the Authority's General Counsel that such alternative provisions in no way adversely impact the rights that the Authority would have otherwise had under the standard document provisions. It is within the sole discretion of the General Counsel of the Authority to grant such a waiver of the applicability of the standard document provisions.
4. **Exception Request Process.** In the event that a Borrower or transaction participant to a conduit bond transaction proposes bond documentation or provisions that deviates from the standard provisions of this Section and this Handbook, such party must prepare and deliver a written request for the waiver of the applicability of the standard document provisions and supporting documentation to the General Counsel of the Authority and the assigned issuer's counsel for the specific transaction. The written request must include a detailed statement that the proposed deviations in no way adversely impact the rights that the Authority would have otherwise had under the standard document provisions. It is within the sole discretion of the General Counsel of the Authority to grant such a waiver of the applicability of the standard document provisions.

B. LOAN AGREEMENT

1. **No Recourse.** The obligations of the Authority are special, limited obligations of the Authority, payable solely out of the revenues and income derived under the Indenture. The obligations of the Authority shall not be deemed to constitute indebtedness or an obligation of the State of Illinois or any political subdivision thereof within the purview of any constitutional limitation or statutory provision, or a charge against the credit or general taxing powers, if any, of any of them. The Authority does not have the power to levy taxes for any purposes whatsoever. Neither the Authority nor any member, director, officer, employee or agent of the Authority nor any person executing the Bonds shall be liable personally for the Bonds or be subject to any personal liability or accountability by reason of the issuance of the Bonds. No recourse shall be had for the payment of the principal of, premium, if any, and interest on any of the Bonds or for any claim based thereon or upon any obligation, covenant or agreement contained in the Indenture, this Loan Agreement or the Bond Purchase Agreement against any past, present or future member, officer, agent or employee of the Authority, or any incorporator, member, officer, employee, director or trustee of any successor corporation, as such, either directly or through the Authority or any successor corporation, under any rule of law or equity, statute or constitution or by the enforcement of any assessment or penalty or otherwise, and all such liability of any such incorporator, member, officer, employee, director, agent or trustee as such is hereby expressly waived and released as a condition of and consideration for the execution of the Indenture and, this Loan Agreement and the issuance of the Bonds.

2. **Indemnification.** (a) The Borrower will pay, and will protect, indemnify and save the Authority and Trustee and its respective past, present and future members, officers, directors, employees, agents, successor, assigns and any other person, if any, who “controls” the Authority or Trustee, as the case may be, as that term is defined in Section 15 of the Securities Act of 1933, as amended (the Authority, the Trustee and the other listed persons, collectively referred to as, the “Indemnified Persons”) harmless from and against any and all liabilities, losses, damages, taxes, penalties, costs and expenses (including attorneys’ fees and expenses of the Authority and Trustee), causes of action, suits, proceedings, claims, demands, tax reviews, investigations and judgments of whatsoever kind and nature (including, but not limited to, those arising or resulting from any injury to or death of any person or damage to property) arising from or in any manner directly or indirectly growing out of or connected with the following:
 - (1) the use, financing, non-use, condition or occupancy of the Project [**“Project” should be broadly defined**], any repairs, construction, alterations, renovation, relocation, remodeling and equipping thereof or thereto or the condition of any such Project including adjoining sidewalks, streets or alleys and any equipment or facilities at any time located on or connected with such Project or used in connection therewith but which are not the result of the gross negligence of the Authority or Trustee;
 - (2) a violation of any agreement, warranty, covenant or condition of this Loan Agreement or any other agreement executed in connection with this Loan Agreement;
 - (3) a violation of any contract, agreement or restriction by the Borrower relating to its Project;
 - (4) a violation of any law, ordinance, rule, regulation or court order

- affecting the Project or the ownership, occupancy or use thereof or the Bonds or use of the proceeds thereof;
- (5) a violation of any law, ordinance, rule, regulation or court order relating to the sale of the Bonds or the use of any official statement (or other disclosure document) related thereto;
 - (6) any statement or information concerning the Borrower, any of its officers and members, its operations or financial condition generally or the Project, contained in any official statement or supplement or amendment thereto furnished to the Authority or the purchaser of any Bonds, that is untrue or incorrect in any material respect, and any omission from such official statement or any statement or information which should be contained therein for the purpose for which the same is to be used or which is necessary to make the statements therein concerning the Borrower, any of its officers and members and the Project not misleading in any material respect, provided that such official statement or supplement or amendment has been approved by the Borrower; and
 - (7) the acceptance or administration of the Indenture, including without limitation the enforcement of any remedies under the Indenture and related documents, provided that the Trustee shall not be entitled to any indemnity related to liabilities described in this clause (6) caused solely by the negligence or bad faith of the Trustee.

(b) In case any claim shall be made or any action shall be brought against one or more of the Indemnified Persons in respect of which indemnity can be sought against the Borrower pursuant to either of the preceding paragraphs (a), the Indemnified Party seeking indemnity shall promptly notify the Borrower, in writing, and the Borrower shall promptly assume the defense thereof, including the employment of counsel chosen by the Borrower and approved by the Authority or Trustee, or both (provided, that such approval by the Authority or Trustee shall not be unreasonably withheld), the payment of all expenses and the right to negotiate and consent to settlement. If any Indemnified Person is advised in a written opinion of counsel that there may be legal defenses available to such Indemnified Person which are adverse to or in conflict with those available to the Borrower, or that the defense of such Indemnified Person should be handled by separate counsel, the Borrower shall not have the right to assume the defense of such Indemnified Person, but the Borrower shall be responsible for the reasonable fees and expenses of counsel retained by such Indemnified Person in assuming its own defense, and provided also that, if the Borrower shall have failed to assume the defense of such action or to retain counsel reasonably satisfactory to the Authority or Trustee within a reasonable time after notice of the commencement of such action, the reasonable fees and expenses of counsel retained by the Indemnified Person shall be paid by the Borrower. Notwithstanding the foregoing, any one or more of the Indemnified Persons shall have the right to employ separate counsel with respect to any such claim or in any such action and to participate in the defense thereof, but the fees and expenses of such counsel shall be paid by such Indemnified Person unless the employment of such counsel has been specifically authorized by the Borrower or unless the provisions of the immediately preceding sentence are applicable. The Borrower shall not be liable for any settlement of any such action affected without the consent of the Borrower, but if settled with the consent of the Borrower or if there be a final judgment for the plaintiff in any such

action with or without consent, the Borrower agrees to indemnify and hold harmless the Indemnified Person from and against any loss, liability or expense by reason of such settlement or judgment.

(c) The Borrower shall also indemnify the Authority, Trustee and such Indemnified Persons for all reasonable costs and expenses, including reasonable counsel fees, incurred in: (i) enforcing any obligation of the Borrower under this Loan Agreement or any related agreement, (ii) taking any action requested by the Borrower, (iii) taking any action required by this Loan Agreement or any related agreement, or (iv) taking any action considered necessary by the Authority and which is authorized by this Loan Agreement or any related agreement. If the Authority is to take any action under this Loan Agreement or any other instrument executed in connection herewith for the benefit of the Borrower, it will do so if and only if (i) the Authority is a necessary party to any such action or proceeding, and (ii) the Authority has received specific written direction from the Borrower, as required hereunder or under any other instrument executed in connection herewith, as to the action to be taken by the Authority.

(d) All amounts payable to the Authority under this Section ___ shall be deemed to be fees and expenses payable to the Authority for the purposes of the provisions hereof and of the Indenture dealing with assignment of the Authority's rights hereunder. The Authority and its members, officers, agents, employees and their successors and assigns shall not be liable to the Borrower for any reason.

(e) Any provision of this Loan Agreement or any other instrument or document executed and delivered in connection therewith to the contrary notwithstanding, the Authority retains the right to (i) enforce any applicable federal or State law or regulation or resolution of the Authority, and (ii) enforce any rights accorded to the Authority by federal or State law or policy or procedure of the Authority, and nothing in this Loan Agreement shall be construed as an express or implied waiver thereof.

[In those instances where the Borrower is a Land Trust and the Real Obligors are the Beneficiaries and/or the Project is leased by the Borrower to an operating entity, the Authority will require the beneficiaries and lessee, as the case may be, to execute and deliver a guaranty in a form satisfactory to the Authority.]

3. Representations and Warranties of the Authority. The Authority represents and warrants that:

(a) The Authority is a body politic and corporate validly created and existing under the Act, is authorized to enter into the transactions contemplated by this Loan Agreement and to carry out its obligations hereunder, and has been duly authorized to execute and deliver this Loan Agreement;

(b) It is the Authority's understanding, based upon certain representations of the Borrower, that the issuance and sale of the Bonds and the lending of the proceeds of the Bonds to the Borrower (which proceeds, along with certain other moneys, will be applied for the benefit of the Borrower) is to provide a portion of the moneys required to **[Insert Uses]**;

- (c) To provide funds to lend to the Borrower for the purposes described in (b) above, the Authority has authorized its Bonds in the aggregate principal amount of \$ _____ **[Insert other Series, if any]** to be issued upon the terms set forth in the Indenture, under the provisions of which the Authority's interest in this Loan Agreement and the payments of principal, premium, if any, interest and other revenues hereunder (other than Unassigned Authority Rights) and under the Note are pledged and assigned to the Trustee as security for the payment of the principal of, premium, if any, and interest on the Bonds. The Authority covenants that it has not, and will not, pledged or assigned its interest in this Loan Agreement, or the revenue and receipts derived pursuant to this Loan Agreement, excepting Unassigned Authority Rights, other than to the Trustee under the Indenture to secure the Bonds.
- (d) To the best of its knowledge, no member of the Authority or officer, agent or employee thereof is, in his or her own name or in the name of a nominee, an officer, director or holder of an ownership interest of more than 7 1/2% in any person, association, trust, corporation, partnership or other entity which is, in its own name or in the name of a nominee, a party to any contract or agreement upon which the member or officer, agent or employee may be called upon to act or vote in connection with the Project.
- (e) To the best of its knowledge, no member of the Authority or officer, agent or employee thereof is, in his or her own name or in the name of a nominee, a holder of any direct or indirect interest (other than a prohibited interest described in paragraph (d) above) in any contract or agreement upon which the member or officer, agent or employee may be called upon to act or vote in connection with the Project, except for direct or indirect interests (other than prohibited interests), (i) which such member, officer, agent or employee has disclosed to the Secretary of the Authority prior to the taking of final action by the Authority with respect to such contract or agreement in the manner required by Section 845-45(b) of the Act, which disclosure has been publicly acknowledged by the Authority and entered upon the minutes of the Authority, and (ii) as to which the member, officer, agent or employee has refrained from taking the actions described in said Section 845-45(b).
- (f) Neither the Authority's execution of this Loan Agreement, its consummation of the transaction contemplated on its part thereby, nor the Authority's fulfillment or compliance with the terms and conditions thereof conflicts with or results in a breach of the terms, conditions and provisions of any material restriction, agreement or instrument to which the Authority is a party, or by which it or any of its property is bound, or constitutes a default under any of the foregoing.

4. **Representations and Warranties of the Borrower.**

[The Authority is aware, and expects, certain changes and additions to these representations and warranties where necessary to fit the particulars of the Act or the structure of the financing or when the Bond to be issued is an Industrial Revenue Bond, Multi-Family Housing Bond, or Environmental/Solid Waste/Pollution Control/Gas or Water Distribution Bond.]

