What is St. Jude Trike-A-Thon?

Date

The St. Jude Trike-A-Thon is a week long fundraising program that teaches kids riding-toy safety. As they learn the rules of the road, students can gather donations to support the work of St. Jude Children's Research Hospital®

Who am I helping?

For months, Eden didn't feel well. She was on and off antibiotics and often in the pediatrician's office. She developed petechia and bruises on her legs and chest. In April 2014, tests revealed Eden suffered from acute lymphoblastic leukemia. Her family turned to St. Jude Children's Research Hospital®, where Eden is undergoing chemotherapy. Treatments invented at St. Jude have helped push the overall childhood cancer survival rate from 20 percent to 80 percent since it opened 50 years ago. Treatment hasn't slowed Eden down. She loves to ride her tricycle and play with her three sisters.

Please sponsor me.

- Families never receive a bill from St. Jude Children's Research Hospital for treatment, travel, housing or food - because all a family should worry about is helping their child live.
- St. Jude is leading the way the world understands, treats and defeats childhood cancer and other life-threatening diseases.
- St. Jude is working to drive the overall survival rate for childhood cancer to 90 percent in the next decade. We won't stop until no child dies in the dawn of life.

Please sponsor me in the St. Jude Trike-A-Thon.

The St. Jude Trike-A-Thon teaches me riding-toy safety and lets me raise money for St. Jude. At the end of the week, I will bring my trike or riding-toy to school to practice everything I learned. Please sponsor me by donating \$25, \$50 or more. Your donation helps St. Jude keep its promise to patients that no family will have to pay for treatment, travel, housing or food.

We request that you do not give a cash donation for the safety and convenience of the participant. Please make your check payable to St. Jude Children's Research Hospital.

Por favor, ayúdeme a alcanzar mi meta de recaudación en el Trike-A-Thon de St. Jude.

El Trike-A-Thon de St. Jude me enseña las medidas de seguridad para montar bicicleta y me permite recaudar donativos para St. Jude. Al final de la semana, voy a traer mi triciclo o bicicleta a la escuela para practicar todo lo que aprendí. Por favor, ayúdeme a alcanzar mi meta donando \$25, \$50 o más. Su donativo ayuda a St. Jude a mantener la promesa a sus pacientes de que ninguna familia tendrá que pagar por su tratamiento, transporte, hospedaje o alimentación.

Por la seguridad y conveniencia del participante, le solicitamos que su donación no sea en efectivo. Por favor haga su cheque a nombre de St. Jude Children's Research Hospital.
