

Why the Program Is Needed

As many as 20% of our students request financial assistance and need the help of the community to pay their tuition.

It is our goal to provide as much financial assistance to these needy students as possible so that they have every opportunity to receive a Catholic education.

Your participation in the program will have a direct and lasting impact on the life of an adopted student. And that student will forever know that

someone cared enough to give them the opportunity and gift of a Catholic education.

The education of our children is a vital mission of our church and school. And your participation in that mission, by adopting a needy student, will be a reflection for them of Christ's love and care.

Faith, Life, Learning

St. John Eudes School accepts the mission of educating students in faith and knowledge. We model Jesus Christ by centering our teaching on integrating faith, life, and learning. We concentrate on building character, learning as a process, valuing self-esteem, and respecting individual differences. We are committed to professing the spirit of Saint Paula Montal by nurturing Christian values and providing quality education. As facilitators of learning, we think, learn, and make decisions.

St. John Eudes School is fully accredited by the Western Association of Schools and Colleges and the Western Catholic Educational Association in recognition of the quality of our educational program.

St. John Eudes admits any student of any race, color or racial or ethnic origin to all the rights, privileges, programs and activities generally accorded or made available to students at the school. The school does not discriminate on the basis of race, color, or racial or ethnic origin, in the administration of education policies, admission policies, scholarship and loan programs, and athletic and other school administered programs.

the Life of a Child”*

St. John Eudes School Adopt-A-Student Program

Why Invest in a Child?

At St. John Eudes School we believe that every child should have the opportunity to pursue a Catholic education. We recognize that enrolling in a Catholic school may pose a financial hardship for some families.

Through our Adopt-A-Student Program, we help families who otherwise could not afford to send their children to St. John Eudes School.

***How many gifts can you say
help so much and are so far reaching?***

program. Gifts of less than \$500, given by “Supportive Donors”, are placed in a general tuition fund and are used for all students needing assistance.

All donors will be recognized in a special publication at the end of the program year. But, in order to protect the privacy of students, families, and donors, the names of students and their Adoptive Donors will not be revealed to each other. However, whatever level of your participation, you can be assured that 100% of your gift is used to help a student, with no funds used for administrative costs.

for the kingdom of God belongs
to such as these.” Luke 18:16*

A Catholic Education Works

Studies have shown time and time again that Catholic schools offer children of lower income families the best hope of receiving a quality education and of escaping poverty and discrimination, and thus help build and support family values and social ethics.

An investment in the St. John Eudes Adopt-A-Student Program is an investment in the life of a child, in the community, and in the future.

About the Program

When a student's family applies for financial assistance, the student is placed on a list according to greatest need through an objective ranking known as the “FACTS Tuition Aid Assessment”.

Gifts of \$500 or more are allocated directly to a specific child on the list, in order of need, and are used to help pay that particular student's fees and tuition for the year. Those donors gifting at that level are considered as “Adoptive Donors” and will be recognized yearly on a Donor Plaque maintained in the School Office and receive a Certificate of Recognition for their participation in the