The Borrower makes the following representations and warranties as the basis for its covenants herein:

- (a) The Borrower is a _____ duly incorporated under the laws of the State of _____, is in good standing and duly authorized to conduct its business in this State, is duly authorized and has full power under all applicable laws and its articles of incorporation and by-laws to create, issue, enter into, execute and deliver, as the case may be, this Loan Agreement, the Remarketing Agreement, the Tax Exemption Agreement, the Official Statement, the Bond Purchase Agreement and the Note **[Include any other relevant documents]** (collectively, the “Borrower Agreements”).
- (b) The execution and delivery of the Borrower Agreements on the Borrower’s part have been duly authorized by all necessary corporate action, and neither the Borrower’s execution and delivery of the Borrower Agreements, the Borrower’s consummation of the transactions contemplated on its part thereby, nor the Borrower’s fulfillment of or compliance with the terms and conditions thereof, conflicts with or results in a material breach of the articles of incorporation or by-laws of the Borrower or any material agreement or instrument to which the Borrower is now a party or by which it is bound (except for any such breaches for which the Borrower has obtained a waiver or a required consent), or constitutes a material default (or would constitute a material default with due notice or the passage of time or both) under any of the foregoing.
- (c) The Project (i) is comprised of the acquisition, construction, furnishing and equipping of facilities for use by the Borrower as a _____ and the Borrower presently intends to operate the Project for such purpose from the Completion Date to the expiration or earlier termination of this Loan Agreement, and (ii) constitutes a “_____” as defined in the Act. No portion of the Project includes any property used or to be used for sectarian instruction or study or as a place for devotional activities or religious worship or any property which is used or to be used primarily in connection with any part of the program of a school or department of divinity for any religious denomination.
- (d) No litigation, proceedings or investigations are pending or, to the knowledge of the Borrower, threatened against the Borrower seeking to restrain, enjoin or in any way limit the approval or issuance and delivery of the Borrower Agreements, or which would in any manner challenge or adversely affect the corporate existence or powers of the Borrower to enter into and carry out the transactions described in or contemplated by or the execution, delivery, validity or performance by the Borrower of the Borrower Agreements. In addition, except as described in the Official Statement, no litigation, proceedings or investigations are pending or, to the knowledge of the Borrower, threatened in writing against the Borrower, except litigation, proceedings or investigations involving claims for which the probable ultimate recoveries and the estimated costs and expenses of defense, in the opinion of management of the Borrower (i) will be entirely within the applicable insurance policy limits (subject to applicable deductibles) or are not in excess of the total of the available assets held under applicable self-insurance programs or (ii) will not have a material

adverse effect on the operations or condition, financial or otherwise, of the Borrower.

- (e) The Borrower is a Tax-Exempt Organization; the Borrower has received a determination letter from the Internal Revenue Service to the foregoing effect, which letter is still in full force and effect; and the Borrower has not declared and has not been determined to have any “unrelated business taxable income” as defined in Section 512 of the Code, in an amount which could have a material adverse effect on the Borrower’s status as a Tax-Exempt Organization, or which, if such income were subject to federal income taxation, would have a material adverse effect on the condition, financial or otherwise, of the Borrower.
- (f) The (i) consolidated audited financial statements of revenues, expenses and changes in net position of the Borrower for each of the fiscal years ended _____, 20__, 20__ and 20__ and the statement of net position as of _____, 20__, 20__ and 20__, all prepared and certified by _____ independent licensed certified public accountants, all included in the Official Statement, correctly and fairly present the financial condition of the Borrower as of said dates, and the results of the operations of the Borrower for each of such periods, respectively, all in accordance with generally accepted accounting principles consistently applied except as stated in the notes thereto, and there has been no material adverse change in the condition, financial or otherwise, of the Borrower since _____, 20__ from that set forth in the information so utilized except as disclosed in the Official Statement. **[This representation should be modified to cover interim financials, if applicable to the particular transaction.]**
- (g) The information used in the preparation of the financial statements referred to in paragraph (f) above, this Loan Agreement, the Tax Exemption Agreement and any other written statement furnished by the Borrower to the Authority (including the descriptions and information contained in the Official Statement relating to (i) the Borrower and the Project, (ii) the operations, financials and other affairs of the Borrower, (iii) the application by the Borrower of the proceeds to be received by it from the loan of the proceeds of the sale of the Bonds, and (iv) the participation by the Borrower in the transactions contemplated herein and in the Official Statement, and the material relating to the Borrower under the caption “Bondholders’ Risks”) do not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements contained therein or herein not misleading. There is no fact which is not disclosed in the Official Statement or otherwise disclosed by the Borrower to the Authority in writing which materially adversely affects or, so far as the Borrower can now foresee, will materially adversely affect the financial condition of the Borrower, the tax-exempt status of the Borrower, the ability of the Borrower to own and operate the Project or the Borrower’s ability to make payments on the Note and under this Loan Agreement when and as the same become due and payable.
- (h) Compliance by the Borrower with the provisions of the Borrower Agreements will not involve, to the extent applicable, any prohibited transaction within the meaning of the Employee Retirement Income

Security Act of 1974, as amended (herein sometimes referred to as “ERISA”), or Section 4975 of the Code. No “employee pension benefit plans”, that are subject to Title IV of ERISA (herein sometimes referred to as “Plans”), maintained by the Borrower, nor any trust created thereunder, have incurred any “accumulated funding deficiency” as defined in Section 302 of ERISA, to the extent applicable and the present value of all benefits vested under all Plans, if any, did not exceed, as of the last annual valuation date, the value of the assets of the Plans allocable to such vested benefits.

- (i) The Borrower has any and all necessary licenses and permits to occupy and operate its existing facilities and has obtained, will obtain or will cause to be obtained all necessary licenses and permits to acquire, occupy and operate the Project including, but not limited to, any Certificate of Need, as they become required. [*For transactions in which bond proceeds are being applied for new, project-related expenses*] [With respect to the construction of the Project with proceeds of the Bonds, the Borrower has complied with and will comply with the Illinois Prevailing Wage Act, 820 ILCS 130/1 to 130/12, to the extent required by the Act and other applicable laws.]
- (j) The representations and certifications contained in the Tax Exemption Agreement and the Project Certificate executed by the Borrowers on the Closing Date are true and correct, and are incorporated by reference herein.
- (k) No amounts shall be withdrawn from the Project Fund except to pay or to reimburse the Borrower for any Costs of the Project, or except as otherwise permitted in Section ___.

5. **Recording and Maintenance of Liens.**

- (a) The Borrower will, at its own expense, take all necessary action to maintain and preserve the liens and security interest of the [**Loan Agreement, Indenture, and any other relevant documents (collectively, the “Agreements”)**] so long as any principal, premium, if any, or interest on the Bonds remains unpaid.
- (b) The Borrower will, forthwith after the execution and delivery of the Agreements and thereafter from time to time, cause the Agreements, including any amendments thereof and supplements thereto, and any financing statements in respect thereof to be filed, registered and recorded in such manner and in such places as may be required by law in order to publish notice of and fully to perfect and protect (i) the lien and security interest thereof upon and the title of the Borrower to the Project, and (ii) the lien and security interest therein granted to the Trustee or Bond Purchaser, if any, to the rights, if any, of the Authority assigned under the Agreements, and from time to time will perform or cause to be performed any other act as provided by law and will execute or cause to be executed any and all continuation statements and further instruments necessary for such publication, perfection and protection. Except to the extent it is exempt therefrom, the Borrower will pay or cause to be paid all filing, registration and recording fees incident to such filing, registration and recording, and all expenses incident to the preparation, execution and acknowledgment

of such instruments of further assurance, and all federal or State fees and other similar fees, duties, imposts, assessments and charges arising out of or in connection with the execution and delivery of the Agreements and such instruments of further assurance.

- (c) The Authority shall have no responsibility for the preparation, filing or recording of any instrument, document or financing statement or for the maintenance of any security interest intended to be perfected thereby. The Authority will execute such instruments provided to it by the Borrower as may be reasonably necessary in connection with such filing or recording.

- 6. **Payment of Authority Fees.** The Borrower shall pay a one-time issuance fee of _____ to the Authority and the fee of its issuers counsel prior to or contemporaneously with the issuance of the Bonds.
- 7. **No Warranty by Authority.** THE BORROWER RECOGNIZES THAT THE AUTHORITY HAS NOT MADE AN INSPECTION OF THE BOND FINANCED PROPERTY OR OF ANY FIXTURE OR OTHER ITEM CONSTITUTING A PORTION THEREOF, AND THE AUTHORITY MAKES NO WARRANTY OR REPRESENTATION, EXPRESS OR IMPLIED OR OTHERWISE, WITH RESPECT TO THE SAME OR THE LOCATION, USE, DESCRIPTION, DESIGN, MERCHANTABILITY, CONDITION, WORKMANSHIP, OR FITNESS, SUITABILITY OR USE FOR ANY PARTICULAR PURPOSE, CONDITION OR DURABILITY THEREOF. THE BORROWER FURTHER RECOGNIZES THAT THE AUTHORITY HAS NO TITLE OR INTEREST TO ANY PART OF THE BOND FINANCED PROPERTY AND THAT THE AUTHORITY MAKES NO REPRESENTATIONS OR WARRANTIES OF ANY KIND AS TO THE BORROWER'S TITLE THERETO OR OWNERSHIP THEREOF OR OTHERWISE, IT BEING AGREED THAT ALL RISKS INCIDENT THERETO ARE TO BE BORNE BY THE BORROWER. IN THE EVENT OF ANY DEFECT OR DEFICIENCY OF ANY NATURE IN THE BOND FINANCED PROPERTY OR ANY FIXTURE OR OTHER ITEM CONSTITUTING A PORTION THEREOF, WHETHER PATENT OR LATENT, THE AUTHORITY SHALL HAVE NO RESPONSIBILITY OR LIABILITY WITH RESPECT THERETO. THE PROVISIONS OF THIS SECTION ___ HAVE BEEN NEGOTIATED AND ARE INTENDED TO BE A COMPLETE EXCLUSION AND NEGATION OF ANY WARRANTIES OR REPRESENTATIONS BY THE AUTHORITY, EXPRESS OR IMPLIED, WITH RESPECT TO THE PROJECT OR ANY FIXTURE OR OTHER ITEM CONSTITUTING A PORTION THEREOF, WHETHER ARISING PURSUANT TO THE UNIFORM COMMERCIAL CODE OF THE STATE OF ILLINOIS OR ANOTHER LAW NOW OR HEREAFTER IN EFFECT OR OTHERWISE.
- 8. **Assignment and Pledge of Authority's Rights; Obligations of Borrower Unconditional.** As security for the payment of the Bonds, the Authority will assign and pledge to the Trustee all right, title and interest of the Authority in and to this Loan Agreement and the Note, including the right to receive payments hereunder and thereunder (except its Unassigned Rights, including without limitation, the right to receive payment of expenses, fees, indemnification and the rights to make determinations and receive notices as herein provided under Sections ___ hereof), and hereby directs the Borrower to make said payments directly to the Trustee. The Borrower herewith assents to such assignment and pledge and will make payments directly to the Trustee without defense or set-off by reason of any

dispute between the Borrower and the Authority or Trustee, and hereby agrees that its obligation to make payments hereunder and to perform its other agreements contained herein are absolute and unconditional. Until the principal of and interest on the Bonds shall have been fully paid or provision for the payment of the Bonds made in accordance with the Indenture, the Borrower (a) will not suspend or discontinue any payments provided for in this Loan Agreement, (b) will perform all its other duties and responsibilities called for by this Loan Agreement, and (c) will not terminate this Loan Agreement for any cause including any acts or circumstances that may constitute failure of consideration, destruction of or damage to the Project, commercial frustration of purpose, any change in the laws of the United States or of the State or any political subdivision of either or any failure of the Authority to perform any of its agreements, whether express or implied, or any duty, liability or obligation arising from or connected with this Loan Agreement.

9. **Supplements and Amendments to Loan Agreement; Amendment of Liquidity Facility; Waivers.** Subject to the terms, conditions and provisions of Article ___ of the Indenture, the Borrower and the Authority may from time to time enter into supplements and amendments to this Loan Agreement. The Liquidity Facility may from time to time be modified in accordance with Section _____ of the Indenture. An executed copy of any of the foregoing amendments, changes or modification shall be filed with the Trustee. The Trustee may grant such waivers of compliance by the Borrower with provisions of this Loan Agreement as to which the Trustee may deem necessary or desirable to effectuate the purposes or intent hereof and which, in the opinion of the Trustee, do not have a material adverse effect upon the interests of the Bondholders, provided that the Trustee shall file with the Authority any and all such waivers granted by the Trustee within three (3) business days thereof.
10. **Authority's and Trustee's Right of Access to the Project.** The Borrower agrees that during the term of this Loan Agreement the Authority, Trustee, and their duly authorized agents shall have the right, but shall be under no duty or obligation to exercise this right, during regular business hours, with reasonable notice, to enter upon the premises and examine and inspect the Project, subject to such limitations, restrictions and requirements as the Borrower may reasonably prescribe.
11. **Maintenance and Repair; Insurance.** The Borrower will maintain the Project in a safe and sound operating condition; making from time to time all needed material repairs thereto, and shall maintain reasonable amounts of insurance coverage with respect to the Project and shall pay all costs of such maintenance, repair and insurance. **[This provision is not intended to prohibit self-insurance, provided that it is adequately funded, determined by the Authority.]**
12. **Annual Certificate.** For each year that the Loan Agreement remains in effect, the Borrower will furnish to the Authority and Trustee on or before January 31 of each succeeding year, a certificate of the Borrower, signed by an Authorized Borrower Representative, stating that (i) the Borrower has made a review of its activities during the preceding calendar year for the purpose of determining whether or not the Borrower has complied with all federal tax and federal securities law requirements relating to the bond issue and has determined that the Borrower is in compliance with all requirements, (ii) the Borrower's post-issuance compliance

policy contains at least: (a) an identification of a responsible officer or officers for bond compliance, (b) procedures for record retention, including a requirement to maintain records for the entire Record Retention Period (generally, four years after the date on which the last bond of the issue is retired), (c) procedures to assure that the arbitrage yield restriction and rebate requirements are met, and (d) procedures to take remedial action, if required, including acknowledgement of the voluntary closing agreement program of the Internal Revenue Service, (iii) the Borrower is in compliance with its post-issuance compliance policy, (iv) the Borrower has made a review of its activities during the preceding calendar year for the purpose of determining whether or not the Borrower has complied with all of the terms, provisions and conditions of this Loan Agreement, (v) the Borrower has kept, observed, performed and fulfilled each and every covenant, provision and condition of this Loan Agreement on its part to be performed, and (vi) the Borrower is not in default in the performance or observance of any of the covenants, provisions or conditions hereof, or if the Borrower shall be in default, such certificate shall specify all such defaults and the nature thereof.

No delay or omission to exercise any right or power accruing upon any Event of Default hereunder shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient.

- 17. **Governing Law.** This Loan Agreement shall be governed exclusively by and construed in accordance with the internal laws of the State of Illinois applicable to contracts to be wholly performed therein.

18. **Term of this Loan Agreement.** This Loan Agreement shall be in full force and effect from the date hereof, and shall continue in effect until the payment in full of all principal of, premium, if any, and interest on the Bonds, or provision for the payment thereof shall have been made pursuant to Article ___ of the Indenture; all fees, charges, indemnities and expenses of the Authority, Trustee, Bond Registrar and Remarketing Agent have been fully paid or provision made for such payment (the payment of which fees, charges, indemnities and expenses shall be evidenced by a written certification of the Borrower that it has fully paid or provided for all such fees, charges, indemnities and expenses); and all other amounts due hereunder and under the Note have been duly paid or provision made for such payment. All representations, certifications and covenants by the Borrower as to the indemnification of various parties and the payment of fees and expenses of the Authority as described in Section ___ hereof, and all matters affecting the tax-exempt status of the Bonds shall survive the termination of this Loan Agreement.
19. **Indenture Provisions.** The Indenture provisions concerning the Bonds and other matters therein are an integral part of the terms and conditions of the loan made by the Authority to the Borrower pursuant to this Loan Agreement, and the execution of this Loan Agreement shall constitute conclusive evidence of approval of the Indenture by the Borrower to the extent it relates to the Borrower. Additionally, the Borrower agrees that whenever the Indenture, by its terms, imposes a duty or obligation upon the Borrower, such duty or obligation shall be binding upon the Borrower to the same extent as if the Borrower were an express party to the Indenture, and the Borrower hereby agrees to carry out and perform all of its obligations under the Indenture as fully as if the Borrower were a party to the Indenture.
20. **Borrower Required to Pay Costs in the Event Project Fund Insufficient.** In the event the money in the Project Fund available for payment of the costs of the Project shall not be sufficient to make such payment in full, the Borrower agrees to pay directly, or to deposit moneys in the Project Fund for the payment of, such costs of completing the Project as may be in excess of the moneys available therefor in the Project Fund. THE AUTHORITY DOES NOT MAKE ANY WARRANTY OR REPRESENTATION, EITHER EXPRESS OR IMPLIED, THAT THE MONEYS WHICH WILL BE DEPOSITED INTO THE PROJECT FUND CREATED UNDER THE INDENTURE, AND WHICH UNDER THE PROVISIONS OF THIS LOAN AGREEMENT WILL BE AVAILABLE FOR PAYMENT OF THE COSTS OF THE PROJECT, WILL BE SUFFICIENT TO PAY ALL OF THE COSTS WHICH WILL BE INCURRED IN CONNECTION THEREWITH. The Borrower agrees that if, after exhaustion of the moneys in the Project Fund, the Borrower should pay, or deposit monies in the Project Fund for the payment of, any portion of the costs of the Project pursuant to the provisions of this Section ___, it shall not be entitled to any reimbursement therefor from the Authority, Trustee, Credit Entity or owners of any of the Bonds, nor shall they be entitled to any diminution of the amounts payable under Section ___ hereof.
21. **Default by the Authority - Limited Liability.** Notwithstanding any provision or obligation to the contrary set forth herein, no provision of this Loan Agreement shall be construed so as to give rise to a pecuniary liability of the Authority or to give rise to a charge upon the general credit of the Authority, the liability of the Authority hereunder shall be limited to its interest in the Project, this Loan Agreement, the Note, and all other related documents and collateral and the lien of any judgment shall be restricted thereto. In the performance of the agreements of

the Authority herein contained, any obligation it may incur for the payment of money shall not be a debt of the Authority, nor shall the Authority be liable on any obligation so incurred. The Authority does not assume general liability for the repayment of the bonds or for the costs, fees, penalties, taxes, interest, commissions, charges, insurance or any other payments recited herein, and shall be obligated to pay the same only out of the amounts payable by the Borrower hereunder. The Authority shall not be required to do any act whatsoever or exercise any diligence whatsoever to mitigate the damages to the Borrower if a default shall occur hereunder.

22. **Additional Payments.** The Borrower will also pay the following within 30 days after receipt of an invoice therefor:
- (a) The reasonable fees and expenses of the Authority in connection with and as provided in this Loan Agreement and the Bonds, with such fees and expenses to be paid directly to the Authority or as otherwise directed in writing by the Authority;
 - (b) (i) The fees and expenses of the Trustee and all other fiduciaries and agents serving under the Indenture (including any expenses in connection with any redemption of the Bonds), and (ii) all fees and expenses, including attorneys' fees, of the Trustee for any extraordinary services rendered by it under the Indenture. All such fees and expenses are to be paid directly to the Trustee or other fiduciary or agent for its own account as and when such fees and expenses become due and payable; and
 - (c) All other reasonable fees and expenses incurred in connection with the issuance of the Bonds.

23. **Completion Certificate.** The Corporation will deliver to the Bond Trustee and the Authority within 90 days after the completion of the Project (or the portion thereof which is being financed with the proceeds of the Bonds) a certificate of the Corporation certifying:

- (a) that the Project (or portion thereof) has been completed;
- (b) that the Project (or portion thereof) has been completed in accordance with the Plans and Specifications, the Schedule, and the date of completion;
- (c) if any item was added, deleted or substituted from the Project as described in the Project Certificate Exhibit, the average reasonably expected economic life of the Bond Financed Property recalculated as follows:
 - (i) any item which was not originally listed on the Project Certificate Exhibit but for which a draw was made from the Project Fund shall be included in the Project Certificate Exhibit and the Obligated Group Agent shall specify the reasonably expected economic life to the Users of the additional item, the date on which such additional item was placed in service, and the original cost thereof;

(ii) any item which was originally listed on such Project Certificate Exhibit but which the Corporation subsequently deleted from the Project pursuant to an amendment to the Project Documents shall be deleted from such Project Certificate Exhibit; and

(iii) all other items shall be assumed to have the economic life and the cost originally assigned to them on the Closing Date as reflected on such Project Certificate Exhibit;

(d) that the Project or portion thereof (to the extent of the Plans and Specifications and Schedule) has been fully paid for and no claim or claims exist against the Authority or the Users or against such Project out of which a lien based on furnishing labor or material exists or might, with the passage of time or the giving of notice, ripen; *provided, however,* there may be excepted from the foregoing statement any claim or claims out of which a lien exists or might, with the passage of time or the giving of notice, ripen in the event that the applicable User intends to contest such claim or claims, in which event such claim or claims shall be described; *provided* that sufficient funds are on deposit in the Project Fund or are available to the Users through enumerated bank loans, including letters of credit, or state or federal grants (as certified by the Obligated Group Agent) or other funds of the Users for the Project sufficient to make payment of the full amount which might in any event be payable in order to satisfy such claim or claims in which event such claim or claims shall be described.

C. **INDENTURE**

1. **Limited Obligation.** The Bonds, together with all principal and interest thereon and premium, if any, with respect thereto, are special, limited obligations of the Authority secured by the Loan Agreement and the Note **[and any and all other relevant documents/security]** and shall always be payable solely from the revenues and income derived from the Loan Agreement and the Note **[and any and all other relevant documents/security]** (except to the extent paid out of moneys attributable to proceeds of the Bonds, the income from the temporary investment thereof or payments made pursuant to or derived from a mortgage or assignment of leases and rents or credit enhancement device), are and shall always be a valid claim of the owner thereof only against the revenues and income derived from the Loan Agreement and the Note **[and any other instruments assigned to or held by the Trustee or Bond Purchaser]**, which revenues and income shall be used for no other purpose than to pay the principal installments of, premium, if any, and interest on the Bonds, except as may be otherwise expressly authorized in this Indenture or Final Bond Resolution and in the Loan Agreement.

The Bonds and the obligation to pay principal and interest thereon and any premium with respect thereto do not now and shall never constitute an indebtedness or an obligation of the State of Illinois or any political subdivision thereof, within the purview of any constitutional or statutory limitation or provision, or a charge against the general credit or taxing powers, if any, of any of them, but shall be secured as aforesaid, and shall be payable solely from the revenues and income derived from the Loan Agreement and the Note **[and any other relevant document/security]** (except as stated aforesaid). No owner of the Bonds shall have the right to compel the exercise of the taxing power, if any, of the State of Illinois or any political subdivision thereof to pay any principal installment of, redemption premium, if any, or interest on the Bonds. The Authority does not have the power to levy taxes for any purposes whatsoever.

2. **Execution.** The Bonds shall be executed on behalf of the Authority with the manual or facsimile signature of its Chairperson (or other officer of the Authority so authorized) and shall have impressed or imprinted thereon the official seal of the Authority or a facsimile thereof and shall be attested by the manual or facsimile signature of its Secretary or any Assistant Secretary. All authorized facsimile signatures shall have the same force and effect as if manually signed. In case any official whose signature or a facsimile of whose signature shall appear on the Bonds shall cease to be such official before the delivery of such Bonds, such signature or such facsimile shall nevertheless be valid and sufficient for all purposes, the same as if such official had remained in office until delivery. The Bonds may be signed on behalf of the Authority by such persons who, at the time of the execution of such Bonds, are duly authorized or hold the appropriate office of the Authority, although on the date of the Bonds such persons were not so authorized or did not hold such offices.
3. **No Recourse.** No recourse shall be had for the payment of the principal of, premium, if any, and interest on any of the Bonds or for any claim based thereon or upon any obligation, covenant or agreement contained in the Indenture or Loan Agreement or Bond Purchase Agreement against any past, present or future member, officer, agent or employee of the Authority, or any incorporator, member, officer, employee, director or trustee of any successor corporation, as such, either directly or through the Authority or any successor corporation, under any rule of

law or equity, statute or constitution or by the enforcement of any assessment or penalty or otherwise, and all such liability of any such incorporator, member, officer, employee, director, agent or trustee as such is hereby expressly waived and released as a condition of and consideration for the execution of this Indenture or the Loan Agreement and the issuance of the Bonds.

4. **Performance of Covenants; Authority.** The Authority covenants that it will faithfully perform on its part at all times any and all covenants, undertakings, stipulations and provisions contained in this Indenture, in any and every Bond executed, authenticated and delivered hereunder and in all of its proceedings pertaining thereto; provided, however, that except for the matters set forth in any documents hereof relating to payment of the Bonds, the Authority shall not be obligated to take any action or execute any instrument pursuant to any provision hereof until it shall have been requested to do so by the Borrower or by the Trustee, or shall have received the instrument to be executed and at the option of the Authority shall have received from the party requesting such action or execution assurance satisfactory to the Authority that the Authority shall be reimbursed for its reasonable expenses, including legal counsel fees, incurred or to be incurred in connection with taking such action or executing such instrument. The Authority covenants that it is duly authorized under the Constitution and the laws of the State, including particularly the Act and the Final Bond Resolution to issue the Bonds authorized hereby and to execute this Indenture, to grant the security interest herein provided, to assign and pledge the Loan Agreement and the Note (except as otherwise provided herein) and to assign and pledge the amounts hereby assigned and pledged in the manner and to the extent herein set forth, that all action on its part for the issuance of the Bonds and the execution and delivery of this Indenture has been duly and effectively taken, and that the Bonds in the hands of the owners thereof are and will be valid and enforceable obligations of the Authority according to the terms thereof and hereof. Anything contained in this Indenture to the contrary notwithstanding, it is hereby understood that none of the covenants of the Authority contained in this Indenture are intended to create a general obligation of the Authority.

5. **Recordation and Other Instruments.** In order to perfect the security interest of the Trustee in the Trust Estate and to perfect the security interest in the Note, the Authority, to the extent permitted by law, will execute such security agreements or financing statements, naming the Trustee as assignee and pledgee of the Trust Estate assigned and pledged under this Indenture for the payment of the principal of, premium, if any, and interest on the Bonds and as otherwise provided herein, and the Trustee or Borrower, as the case may be, will cause the same to be duly filed and recorded, as the case may be, in the appropriate State and county offices as required by the provisions of the Uniform Commercial Code or other similar law as adopted in the State, as from time to time amended. To continue the security interest evidenced by such security agreements or financing statements, the Trustee or Borrower, as the case may be, shall file and record or cause to be filed and recorded such necessary continuation statements or supplements thereto and other instruments from time to time as may be required pursuant to the provisions of the said Uniform Commercial Code or other similar law to fully preserve and protect the security interest of the Trustee in the Trust Estate and to perfect the security interest in the Note. The Authority, to the extent permitted by law, at the expense of the Borrower, shall execute and cause to be executed any and all further instruments as shall be reasonably required by the Trustee **[or Credit Provider]** for such protection and perfection of the interests of the Trustee, the

registered owners [or Credit Provider,] and the Trustee, Borrower [or Credit Provider] or its agent, as the case may be, shall file and refile or cause to be filed and refiled such instruments which shall be necessary to preserve and perfect the lien of this Indenture upon the Trust Estate until the principal of, premium, if any, and interest on the Bonds issued hereunder shall have been paid or provision for their payment shall be made as herein provided.

6. **Prohibited Activities.** Subject to the limitations on its liability as stated herein and to the extent permitted by law, the Authority covenants and agrees that it has not knowingly engaged and will not knowingly engage in any activities and that it has not knowingly taken and will not knowingly take any action which might result in any interest on the Bonds becoming includable in the gross income of the owners thereof for purposes of Federal income taxation.
7. **Fees, Charges and Expenses of the Trustee, the Bond Registrar and the Authority.** The Trustee, Bond Registrar and Authority shall be entitled to payment and reimbursement for reasonable fees for their respective services rendered hereunder and all advances, counsel fees and other expenses reasonably made or incurred by the Trustee, Bond Registrar and Authority in connection with such services and in connection with entering into this Indenture, including any such fees and expenses incurred in connection with action taken hereunder.
8. **Appointment of Successor Trustee, Bond Registrar or Tender Agent by Bondholders or the Authority.** In the event that the Trustee, Bond Registrar or Tender Agent hereunder shall give notice of resignation or be removed, or be dissolved, or shall be in the course of dissolution or liquidation, or otherwise become incapable of acting hereunder, or in case it shall be taken under the control of any public office or offices, or of a receiver appointed by a court, the Borrower may (to the extent that no "Event of Default" shall have occurred and be continuing under the Loan Agreement), with the prior written consent of the Authority and the Credit Provider, appoint a successor Trustee and shall confirm such appointment in writing delivered personally or sent by first class mail, postage prepaid, to the Authority, retiring Trustee, successor Trustee, Bond Registrar or successor Bond Registrar, Tender Agent or successor Tender Agent, Borrower, Bank and Remarketing Agent.

In the event that Bond Registrar or Tender Agent hereunder shall give notice of resignation or be removed, or be dissolved, or shall be in the course of dissolution or liquidation, or otherwise become incapable of acting hereunder, or in case it shall be taken under the control of any public office or offices, or of a receiver appointed by a court, to the extent that an "Event of Default" shall have occurred and be continuing under the Loan Agreement, a successor may be appointed by the owners of a majority in aggregate principal amount of Bonds then outstanding, by an instrument or concurrent instruments in writing signed by such owners, or by their duly authorized attorneys in fact, a copy of which shall be delivered personally or sent by first class mail, postage prepaid, to the Authority, retiring Trustee, successor Trustee, Bond Registrar or successor Bond Registrar, Tender Agent or successor Tender Agent, Borrower, Bank and Remarketing Agent.

Pending such appointment by the Borrower or the Bondholders, the Authority may, with the consent of the Borrower (to the extent that no "Event of Default" shall have occurred and be continuing under the Loan Agreement) and the Credit Provider, appoint a temporary successor Trustee, Bond Registrar or Tender Agent by an instrument in writing signed by an authorized officer of the Authority, a copy of which shall be delivered personally or sent by first class mail, postage prepaid, to the retiring Trustee, successor Trustee, Bond Registrar or successor Bond Registrar, Tender Agent or successor Tender Agent, Borrower, Bank and Remarketing Agent. If no permanent successor Trustee shall have been appointed by the Borrower or the [Bondholders] within the six calendar months next succeeding the month during which the Authority appoints such a temporary Trustee, such temporary Trustee shall without further action on the part of the Authority or the [Bondholders] become the permanent successor Trustee.

If the Borrower, the registered owners or the Authority fail to so appoint a successor Trustee (whether permanent or temporary), Bond Registrar or Tender Agent hereunder within forty-five (45) days after the Trustee, Bond Registrar or Tender Agent has given notice of its resignation, has been removed, has been dissolved, has otherwise become incapable of acting hereunder or has been taken under control by a public officer or receiver, the Trustee, Bond Registrar or Tender Agent shall have the right to petition a court of competent jurisdiction to appoint a successor hereunder. Every such Trustee, Bond Registrar or Tender Agent appointed pursuant to the provisions of this Section ___ shall be a trust company or bank organized and in good standing under the laws of Illinois or any state or the District of Columbia and have a combined capital and surplus of not less than \$50,000,000 as set forth in its most recent published annual report of condition, or alternatively, a liability policy having the type of coverage and in an amount acceptable to the Authority and the Borrower. Every such Trustee shall have an operations group of at least four (4) experienced trust officers, with primary responsibility for municipal bond issues and shall have at least 25 municipal bond indentures aggregating at least \$25,000,000 under its administration.

[Notwithstanding any of the provisions of this Article ___ to the contrary concerning the resignation or removal of the Trustee or the appointment of a successor Trustee, no such resignation, removal or appointment shall be effective until the Bank shall have issued and delivered to the successor Trustee (i) a substitute Letter of Credit in favor of the successor Trustee in substantially the same form as the existing Letter of Credit, or (ii) an amendment to the existing Letter of Credit, evidencing transfer thereof in all respects to the successor Trustee, to the extent permitted by law and by the terms of the Letter of Credit.]

[The Authority will consider a request from the Borrower that it retain the right to remove and appoint the Trustee provided there is no default. Such request should be made to the Authority's General Counsel.]

9. **Amendments of Loan Agreement Not Requiring Consent of Bond Owners; Waivers.**

Subject to the terms and provisions of Sections ___ of this Indenture, the Authority and the Borrower may amend or modify the Loan Agreement, or any provision thereof, or may consent to the amendment or modification thereof, in any manner not inconsistent with the terms and provisions of this Indenture, for any one or more of the following purposes: (a) to cure any ambiguity or formal defect in the

Loan Agreement; (b) to grant to or confer upon the Authority or Trustee, for the benefit of the Bond Owners, any additional rights, remedies, powers or authorities that lawfully may be granted to or conferred upon the Authority or the Trustee; (c) to amend or modify the Loan Agreement, or any part thereof, in any manner specifically required or permitted by the terms thereof, including, without limitation, as may be necessary to maintain the exclusion from gross income for purposes of federal income taxation of the interest on the Bonds; (d) to provide that the Bonds may be secured by a Credit Facility or other additional security not otherwise provided for in the Indenture or the Loan Agreement; (e) to modify, amend or supplement the Loan Agreement, or any part thereof, or any supplement thereto, in such manner as the Trustee, Borrower [and Remarketing Agent][*if applicable*] deem necessary in order to comply with any statute, regulation, judicial decision or other law relating to secondary market disclosure requirements with respect to tax-exempt obligations of the type that includes the Bonds; (f) to provide for the appointment of a successor securities depository; (g) to provide for the availability of certificated Bonds; (h) to provide for changes in the components of the Project, to the extent permitted by this Indenture and the Loan Agreement; (i) to provide for the addition of any interest rate mode, including, without limitation, an auction rate mode, or to provide for the modification or deletion of any interest rate mode so long as no Bonds will be operating in the interest rate mode when it is to be so modified or deleted, or to amend, modify or alter the interest rate setting provisions, tender provision or conversion provisions for any then existing interest rate mode so long as no Bonds will be operating in the interest mode when such provisions are to be so amended, modified or altered; provided that, in each case, there is delivered to the Trustee an opinion of Bond Counsel stating that any such addition, deletion, amendment, modification or alteration will not adversely affect any exclusion from gross income for purposes of federal income taxation of interest on the Bonds; and (j) to make any other change which does not, in the opinion of the Trustee, have a material adverse effect upon the interests of the Bondholders. In addition, subject to the terms and provisions contained in Section ___ hereof, the Trustee, may grant such waivers of compliance by the Borrower with the provisions of the Loan Agreement as to which the Trustee may deem necessary or desirable to effectuate the purposes of the intent of the Loan Agreement and which, in the opinion of the Trustee, do not have a material adverse effect upon the interests of the Bondholders, provided that the Trustee shall file with the Authority any and all such waivers granted by the Trustee within three (3) business days thereof.

1. **Rule 15c2-12.**

The Authority and Borrower hereby certify that the Preliminary Official Statement, as of its date, was deemed final by the Authority and the Borrower for purposes of Rule 15c2-12, except for the omission of such information which is dependent upon the final pricing of the Bonds for completion, provided that the Authority makes the representations in this paragraph only with respect to information contained under the captions "THE AUTHORITY" and "LITIGATION - The Authority" in the Preliminary Official Statement and the Official Statement. The Borrower hereby approves the form of and authorizes the Underwriter to prepare, use and distribute the Official Statement in final form in connection with the public offering and sale of the Bonds. The Borrower agrees to execute the Official Statement in such final form as soon as possible at the discretion of the Underwriter. The Borrower agrees to provide to the Underwriter, within seven (7) Business Days of the date hereof, sufficient copies of the Official Statement to enable the Underwriter to comply with the requirements of Rule 15c2-12(b)(4) of the Securities and Exchange Commission under the Securities Exchange Act of 1934, as amended, and with the requirements of Rule G-32 of the Municipal Securities Rulemaking Board. If, between the date of this Bond Purchase Agreement and the date which is the "end of the underwriting period", any event shall occur which might or would cause the Official Statement to contain any untrue statement of a material fact or to omit to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, the Borrower shall notify the Underwriter and if, in the opinion of the Underwriter or Authority, such event requires the preparation and publication of a supplement or amendment to the Official Statement, the Borrower will supplement or amend the Official Statement in a form and in a manner approved by the Underwriter and the Authority. If the Official Statement is so supplemented or amended prior to the Closing, such approval by the Underwriter and Authority of a supplement or amendment to the Official Statement shall not preclude the Underwriter from thereafter terminating this Bond Purchase Agreement if, in the reasonable judgment of the Underwriter such amendment or supplement has or will have a material adverse effect on the marketability of the Bonds.

2. **Representations, Warranties and Covenants of the Authority.** The Authority represents and warrants to and covenants with the Purchaser and the Borrower that:

- (a) The Authority is a body politic and corporate of the State of Illinois (the "State") created and existing under the Illinois Finance Authority Act, as amended from time to time (the "Act").
- (b) The Authority is authorized under the laws of the State, including particularly the Act, to (i) issue the Bonds for the purposes for which they are to be issued, as set forth in the Official Statement; (ii) lend the proceeds of the Bonds to the Borrower for the purposes set forth in the Loan Agreement; (iii) enter into this Bond Purchase Agreement, the Indenture, Loan Agreement and Tax Exemption Agreement; and (iv) pledge and assign to the Trustee the payments to be made by the Borrower on the Note and the Authority's rights under the Loan Agreement

Under no circumstances shall the Bonds and the interest thereon be or become an indebtedness or obligation of the State, within the purview of any constitutional or statutory limitation or provision, or a charge against the credit of, or a pledge of the taxing power of, the State or any political subdivision thereof payable from any sources other than the receipts, revenues and income derived pursuant to the Loan Agreement and related documents. The Bonds shall be limited obligations of the Authority, and no taxes are required to be levied for the payment of the principal of, premium, if any, and interest on the Bonds; such principal of, premium, if any, and interest on the Bonds being payable (except as otherwise provided in the Indenture) solely out of receipts, revenues and income to be received by the Authority as proceeds from the sale of the Bonds or payments or prepayments to be made on the Note pledged under the Indenture, from receipts, revenues and income payable under the Loan Agreement, from certain receipts, revenues and income on deposit with the Trustee pursuant to the Indenture and from certain income, if any, from the temporary investment of any of the foregoing. provided, no representation is made with respect to federal or State securities laws, rules or regulations.

- (f) The information relating to the Authority under the headings “THE AUTHORITY” and “LITIGATION - The Authority” contained in the Official Statement as of its date will not, and as of the date of the Closing will not, contain any untrue statement of a material fact or omit to state a material fact required to be stated therein, or necessary to make the statements made therein, in light of the circumstances under which they were made, not misleading.
- (g) Except as may be set forth in the Official Statement, there is no action, suit, proceeding, inquiry or investigation at law or in equity or before or by any court, public board or body pending or, to the knowledge of the Authority, threatened against or affecting the Authority (as to which the Authority has received service of process) or, to the actual knowledge of the Authority, threatened against or affecting the Authority (or to the actual knowledge of the Authority, any meritorious basis therefor) wherein an unfavorable decision, ruling or finding (i) would adversely affect the transactions contemplated herein or in the Official Statement, (ii) the validity or enforceability against the Authority of the Bonds, Indenture, Loan Agreement, Tax Exemption Agreement, this Bond Purchase Agreement or any other agreement or instrument to which the Authority is a party and which is used or contemplated for use in the consummation by the Authority of the transactions contemplated herein or in the Official Statement or (iii) question the exclusion of the interest on the Bonds from gross income for federal income tax purposes.
- (h) Neither the corporate existence of the Authority nor the right of the members of the Authority to their offices nor the title of the officers of the Authority to their respective offices are being contested and no grant of authority or outcome of proceeding of the Authority for the issuance of the Bonds has been repealed, revoked or rescinded.
- (i) The Authority agrees to cooperate reasonably with the Underwriter and its counsel in any endeavor to qualify the Bonds for offering and sale under the securities or “blue sky” laws of such jurisdictions of the United States as the Underwriter may request; provided, however, that the Authority shall not be required with respect to the offer or sale of the Bonds to consent to suit or to consent to service of process in any jurisdiction or take any action which it deems unreasonably burdensome and shall not be deemed to have made any representations with regard to securities or “blue sky” laws of any state or the securities laws of the United States. The Authority consents to the use by the Purchaser of drafts of the Official Statement prior to the availability of the Official Statement in obtaining such qualification, subject to the right of the Authority to withdraw such consent for cause by written notice to the Purchaser. The Authority shall not be obligated to pay any expenses or costs (including legal fees) incurred in connection with such qualification.

[The Authority will consider a request to consent to suit or service of process in another jurisdiction, if and only if, doing so is materially necessary to the financing and the Authority receives

the following indemnification: “In addition to the other provisions of this Section ____, the Underwriter agrees to pay, indemnify and hold harmless the Authority and each Indemnified Party from and against all costs, losses, fees, claims, expenses, damages or injuries related to the Authority’s consent to suit or service of process in any jurisdiction on account of the issuance of the Bonds, whether pursuant to the execution of a Form U-2 or otherwise. Such indemnification shall include, without limitation, any legal fees or travel expenses incurred by the Authority or any Indemnified Party necessary to appear before or defend a matter in any court, agency or tribunal in connection with the Bonds.” The Authority will make a decision on such a request as it deems appropriate in its sole discretion.]

- (j) Any certificate signed by an authorized officer of the Authority and delivered to the Purchaser shall be deemed a representation and warranty by the Authority to the Purchaser as to the statements made therein.

3. Representations, Warranties and Covenants of the Borrower.

[The Authority is aware, and expects, certain changes and additions to these representations and warranties where necessary to fit the particulars of the Act and/or the structure of a financing and when the Bond to be issued is an Industrial Revenue Bond, Multi-Family Housing Bond, or Environmental/Solid Waste/Pollution Control/Water and Gas Distribution Bond.]

In order (i) to induce the Purchaser to enter into this Bond Purchase Agreement and (ii) to induce the Authority to enter into the Indenture, Loan Agreement, Tax Exemption Agreement and this Bond Purchase Agreement and to issue the Bonds for the purposes stated above, with full acknowledgment and appreciation that the investment value of the Bonds and the ability of the Authority to sell and the Purchaser to resell the Bonds are dependent upon the credit standing of the Borrower, and in consideration of the foregoing and of the execution and delivery of this Bond Purchase Agreement by the other parties hereto, the Borrower represents and warrants and covenants with the Authority and the Purchaser that:

- (a) The Borrower is a _____ duly incorporated and validly existing and in good standing under the laws of _____ and has all necessary material licenses and permits required to date to carry on its business and to operate the Project. The Borrower has not received any notice of an alleged violation and, to the best of its knowledge, the Borrower is not in violation of any zoning, land use or other similar law or regulation applicable to any of its Project which would materially adversely affect the operations or financial condition of the Borrower. The Borrower has the full right, power and authority to approve, or enter into and deliver the Official Statement, Loan Agreement, Tax Exemption Agreement, Note, Continuing Disclosure Agreement, Remarketing Agreement, Mortgage and this Bond Purchase Agreement (collectively, the “Borrower Agreements”) and to perform other acts and things as provided for in each of the foregoing.

- (b) The execution and delivery by the Borrower of the Borrower Agreements and the other documents contemplated herein and therein and the compliance with the provisions of any and all of the foregoing documents and the application of the proceeds of the Bonds, together with certain other moneys, for the purposes described in the Official Statement, do not and will not conflict with or result in the breach of any of the terms, conditions or provisions of, or constitute a default under, the Articles of Incorporation, as amended, or the by-laws, as amended, of the Borrower or any other material agreement, indenture, mortgage, lease or instrument by which the Borrower or any of its respective property is bound or any existing law or court or administrative regulation, decree or order which is applicable to the Borrower or its property.
- (c) To the best of its knowledge, no default, event of default or event which, with notice or lapse of time, or both, would constitute a default or an event of default under the Borrower Agreement or any other material agreement or material instrument to which the Borrower is a party or by which it is or may be bound or to which any of its respective property is or may be subject has occurred and is continuing.
- (d) The Borrower has duly authorized all necessary action required to be taken by it for (i) the issuance and sale of the Bonds by the Authority upon the terms and conditions set forth herein, in the Official Statement and in the Indenture, (ii) the approval of the Bonds and the Indenture, (iii) the approval and execution of the Official Statement and (iv) the execution, delivery and performance of the Borrower Agreements and any and all such other agreements and documents as may be required to be executed, delivered and performed by the Borrower in order to carry out, effectuate and consummate the transactions contemplated on the Borrower's part by the Borrower Agreements and by the Official Statement.
- (e) At the Closing, no liens, encumbrances, covenants, conditions and restrictions, if any, will be then-existing (not otherwise previously disclosed to the Underwriter or created on the date thereof pursuant to the Borrower Agreements) which would interfere with or impair the operation, or materially adversely affect the value, of the Project or the Borrower's other assets, given the purposes for which the same are being used.
- (f) The Official Statement did not, as of its date, and will not as of the date of the Closing, contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements made therein, in light of the circumstances under which they are made, not misleading; provided, however, that the Borrower makes no representation or warranty as to the statements and information contained in the Official Statement under the captions "THE AUTHORITY", "THE SERIES 20__ BONDS – Global Book-Entry System – General", "REMARKETING AGENT", "LITIGATION – The Authority", "TAX MATTERS", "RATINGS" and "UNDERWRITING", except to the extent that information under such captions was based upon information supplied by, or solely within the knowledge of, the Borrower. The Borrower hereby consents to the use of the Official Statement in connection with the solicitation of purchases of the Bonds by the Underwriter and confirms that

it has consented to the use the Preliminary Official Statement for such purpose prior to the availability of the Official Statement.

- (g) The Borrower will not take or omit to take any action which will in any way cause or result in the proceeds of the sale of the Bonds being applied in a manner other than as provided in the Indenture, Loan Agreement, Tax Exemption Agreement or as described in the Official Statement.
- (h) Except as may be described in the Official Statement, there is no action, suit, proceeding, inquiry or investigation at law or in equity or before or by any public board or body pending or, to the knowledge of the Borrower, threatened against or affecting the Borrower, or to the knowledge of the Borrower any meritorious basis therefor, wherein an unfavorable decision, ruling or finding would have a material adverse affect on the financial condition of the Borrower, the operation by the Borrower of its facilities and the transactions contemplated by the Borrower Agreements and the Official Statement or the tax-exempt status of the Borrower or would have an adverse affect on the validity or enforceability of the Borrower Agreements or any other agreement or instrument by which the Borrower is or may be bound or would in any way contest the corporate existence or powers of the Borrower.
- (i) This Bond Purchase Agreement is, and upon their execution and delivery of the other Borrower Agreements will be, the legal, valid and binding obligations of the Borrower enforceable in accordance with their respective terms (subject to any applicable bankruptcy, reorganization, insolvency, moratorium or other laws affecting the enforcement of creditors' rights generally from time to time in effect and to applicable legal principles and procedural requirements if equitable and other specific remedies are sought and subject to the qualification that enforcement of the indemnification provisions of this Bond Purchase Agreement and the Remarketing Agreement may be limited by federal or State securities laws as the same may have been interpreted by judicial decisions).
- (j) The Borrower has been determined to be and is exempt from federal income taxes under Section 501(a) of the Code, by virtue of being an organization described in Section 501(c)(3) of the Code, and it is not a "private foundation" as defined in Section 509(a) of the Code. The Borrower has not impaired its status as an organization exempt from federal income taxes under the Code and will not, either from and including the date hereof to and including the date of the Closing and, thereafter, while any of the Bonds remain outstanding, impair its status as an exempt person as that term is used in Section 103 of the Code. There are no facts or circumstances presently existing which could cause such determination to be withdrawn or revoked.
- (k) Any certificate signed by an authorized officer of Borrower and which has been delivered to the Authority or Purchaser shall be deemed a representation and warranty by the Borrower to the Authority and Purchaser as to the statements made therein.
- (l) The Borrower agrees to cooperate reasonably with the Purchaser and its counsel in any endeavor to qualify the Bonds for offering and sale under

the securities or “blue sky” laws of such jurisdictions of the United States as the Purchaser may request, provided that the Borrower shall not be required to qualify to do business in any jurisdiction where it is not now so qualified, or to take any action which would subject it to general service of process in any jurisdiction where it is not now so subject. The Borrower ratifies and consents to the use of drafts of the Preliminary Official Statement, the Preliminary Official Statement and drafts of the Official Statement prior to the availability of the Official Statement by the Purchaser in obtaining such qualification. The Borrower shall pay all reasonable expenses and costs (including legal fees) incurred in connection with such qualification.

- (m) To the best knowledge of the Borrower, after due inquiry, (i) other than those Hazardous Substances (as hereinafter defined) used in the course of operation of the facility in accordance with federal, state and local laws and regulations, no dangerous, toxic or hazardous pollutants, contaminants, chemicals, waste, materials or substances, as defined in or governed by the provisions of any federal, state or local law, statute, code, ordinance, regulation, requirement or rule relating thereto (collectively, “Environmental Regulations”), including ureaformaldehyde, polychlorinated biphenyls, nuclear fuel or waste, radioactive materials, explosives, carcinogens and petroleum products, or any other waste, material, substance, pollutant or contaminant which would subject the owner of the Property (as that term is defined in the Master Indenture) to any damages, penalties or liabilities under any applicable Environmental Regulation (collectively, “Hazardous Substances”) are now or have been stored, located, generated, produced, processed, treated, transported, incorporated, discharged, emitted, released, deposited or disposed of in, upon, under, over or from the Property, including real estate; (ii) the Property has not been used as or for a mine, a landfill, a dump or other disposal facility or a gasoline service station; (iii) no person, party, or private or governmental agency or entity has given any notice of or asserted any claim, cause of action, penalty, cost or demand for payment or compensation, whether or not involving any injury or threatened injury to human health, the environment or natural resources, resulting or allegedly resulting from any activity or event described in (i) above; (iv) there are not now any actions, suits, proceedings or damage settlements relating in any way to Hazardous Substances in, upon, under, over or from the Property; and (v) the Property is not subject to any lien or claim for lien or threat of a lien in favor of any governmental entity or agency as a result of any release or threatened release of any Hazardous Substance.
- (n) With respect to any employee retirement plan (a “Plan”) in which the Borrower or any person or entity under common control with, or treated as a single employer, with the Borrower, within the meaning of Section 414(b), (c), (m), or (o) of the Code (each, an “ERISA Affiliate”) participates and with regard to compliance by the Borrower and each ERISA Affiliate with the Employee Retirement Income Security Act of 1974, as amended (“ERISA”) (i) neither any Plan nor the trusts created thereunder, nor any trustee or administrator thereof, has engaged in a “prohibited transaction,” as such term is defined in ERISA or Section 4975 of the Code, which could subject the Plan, any such trust, or any trustee or administrator thereof, or any party dealing with the Plan or any such trust to the tax or penalty on

prohibited transactions imposed by ERISA or Section 4975 of the Code; (ii) the performance of the transactions contemplated by the Official Statement will not involve any prohibited transaction (other than an exempt prohibited transaction); (iii) neither any Plan nor any such trusts have been terminated, nor have there been any "reportable events," as such term is defined in Section 4043 of ERISA, since the effective date of ERISA except for the reportable events heretofore disclosed to the Underwriters in writing which had no material adverse effect on the financial conditions or results of operation of the Borrower; (iv) the Borrower and each ERISA Affiliate have timely made all contributions to each Plan that may have been required to be made under Section 302 of ERISA or of Section 412 of the Code, there has been no application for or waiver of the minimum funding standards imposed by Section 412 of the Code with respect to any Plan, and no Plan has a funding shortfall as of the most recent plan year; and (v) there are no existing or pending (or to the knowledge of Borrower or each ERISA Affiliate, threatened) claims (other than routine claims for benefits in the normal course), sanctions, actions, lawsuits, or other proceedings or investigations involving any Plan. In addition, the Borrower and each ERISA Affiliate (i) have fulfilled in all material respects their obligations under the minimum funding standards of ERISA and the Code with respect to each Plan; (ii) are in compliance in all material respects with the presently applicable provisions of ERISA, the Code and governing documents of each Plan; and (iii) have not incurred any material and past due liability to the Pension Benefit Guaranty Corporation. Each Plan that is intended to qualify under Section 401(a) of the Code has received a current favorable determination letter from the IRS (or an application for such letter is currently being processed by the IRS), each Plan has been timely amended to reflect change in the qualification requirements under Section 401(a) of the Code, and to the knowledge of Borrower and each ERISA Affiliate, nothing has occurred that would prevent, or cause the loss of, such qualification. Neither the Borrower nor any ERISA Affiliate has ever had an obligation (contingent or otherwise) to contribute to, been required to make or accrue a contribution to, or ever made or accrued a contribution to, a "multiemployer plan" as defined in Section 4001(a)(3) or 3(37) of ERISA or Section 414 of the Code.

- (o) Subsequent to _____, 20__, there have been no material adverse changes in the assets, liabilities or condition of the Borrower, financial or otherwise, and neither the operations nor the properties of the Borrower have been adversely affected in any substantial way as the result of any fire, explosion, accident, strike, riot, flood, windstorm, earthquake, embargo, war or act of God.
- (p) All approvals, consents, authorizations, certifications and other orders of any government authority, board, agency or commission having jurisdiction, including, but not limited to, any applicable Certificate of Need, and all filings with such entities, which would constitute a condition precedent to or would adversely affect the performance by the Borrower of its obligations under the Borrower Agreements have been or will be (when needed) obtained.
- (q) The Borrower has complied with all previous continuing disclosure undertakings executed by it pursuant to Rule 15c2-12.

4. **Representation, Covenant and Warranty of the Underwriter.** The Underwriter represents, warrants and covenants to the Authority and Borrower that the Bonds will be offered in accordance with all applicable State and federal laws. The Underwriter further represents, warrants and covenants that it has been duly authorized to execute this Bond Purchase Agreement, and that when executed by the Underwriter and the other parties thereto, this Bond Purchase Agreement will be a valid and binding obligation of the Underwriter.

5. **Indemnification.**
 - (a) The Borrower agrees to indemnify and hold harmless the Authority, each director, official, trustee, member, officer or employee of the Authority and each person, if any, who has the power, directly or indirectly, to direct or cause the direction of the management and policies of the Authority pursuant to the Act or the Authority's rules and regulations or by-laws (collectively, the "Authority Indemnified Parties"), against any and all losses, claims, damages, liabilities or expenses, including reasonable attorneys' fees and expenses, whatsoever arising from or in any manner directly or indirectly growing out of or connected with any of the matters set forth in Section ___ of the Loan Agreement between the Authority and the Borrower.

 - (b) **[This provision should set forth the indemnification that the Borrower will provide to the Underwriter/Purchaser.]**

 - (c) In case any claim shall be made or any action shall be brought against one or more of the Authority Indemnified Parties or the Purchaser Indemnified Parties (the Authority Indemnified Parties and the Purchaser Indemnified Parties, collectively the "Indemnified Party") in respect of which indemnity can be sought against the Borrower pursuant to either of the preceding paragraphs (a) and (b), the Indemnified Party seeking indemnity shall promptly notify the Borrower, in writing, and the Borrower shall promptly assume the defense thereof, including the employment of counsel chosen by the Borrower and approved by the Purchaser or Authority, or both (provided that such approval by the Purchaser or Authority shall not be unreasonably withheld), the payment of all expenses and the right to negotiate and consent to settlement. If any Indemnified Party is advised in a written opinion of counsel that there may be legal defenses available to such Indemnified Party which are adverse to or in conflict with those available to the Borrower or that the defense of such Indemnified Party should be handled by separate counsel, the Borrower shall not have the right to assume the defense of such Indemnified Party, but the Borrower shall be responsible for the reasonable fees and expenses of counsel retained by such Indemnified Party in assuming its own defense, and provided also that, if the Borrower shall have failed to assume the defense of such action or to retain counsel reasonably satisfactory to the Purchaser or Authority within a reasonable time after notice of the commencement of such action, the reasonable fees and expenses of counsel retained by the Indemnified Party shall be paid by the Borrower. Notwithstanding the foregoing, any one or more of the Indemnified Parties shall have the right to employ separate counsel with respect to any such claim or in any such action and to participate in the defense thereof, but the fees and expenses

of such counsel shall be paid by such Indemnified Party unless the employment of such counsel has been specifically authorized by the Borrower or unless the provisions of the immediately preceding sentence are applicable. The Borrower shall not be liable for any settlement of any such action affected without the consent of the Borrower, but if settled with the consent of the Borrower or if there be a final judgment for the plaintiff in any such action with or without consent, the Borrower agrees to indemnify and hold harmless the Indemnified Party from and against any loss, liability or expense by reason of such settlement or judgment.

- (d) The Underwriter agrees, at its expense, to indemnify, defend and hold harmless the Authority Indemnified Parties and the Borrower, each director, official, trustee, member, officer or employee of the Borrower and each person, if any, who has the power, directly or indirectly, to direct or cause the direction of the Borrower (collectively, the "Borrower Indemnified Parties") from and against any and all losses, claims, damages, demands, liabilities, costs or expenses (for purposes of this paragraph (d), collectively, "Claims"), including attorneys' fees and expenses, if such Claims are a result of, arise out of or would not exist but for (A) untrue statements or omissions, or alleged untrue statements or omissions, made in the Official Statement (or any amendment or supplement thereto) under the heading "UNDERWRITING" or in reliance upon and in conformity with written information furnished to the Borrower or the Authority, as the case may be, by the Underwriter expressly for use in the Official Statement (or any amendment or supplement thereto); or (B) any material misstatements or omissions made by any agent, employee or officer of the Underwriter or anyone authorized by the Underwriter to sell the Bonds made in connection with any offer to sell a Bond if such misstatements or omissions arise from providing any information concerning the Bonds to purchasers or potential purchasers of a Bond other than a complete Official Statement. The foregoing indemnification obligations of the Underwriter shall in no way be deemed to limit or affect the rights of the Authority, at law and equity, to enforce its rights under the terms of this Bond Purchase Agreement.
- (e) In case any claim shall be made or any action shall be brought against one or more of the Authority Indemnified Parties or the Borrower Indemnified Parties (collectively, the "Indemnified Person") in respect of which indemnity can be sought against the Purchaser pursuant to the preceding paragraph (d), the Indemnified Person seeking indemnity shall promptly notify the Purchaser in writing, and the Purchaser shall promptly assume the defense thereof, including the employment of counsel chosen by the Purchaser and approved by the Borrower or Authority, or both (provided, that such approval by the Borrower or Authority shall not be unreasonably withheld), the payment of all expenses and the right to negotiate and consent to settlement. If any Indemnified Person is advised in a written opinion of counsel that there may be legal defenses available to such Indemnified Person which are adverse to or in conflict with those available to the Purchaser, or that the defense of such Indemnified Person should be handled by separate counsel, the Purchaser shall not have the right to assume the defense of such Indemnified Person, but shall be responsible for the fees and expenses of counsel retained by such Indemnified Person in assuming its own defense, and provided also that, if the Purchaser shall

have failed to assume the defense of such action or to retain counsel reasonably satisfactory to the Authority or Borrower within a reasonable time after notice of the commencement of such action, the reasonable fees and expenses of counsel retained by the Indemnified Person shall be paid by the Purchaser. Notwithstanding the foregoing, any one or more of the Indemnified Persons shall have the right to employ separate counsel in any such action and to participate in the defense thereof, but the fees and expenses of such counsel shall be at the expense of such Indemnified Person unless the employment of such counsel has been specifically authorized, in writing, by the Purchaser or unless the provisions of the immediately preceding sentence are applicable. The Purchaser shall not be liable for any settlement of any such action affected without its written consent, but if settled with the written consent of the Purchaser or if there be a final judgment for the plaintiff in any such action with or without consent, the Purchaser agrees to indemnify and hold harmless the Indemnified Person from and against any loss, liability or expense by reason of such settlement or judgment.

- (f) In order to provide for just and equitable contribution in circumstances in which the indemnity agreement provided for in Section ___ is for any reason held to be unavailable to the Purchaser, Authority or Borrower other than in accordance with its terms, the Purchaser and Borrower, jointly and severally, shall contribute to the aggregate losses, liabilities, claims, damages and expenses of the nature contemplated by said indemnity agreement incurred by the Purchaser, Authority, and Borrower in such proportions that the Purchaser is responsible for that portion represented by the percentage that the underwriting discount bears to the initial public offering price appearing on the cover page of the Official Statement and the Borrower is responsible for the balance; provided, however, that no person guilty of fraudulent misrepresentation shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. For purposes of this Section, each person, if any, who controls the Purchaser shall have the same rights to contribution as such Purchaser.
- (g) The covenants and agreements of the Borrower and Purchaser herein contained shall survive the delivery of the Bonds.

E. TAX EXEMPTION MATTERS / ARBITRAGE MATTERS

1. Tax Exemption Matters.

The Authority requires the Borrower, for bond transactions in which tax-exempt bonds are being issued, to execute a tax exemption agreement in form and substance acceptable to the Authority and Bond Counsel (“Tax Exemption Agreement”), which Tax Exemption Agreement shall include the following provisions:

To be Included in Introduction Section of Tax Exemption Agreement

One purpose of executing this Tax Exemption Agreement is to set forth various facts regarding the Bonds and to establish the expectations of the Authority and the Borrower as to future events regarding the Bonds and the use of the proceeds of the Bonds. To the extent such facts do not relate directly to the Authority or the Trustee, the Authority and the Trustee are reasonably and prudently relying on the certifications of the Underwriters [and other parties, if applicable, such as credit enhancers and swap advisors] and the covenants and certifications of the Borrower. The certifications and representations made herein and the Borrower’s compliance with the covenants contained herein are intended, and may be relied on, as a certification of an officer of the Authority given in good faith as described in Regulations Section 1.148-2(b)(2) for all purposes of this Tax Exemption Agreement and for purposes of the Information Return for Tax-Exempt Private Activity Bond Issues, Form 8038, to be filed with the Internal Revenue Service (“IRS”) with respect to the Bonds (“Form 8038”).

The execution and delivery of this Tax Exemption Agreement by the Authority and the Borrower will be treated by the Authority and the Borrower as the establishment of a portion of the written procedures (i) to ensure that any Bonds that become nonqualified bonds are identified and remediated in accordance with the requirements of the Code and Regulations, including the remediation provisions of Regulations Section [1.141-12, 1.142-2, 1.144-2 or other applicable regulation], and (ii) to monitor compliance with the arbitrage, yield restriction and rebate requirements of Code Section 148. By executing this Tax Exemption Agreement, the Authority and the Borrower agree that the Authority may rely upon the Borrower’s compliance with the covenants and procedures described in this Tax Exemption Agreement, including all Exhibits hereto, for purposes of maintaining the tax-exempt status of interest on the Bonds and complying with the requirements of Form 8038.

To be Included in Text of Tax Exemption Agreement

Remedial Actions. The Borrower hereby (i) acknowledges that the disposition and certain uses of the [Financed Property] may require remediation in accordance with Regulations Section [1.141-12, 1.142-2, 1.144-2 or other applicable regulation], (ii) covenants to track the use and disposition of all [Financed Property] as required by the Code and Regulations and to comply with the remediation requirements of Regulations Section [1.141-12, 1.142-2, 1.144-2 or other applicable regulation] and (iii) acknowledges that the Authority will rely on the establishment of the covenants set forth in this Section _____, and the Borrower’s compliance with those covenants as the establishment by the Authority and the Borrower of a portion of the written procedures to comply with the remediation requirements of the Code and the Regulations.

2. **Arbitrage Matters.**

The Authority requires the Borrower to maintain responsibility for all arbitrage rebate calculations. The Authority directs the creation, and orders maintained, as a separate deposit account (except when invested as provided in Section ___ hereof) in the custody of the Trustee, a fund designated "Illinois Finance Authority Rebate Fund." The moneys and investments deposited in and credited to the Rebate Fund shall be free and clear of any lien created by the Indenture. The Borrower shall, within fourteen (14) days prior to the end of each fifth Bond Year and within fourteen days (14) prior to the payment in full of all Outstanding Bonds, retain an Arbitrage Rebate Consultant¹ to calculate and furnish to the Trustee in writing the amount of Excess Earnings as of the end of that fifth Bond Year or the date of such payment in full. The costs and all expenses of said Consultant are the sole responsibility of the Borrower.

¹ The term Arbitrage Rebate Consultant shall mean a firm of recognized expertise in the area of arbitrage rebate calculations and its requirements engaged by Borrower and which is acceptable to the Authority and Trustee.

[The Authority would have no objection to a Borrower making annual payments; and this language may be modified to reflect such annual payment option.]

The Trustee agrees to maintain and furnish the Arbitrage Rebate Consultant with all such information and data as such Consultant shall reasonably require to make the calculations described in this Section within forty-five (45) days after being retained by the Borrower. The Trustee shall also notify the Borrower and Authority in writing of the amount then on deposit in the Rebate Fund. If the amount then on deposit in the Rebate Fund is in excess of the Excess Earnings, then the Trustee shall forthwith pay that excess amount to the Borrower. If the amount then on deposit in the Rebate Fund is less than the Excess Earnings, then the Borrower shall, within ten (10) days after receipt of the aforesaid notice from the Trustee, pay to the Trustee for deposit in the Rebate Fund an amount sufficient to cause the Rebate Fund to contain an amount equal to the Excess Earnings. Within sixty (60) days after the end of the fifth Bond Year and every fifth Bond Year thereafter, the Trustee, acting on behalf of the Authority and Borrower, shall pay to the United States of America in accordance with Section 148(f) of the Code from moneys then on deposit in the Rebate Fund an amount equal to ninety percent (90%) (or such greater percentage not in excess of one hundred percent (100%) as the Borrower may direct in writing to the Trustee to pay) of the Excess Earnings earned from the Closing Date through the end of such fifth Bond Year (less the amount of Excess Earnings, if any, previously paid to the United States of America pursuant to this Section). Within 60 days after the payment in full of all Outstanding Bonds, the Trustee shall pay to the United States of America in accordance with Section 148(f) of the Code from the moneys then on deposit in the Rebate Fund an amount equal to one hundred percent (100%) of the Excess Earnings earned from the Closing Date through the date of such payment in full (less the amount of Excess Earnings, if any, previously paid to the United States of America pursuant to this Section) and any moneys remaining in the Rebate Fund following such payment shall be paid to the Borrower in accordance with Section of the Loan Agreement. All computations of Excess Earnings pursuant to this Section shall treat the amount or amounts, if any, previously paid to the United States of America pursuant to this Section as amounts on deposit in the Rebate Fund.

In addition, in accordance with Section 148(f)(4)(B)(iv) of the Code, the Arbitrage Rebate Consultant shall calculate and the Borrower shall pay to the Trustee for payment to the United States of America such penalty amount (if any) required under such Section with respect to nonpurpose investments allocable to the construction subaccount of the Project Fund which are not spent in accordance with the schedule required by Section 148(f)(4)(B)(iv) of the Code and set forth in the Certificate as to Arbitrage, dated the Closing Date, executed by the Authority and the Borrower.

The Trustee and Authority shall be entitled conclusively to rely on the calculations and directions of the Consultant made pursuant to this Section and shall not be responsible for any loss or damage resulting from any action taken or omitted to be taken in reliance upon those calculations and directions.

The Trustee shall maintain a record of any investments of gross proceeds of the Bonds (within the meaning of Section 148(f) of the Code) held by the Trustee, including, without limitation, investments of amounts held in the Bond Fund and Project Fund. This record with respect to obligations in which gross proceeds of the Bonds are invested will include their date of purchase, purchase price, coupon rate and period, and the amount and date of receipt of payments of principal, premium and interest, and of sale, redemption and retirement proceeds with respect thereto.

The Trustee shall obtain and keep such records of the computations made pursuant to this Section as are required under Section 148(f) of the Code. Notwithstanding the foregoing, the Trustee shall keep such records at least until three years following the final payment or maturity of all Bonds.

[The Authority will accept a provision to the effect that if the Borrower provides the Authority with an unconditional opinion of bond counsel stating that arbitrage rebate is not a relevant issue to a particular transaction, the need for a Consultant's Report may be waived.]

F. **OFFICIAL STATEMENT**

1. **Secondary Market Disclosure.** The Authority has not made and will not make any provision to provide any annual financial statements or other credit information of the Borrower to investors on a periodic basis.

2. **Cover Page.**

4. **Security for and Source of Payment of the Bonds.** The Bonds, any premium thereon and the interest thereon constitute special, limited obligations of the Authority and, except to such limited extent, do not constitute indebtedness or an obligation, general or moral, or a pledge of the full faith or a loan of credit of the Authority, the State of Illinois or any political subdivision thereof, within the purview of any constitutional or statutory limitation or provision. The Authority is obligated to pay the principal of, premium, if any, and interest on the Bonds and other costs incidental thereto only from the sources specified in the Indenture. No owner of any Bond shall have the right to

compel the taxing power of the State of Illinois or any political subdivision thereof to pay the principal of, premium, if any, or interest on the Bonds. The Authority does not have the power to levy taxes for any purpose whatsoever.

5. **The Project.** The Authority makes no warranty or representation, whether express or implied, with respect to the Project or the location, use, operation, design, workmanship, merchantability, fitness, suitability or use for particular purpose, condition or durability thereof or title thereto.
6. **Bondholder's Risk.** In all circumstances, except as may be approved by the Authority's General Counsel, including but not limited to the use of credit enhancement, both the Preliminary Official Statement and Official Statement must have a Bondholder's Risk section in form and substance acceptable to the Authority and its issuer's counsel.
7. **Execution.** The Authority does not sign the Official Statement; the Authority requires the Borrower to sign the Official Statement.
8. **The Authority.**

(a) **Description of the Authority.** The Authority is a body politic and corporate of the State of Illinois. The Authority was created under the Illinois Finance Authority Act, as amended from time to time (the "Act"), which consolidated seven of the State's previously existing financing authorities (the "Predecessor Authorities"). All bonds, notes or other evidences of indebtedness of the Predecessor Authorities were assumed by the Authority effective January 1, 2004. Under the Act, the Authority may not have outstanding at any one time bonds for any of its corporate purposes in an aggregate principal amount exceeding \$28,150,000,000 (subject to change, from time to time, by acts of the State Legislature), excluding bonds issued to refund the bonds of the Authority or bonds of the Predecessor Authorities. Pursuant to the Act, the Authority is governed by a 15-member board appointed by the Governor of the State of Illinois with the advice and consent of the State Senate. Presently, _____ members have been duly appointed and _____ vacancies exist. The members receive no compensation for the performance of their duties but are entitled to reimbursement for all necessary expenses incurred in connection with the performance of such duties.

(b) **Bonds of the Authority.** The Authority may from time to time issue bonds as provided in the Act for the purposes set forth in the Act. The Bonds of the Authority as described herein are special, limited obligations of the Authority payable solely from the specific sources and revenues of the Authority specified in the Final Bond Resolution and Indenture authorizing the issuance of such bonds. Any bonds issued by the Authority (and any premium thereon and the interest thereon) do not constitute indebtedness or an obligation, general or moral, or a pledge of the full faith or a loan of credit of the State of Illinois or any political subdivision thereof, within the purview of any constitutional or statutory limitation or provision. No Owner of any Bond shall have the right to compel any taxing power of the State of Illinois or any political subdivision thereof to pay the principal of, premium, if any, or interest on the Bonds. The Authority has no taxing power.

The Authority makes no warranty or representation, whether express or implied, with respect to the Project or the use thereof. Further, the Authority has not prepared any material for inclusion in this Official Statement, except that material under the headings "THE AUTHORITY" and "LITIGATION – The Authority". The distribution of this Official Statement has been duly approved and authorized by the Authority. Such approval and authorization does not, however, constitute a representation or approval by the Authority of the accuracy or sufficiency of any information contained herein except to the extent of the material under the headings referenced in this paragraph.

The offices of the Authority are located at 160 North LaSalle Street, Suite C-800, Chicago, Illinois 60601, and its telephone number is (312) 651-1300.

(c) **Authority Counsel.** Certain legal matters with respect to the Bonds will be passed upon for the Authority by its special counsel _____, _____, Illinois.

(d) **Litigation -- The Authority.** There is not now pending (as to which the Authority has received service of process) or, to the actual knowledge of the Authority, threatened, any litigation against the Authority restraining or enjoining the issuance or delivery of the Bonds or questioning or affecting the validity of the Bonds or the proceedings or authority under which the Bonds are to be issued. Neither the creation, organization or existence of the Authority nor the title of any of the present members or other officers of the Authority to their respective offices is being contested. There is no litigation against the Authority pending (as to which the Authority has received service of process) or, to the actual knowledge of the Authority, threatened, which in any manner questions the right of the Authority to enter into the Indenture, the Loan Agreement or the Bond Purchase Agreement or to secure the Bonds in the manner provided in the Indenture, the Final Bond Resolution and the Act.

G. CHAIN OF TITLE

To the fullest extent possible given the circumstances of the particular financing, the Authority prefers to remain outside of the chain of title, whether by lease, deed, mortgage, assignment or other such document, relative to any property involved with or affected by the Project.

SECTION IV **TRUSTEE QUALIFICATIONS**

The role of a trustee is essential to the bond transaction and performs vital functions. Because of the trustee's complex role, the Authority requires the trustee to satisfy specific qualifications. Specifically, Borrowers may use any bank or trust company to serve as trustee as long as the selection meets the following conditions:

1. The trustee must demonstrate continuing experience with similar bond issues.
2. The trustee must demonstrate work and experience with defaulted issues.
3. The trustee must have a combined capital and surplus of at least \$50,000,000, as set forth in its most recent published annual report of condition, or, alternatively, a liability insurance policy having the type of coverage and in an amount acceptable to the Authority.
4. The trustee must have an operations group of at least four (4) experienced trust officers, with primary responsibility for municipal bond issues.
5. The trustee must have at least 25 municipal bond indentures aggregating at least \$25,000,000 under its administration.
6. The trustee must have the ability to transfer (manually and electronically) principal and interest payment information to the Authority, and to file any bond payment reports (including the "Notice of Payment of Bond Interest and/or Principal" C-08 Notice Forms) required to be filed by the Authority.
7. In the event that a trustee is not designated for a transaction, at a minimum, a paying agent acceptable to the Authority must be designated, which paying agent must satisfy all of the foregoing requirements of a trustee, unless expressly waived by the Authority.

SECTION V
POST-CLOSING MONITORING
AND COMPLIANCE

The Authority considers post-closing monitoring important to accomplishing its public mission. The general policy of the Authority is that all requirements of bond compliance are the responsibility of the Borrower, except to the extent specifically required by federal or State law and to the limited extent the Authority may undertake other responsibilities by contract or as a matter of policy. Borrowers are required to conduct post-closing monitoring tasks with respect to certain aspects of the closed transaction and, if applicable, the financed project, including, but not limited to the matters below.

A. REGULATORY AND POLICY REQUIREMENTS

As a conduit issuer of bonds, the general approach of the Authority is that all requirements of bond compliance are the responsibility of the Borrower, except to the extent requirements of federal and State law directly apply to the Authority and to the limited extent the Authority may undertake responsibilities by contract or a matter of policy. Each Borrower generally agrees to comply with to all applicable laws, including applicable provisions of the Code and IRS regulations and other published guidance.

The Authority has adopted written post-issuance procedures, which are intended to facilitate compliance of its bond issues with applicable laws, including applicable federal tax requirements. In addition to its internal controls, the Authority generally requires the cooperation of its Borrowers and expects the cooperation of other transaction participants. Such cooperation may include, but not be limited to: tax compliance and IRS examination matters, bond document modifications, external and internal audit matters, and records retention matters.

In addition to the requirements referenced above, the Authority may require that its Borrowers comply with certain other post-closing requirements, including, but not limited to:

1. Require that Borrowers identify a particular official or officials responsible for post-issuance compliance containing certain core provisions required by the Authority.
2. Requirement that Borrowers demonstrate that they have adopted written post-issuance compliance procedures before the approval of a bond issue.
3. Timely completion by Borrowers of any remedial actions to correct (including voluntary closing agreement requests) or otherwise resolve identified noncompliance.

B. CERTIFICATE OF COMPLETION

The Authority requires that conduit borrowers complete and submit a certificate stating that the project is completed (a "Certificate of Completion"). The Certificate of Completion should be delivered to both the applicable Manager and the Authority's General Counsel, as required by applicable bond documents, which generally is within thirty (30) days of project completion.

C. SITE VISIT

Prior to, during or after completion of the Project, the Authority, at its discretion, and without obligation, reserves the right to conduct a site visit, upon reasonable notice to the Borrower.

Re: Project Name:

Dear _____:

As Issuer's Counsel, we have examined documents generated in connection with the captioned bond issue to ensure compliance with the policies and requirements of the Authority, and we have found them to be in such compliance, except for matters expressly approved by the General Counsel of the Authority. The final bond resolution, which we have also reviewed, authorizes the Executive Director and other designated officers of the Authority to execute and deliver these documents.

Based on our review of the following documents together with certain other documents, which the Authority does not execute, we conclude that these documents will accomplish the issuance and sale of the bonds and provide for the loan of the proceeds to, and the repayment by, the bond obligor: Bond, Bond Purchase Agreement or Private Placement Memorandum, Indenture, Loan Agreement, Official Statement or Limited Offering Memorandum, Tax Compliance Agreement, Certificate of Authority and other related and relevant documents.

Sincerely,

Attorney's Signature
